SECTION - II

INSTRUCTIONS TO BIDDERS

SECTION - II

Instructions to Bidders

1. All rates quoted in the prescribed SOR / BOQ shall be firm, irrevocable and not subject to change or escalation on any account what so ever. No modification, alteration or deletion in the bid will be accepted after the bid opening time.
2. Sealed Bids shall be received at Company's Head Office, ST-4/B, Block - 14, Sir Shah Suleman Road, Gulshan-e-Iqbal, Karachi, up to specified time & date and will be opened publicly at specified time & date, in the presence of Bidders or their authorized representative who choose to attend. In case the bid opening date falls on a holiday or due to some unavoidable circumstances, it is not possible to open on scheduled date, it will be opened on next working day at the same time.
3. All original bid documents accompanied with the bid bond shall be submitted by the Bidder in the envelope provided with tender documents. The sealed Bids must be submitted at the address stated above in person or by courier or by any other means but it shall be the Bidder's responsibility to ensure that Bids so submitted are delivered to the above address before the specified Bid opening date and time. The Company shall not be held responsible in any way for late receipt of Bids or their confidentiality. Bids received after the Bid closing time shall not be considered, and will be returned to the Bidder unopened.
4. In Case of single stage two envelop bidding system (if mentioned in press advertisement & Tender document), sealed technical offer & sealed bid shall be submitted in separate envelopes (bid bond will be enclosed with "Financial" bid unless and until specified separately in tender terms). "Technical" and "Financial" is to be mentioned on the top of the envelop. Technical offers will be opened and evaluated first. Financial offer of only technically compliant bidders will be opened at a later intimated date in presence of bidder's representative. Financial offers of technically non-compliant bidders will be returned un-opened along with their bid bond.
5. The Bid should be signed by a person having the authority for this purpose. In case of a bid submitted by a corporate entity, the same shall bear its seal and be duly signed by its secretary.
6. Bids shall be submitted strictly in accordance with the requirements of the Tender Documents and as per specifications.
7. Bid shall remain valid for acceptance for a period of (120) days from the date of public opening of the bids.
8. The Company shall not reimburse any expenses incurred in preparation of Bids.
9. The Bid and all subsequent correspondence shall be in the English language.
10. Payment for the Contracted Work / Services will be made in Pakistani Rupees only. The rates quoted by the Bidder shall therefore, be in Pakistani Rupees.
11. In case of any queries / clarification with regard to this Tender, the same may be forwarded to Procurement Department upto 5 days before the bid opening date, thereafter the request will not be considered.
12. The Company reserves the right to reject any or all Bids without assigning any reason and cancel the bidding process. Company also reserves the right to accept the whole or a part of Bid and does not bind itself to accept the lowest or any particular Bid.
13. In case of any conflict between the Special Terms & Conditions and elsewhere in the tender documents the Special Term & Conditions, will supersede & prevail.
14. Each and every page of the bid documents being submitted by the bidders shall be signed and stamped failing which the bid may be liable for rejection.
15. All documentary evidence required for evaluation of bid should be submitted along with the bid in absence of any documentary evidence no marks will be awarded in accordance to the evaluation criteria.
16. In order to maintain cordial business relation and as per ethical business approach, please provide the justification in case of your non participation on our Fax # 99231583 & Email. mmte@ssgc.com.pk.
17. Conditional Bid will not be accepted and liable to be rejected.
18. The quoted unit price and corresponding total amount shall be inclusive of all duties and Taxes and excluding provincial Sales Tax as per provincial laws.
19. Sealed bids shall be mailed/submitted/dropped in tender box placed at Tender Room, CRD Building, SSGC Head Office. Bids are to be delivered on or before closing time after which bid will not be entertained. If bid is sent through courier, the same shall be delivered at least half an hour before scheduled opening time.
20. Price given in the Bid Form/BOQ is firm which shall take into account all relevant factors including any Discount / escalation given separately at the time of bid opening will not be considered.
21. The bidders are required to fill form SSTW-05 (if deemed required) and submit with the bid.

SECTION - III

SCOPE OF WORK

The Contractor/Firm shall supply adequate manpower, machinery, equipment, and material required for the execution of the subject works and shall ensure safe and proper execution of the work, complete in all respects, within the specified completion period. The detailed, item-wise scope of work is set out in the Bill of Quantities at Section-IV.

