

COMMENT RESPONSE FOR CONTRACTOR QUERIES
CONSTRUCTION OF DUBAIR ROAD (PACKAGE-1)

Sr. No	QUERIES	RESPONSE
1	Clarificaiton No 2 Dear Sir Please clarify which documents are required to be uploaded under the following sections of the bidding/e-procurement system: 5. Other documents required to be submitted as stated in Eligibility and Qualification Criteria and Bidder's Qualification Forms 6. Specific documents required to be submitted with Technical Bid. The Bidder shall submit sufficient details to demonstrate the adequacy of the Bid in meeting requirements for timely completion of the Works. 11. Specific documents required to be submitted with Technical Bid in accordance with Bidding Documents As all the documents required under the Bidding Documents appear to have already been specified and are being uploaded under their respective sections, we request you to kindly clarify which specific additional documents are required to be uploaded under Sections 5, 6, and 11. Your clarification will help us ensure complete and proper submission of our bid and avoid any inadvertent omission or duplication of documents.	Bidders are required to complete and submit their Bids in all respects, along with all requisite supporting documents, forms and schedules specified in the relevant sections of the Bidding Documents, and upload the same under the appropriate sections/annexures of the EPADS system. With reference to ITB Clauses 5.1 and 9.1, the documents indicated under the relevant bullets are intended to facilitate bidders in ensuring that all requirements of the Bidding Documents are duly complied with. In this regard, the following is clarified: Bullet No. 5: Bidders are required to submit all documents specified under the Eligibility and Qualification/ Evaluation Criteria and the Bidder's Qualification Forms, as stipulated in the Bidding Documents. Bullet No. 6: Bidders are required to submit sufficient details in support of their proposed Work Methodology, including the construction schedule, organization chart, mobilization plan, proposed method of execution of the Works, and any other relevant information necessary to demonstrate the adequacy of their Bid for timely completion of the Works in accordance with the requirements mentioned in the qualification and Evaluation Criteria stipulated in the Bidding Documents. Bullet No. 11: Bidders are required to submit the Technical Bid along with all requisite documents specified throughout the relevant sections of the Bidding Documents. Accordingly, bidders shall ensure that all required documents, forms and schedules are duly completed and uploaded under the relevant sections/annexures of the
