Subject: DECISION OF GEPCO'S GRIEVANCE REDRESSAL COMMITTEE REGARDING AGAINST THE TENDER NO. NCB-STG-TE-9 PROCUREMENT OF TESTING EQUIPMENT UNDER GEPCO's OWN RESOURCES.

The Grivenance Redressal Committee observed in the qualification criteria, it is clarified that the specifications have been prepared strictly in accordance with GEPCO's technical and operational requirements and are based on the required functionality, performance and reliability of the equipment. The specifications are neither biased nor intended to favour any particular bidder or manufacturer. Any bidder offering equipment meeting the prescribed requirements is eligible to participate in the bidding process. Accordingly, the observation regarding favouring of a single bidder/manufacturer is not agreed with.