All specified material to be used for the construction/renovation works shall be of first/prime quality (as per the specifications described in the Bill of Quantities) or superior. Inferior or No. 2 quality material of any kind shall be rejected by the Company's representative and the Contractor shall remove such rejected material immediately from site as and when so instructed. Samples of the following materials, at a minimum, shall be submitted for approval by the Company's representative prior to procurement/execution:

- Cement (Ordinary Portland Cement / Sulphate Resistant Cement, as applicable)
- Fine Aggregates & Coarse Aggregates
- Concrete/masonry blocks or bricks
- Flooring material (porcelain tile as selected)
- False ceiling system (modular perforated acoustic Aluminum ceiling, as selected)
- Paint (plastic emulsion, weather shield)
- Doors, door hardware and fire-rated door assemblies
- Electrical accessories, fixtures, distribution boards and fire alarm equipment

Broad Categories of Work

The works comprise, but are not limited to, the following broad categories, the detailed item-wise description, unit and quantity of each being set out in the Bill of Quantities (Section-IV):

- A. Demolition/Dismantling Works
- B. Masonry Works/Reconstruction, including closing up of redundant door/window openings and provision of lintels/beams
- C. Flooring of the CCR
- D. False Ceiling of the CCR
- E. Plaster on new/patched surfaces/wherever required
- F. Paint (internal and external-facing surfaces)
- G. Wall Cladding (fire-retardant WPC feature wall)
- H. Doors, including a fire-rated emergency exit door and a fire-rated main entrance door
- I. Reinstallation of existing wooden cabinets

inf

M

JS

Qif

- J. Pantry (under the back staircase)
- K. Construction of a new IR Record Room at the top of building (light-gauge steel structure), procured as a single lump-sum package covering base framing, wall framing, roofing, insulation and internal/external cladding, complete with its own entrance door
- L. Electrical wiring and Fire Alarm System for the CCR and IR Room
- M. Signage — interior feature wall signage and exterior corridor identification signage at the CCR entrance

Site Conditions & Precautions

Bidders' attention is specifically drawn to the following site conditions, which shall govern the planning and execution of the works:

- The CCR building is understood to be over 50 years old. All wall openings shall be executed by controlled wet cutting using approved water-assisted cutting equipment capable of producing accurate cuts with minimal vibration and disturbance to the existing structure. The use of percussive or impact demolition equipment, including jackhammers, rotary breakers, pneumatic breakers, chipping hammers or similar tools, is strictly prohibited. The Contractor shall leave a minimum of 12" (300 mm) of undisturbed masonry at each side of every new opening and maintain a minimum 18" (450 mm) clearance below the roof/floor slab at the top of every opening unless otherwise approved by the Engineer-in-Charge. Temporary propping, shoring and all necessary structural support measures shall be provided prior to and during cutting wherever directed by the Engineer-in-Charge. All cutting works shall be carried out in accordance with the Special Conditions of Contract and the detailed Scope of Work under S.No A of the BOQ (Section-IV).
- No cutting, dismantling, or removal of masonry within 450mm of the slab soffit or at adjacent wall junctions shall commence until the Engineer-in-Charge has instructed

Bidders are advised to carry out a site visit prior to submission of their bid, in accordance with the Special Conditions of Contract, to satisfy themselves as to the actual site conditions, access, and constraints referred to above.

Final Performance Specification Matrix

Item	Minimum Performance Requirement
FLOORING WORKS	
Porcelain Floor Tiles	Rectified porcelain, 600×600 mm, minimum 10 mm thick, matt finish, water absorption ≤0.5%, PEI IV or V, slip resistance R10 minimum, first quality, calibrated, rectified
Tile Adhesive	Polymer-modified cementitious adhesive (C2 grade or equivalent), suitable for porcelain tiles
Tile Grout	Polymer-modified or epoxy grout, stain-resistant, colour matched
FALSE CEILING WORKS	
Metal Ceiling Panels	600×600 mm, lay-in perforated galvanized Aluminum panels, minimum 0.6 mm thick, polyester powder-coated minimum 70 microns, acoustic fleece backing, NRC ≥0.70

Handwritten signatures and the text "Page 5" are visible at the bottom right of the page.

