Dear Sir,

I wish to inform you that my query has since been answered directly by a representative of the Procurement Committee. As the matter underlying the grievance has been resolved, I hereby **withdraw Grievance No. GR0-P78547-001** and request that it be marked as withdrawn/closed in your records.

I appreciate the Procurement Committee's attention to this matter and look forward to submitting our proposal in due course.

Please let me know if any further confirmation is needed from our end to process this withdrawal.