Suspension Grid	Heavy-duty exposed black powder-coated GI T-grid, corrosion resistant, complete with hold-down clips and galvanized suspension system
LIGHTING WORKS	
LED Panel Lights	600x600 mm recessed LED panels, 40 W, 4000 K neutral white, CRI ≥80, UGR <19, flicker-free driver, efficacy ≥120 lm/W, lifetime ≥50,000 hours
DOORS & HARDWARE	
Fire Exit Door	90-minute certified fire-rated steel door assembly, insulated core, panic bar, intumescent seals, hydraulic closer, complete tested assembly
Main Entrance Door	Heavy-duty commercial aluminum system, minimum 2.0 mm wall thickness, powder-coated finish, 11.52 mm laminated frosted safety glass, SS hardware (Size: 4' x 7')
Door Hardware	Grade 304 stainless steel, heavy commercial duty
WALL FINISHES	
WPC Wall Cladding	Fire-retardant extruded WPC, moisture- and termite-resistant, concealed fixing system
Sealants	Neutral-cure silicone for glazing; polyurethane sealant for construction joints
Fasteners & Anchors	Stainless steel or hot-dip galvanized, corrosion resistant
Paint	Premium interior low-VOC acrylic emulsion, washable matt finish, one primer coat plus three finish coats
JOINERY WORKS	
Cabinet Hardware	Soft-close heavy-duty commercial hinges, telescopic channels, corrosion-resistant fittings
PLUMBING WORKS	
Plumbing Fixtures	Grade 304 stainless steel sink, chrome-plated brass mixer, pressure-rated PPRC/UPVC piping
ELECTRICAL WORKS	
Electrical Accessories	Modular commercial-grade switches and sockets, FRLS copper wiring, concealed conduits, complete earthing and testing

SECTION - III

SPECIAL CONDITIONS OF CONTRACT

1. Representative of the Company

Company shall appoint a person to perform the duties for the purpose of this Contract.

2. Completion Period

The entire work shall be completed within **Thirty (30) Days** from the issuance of the **Letter to Proceed**, which in case of work exigencies could be issued prior to the signing of the formal agreement. The Contractor shall submit a detailed work program/Gantt chart showing the sequence and duration of each activity within **three (03) days** of the issuance of the **Letter of Intent**.

3. Protection of Existing Equipment

The Contractor shall be solely responsible for the protection of all existing SCADA consoles, servers, communication equipment, cabling, HVAC systems, and other Company assets within and around the work area. Any loss or damage to such equipment arising from the Contractor's operations shall be made good by the Contractor at its own cost, to the satisfaction of the Company, without prejudice to the Company's other rights and remedies.

4. Maintenance / Defect Liability Period

The maintenance/defect liability period shall be **Twelve (12) Months** after the issuance of the **Substantial Completion Certificate** by the Company. During this period, the Contractor shall, at its own cost, promptly rectify any defect in material or workmanship notified by the Company's representative.

5. Mode of Payment

Full and final payment shall be made on completion of the entire Scope of Work and BOQ as specified in the tender documents, on the basis of the actual quantum of work carried out by the contractor.

6. Survey Equipment

The Contractor/Firm shall provide all required survey equipment at site, in good condition, for verification of dimensions and quantities and for use by the Company as required.

7. Quality of Cement

Cement shall be procured from approved local factories only, complying with BS 4027. Imported cement shall not be used under any circumstances.

8. Fine Aggregate / Coarse Aggregate (Complying with BS 882)

- (i) Approved quality sand shall be used as fine aggregate.
- (ii) Well-graded crush stone (3/4" and down) of approved quality shall be used as coarse aggregate.

[Handwritten signatures]
7 | Page

9. Water and Electricity

Water and electricity required for all purposes shall be arranged by the Firm/Contractor. Only sweet water complying with ASTM-D 596 shall be used for construction works.

10. Quality, Inspection and Testing of Material and Workmanship

All material and workmanship shall conform strictly to the Contract (drawings/BOQ/specifications/Scope of Work) and the Company's instructions; there shall be no compromise on quality. The Contractor shall, at its own cost, provide all assistance, instruments, labor, and material samples required for examining, measuring, and testing any work — including any chemical or other tests the Company may direct to verify the cement/aggregate ratio of mortar or concrete. The Company reserves the right to inspect, examine, sample and test material and workmanship at any time, and to reject any that fails to conform, whereupon the Contractor shall replace or rectify it at no additional cost. This right of inspection/rejection is not waived by reason of any prior inspection or approval.

11. Damage to Property and Persons

The Firm/Contractor shall, except if and so far as the Contract otherwise provides, indemnify and keep indemnified the Company against all losses and claims for injury or damage to any person or property whatsoever arising out of or in connection with the execution and maintenance of the works and against all claims demands, proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation hereto.

12. Poor Performance During Maintenance/Defect Liability Period

Any undue delay or non-responsiveness by the Contractor in attending to and rectifying defects notified by the Company during the maintenance/defect liability period shall be deemed "Poor Performance" and may, at the Company's discretion, result in imposition of financial deductions and/or forfeiture, in whole or in part, of the Performance Guarantee submitted by the Contractor, without prejudice to the Company's other rights and remedies under the Contract.

13. Site Visit

Bidders are advised to visit and examine the site of works and its surroundings, and to obtain, at their own responsibility, all information necessary to prepare their bid and to enter into a contract for the subject works, including familiarizing themselves with the constraints of working in a live/operational facility. All costs in this respect shall be borne by the bidder.

14. Health, Safety & Environment (HSE)

The HSE & QA Compliance shall be in accordance with SSGCL's Integrated Management System (IMS) Procedure, "Guidelines for Suppliers and Contractors" (SSGCL-IMS/GSC-08), which is enclosed with this tender and shall deploy a full-time, qualified and experienced safety focal person for compliance with the Company's HSE policy, including but not limited to use of appropriate PPEs (closed shoes, safety harness/belt, safety helmets, goggles, gloves, etc.) and safe work practices generally.

Failure to comply with HSE requirements at the site shall attract the following progressive penalties, without prejudice to the Company's right to suspend work or terminate the Contract for persistent non-compliance:

- (i) 1st Violation: Written Non-Conformance Notice.

[Handwritten signature]

[Handwritten signature]

[Handwritten signature]

[Handwritten signature]

(ii) 2nd Violation: Deduction of Rs. 25,000/-

(iii) 3rd Violation: Deduction of Rs. 50,000/-

(iv) 4th Violation: Deduction of Rs. 100,000/- and/or suspension of the Contractor's site access, at the Company's discretion.

15. Pre-Bid Meeting

A pre-bid meeting may be held at SSGC Head Office, if deemed necessary by the Company. The venue, date and time shall be notified by SSGC. Interested bidders or their authorized representatives may attend to seek clarifications regarding the tender requirements. Non-attendance shall not be a cause for disqualification.

16. Provision of Mobile Phone Facility

The Firm/Contractor shall provide a mobile phone facility to its site supervisor in order to maintain contact with the Company's representative throughout the execution of the works.

17. Lighting Work at Night

In the event work is carried out at night, the Contractor shall, at its own cost, provide and arrange adequate lighting for carrying out the work safely and satisfactorily, to the satisfaction of the Company's representative.

18. Subcontracting

The Contractor shall not subcontract the whole or any substantial part of the works without the prior written consent of the Company. The principal Contractor shall remain fully responsible and liable for the performance of the subcontracted work.

19. Sequence of Activities / Phasing

Works shall proceed in the following sequence, subject to adjustment as directed by the Company's representative to suit actual site conditions:

Phase	Requirement
Phase 1	Mobilization & Preparatory Works: Mobilize at site, submit work methodology, take site measurements, and establish all temporary safety, dust-control and access arrangements.
Phase 2	Construction of New IR Room at the roof of the building (10'-0" x 15'-0") & Material Approvals: Complete construction of the new lightweight steel (LGSF) IR Room on the roof (Third Floor of the Transmission Building), including all associated civil, architectural, electrical and fire alarm works, making the room ready for use. During this phase, the Contractor shall also submit all material samples, catalogues, technical datasheets and shop drawings for the CCR Revamp works for review and approval by the Engineer-in-Charge. Please note that delays arising from late submission of material approvals shall not constitute grounds for extension of time.
Phase 3	Demolition & Masonry Reconstruction Works: Required demolition works, complete masonry reconstruction, close up redundant openings, relocate the main entrance, install new flooring, false ceiling, plaster, paint, WPC wall cladding, pantry, new doors, and reinstall the existing wooden cabinets and all remaining architectural finishes.

Phase	Requirement
Phase 4	Electrical Lighting, Testing, and Commissioning & Handover: Complete all electrical lighting, and associated works, followed by testing, commissioning, site clearance, final inspection and handover of the completed works.

20. Material Submittals and Approval

The Contractor shall submit, for review and approval by the Engineer-in-Charge, complete material submittals for all permanent materials proposed to be incorporated into the Works prior to procurement, manufacture or installation. Material submittals shall include, as applicable, manufacturer's technical datasheets, catalogues, samples, color charts, product certifications, fire test reports, performance test reports, compliance certificates, warranty information and any other supporting documentation required by the Engineer-in-Charge.

Any material procured or installed without prior written approval shall be liable to rejection and replacement at the Contractor's sole cost, without entitlement to additional payment or extension of time.

Section - IV
Special Conditions of Tender Document
Tender Enquiry No. SSGC/SC/

Note: In case of any conflict between special conditions of Tender Document and any other terms & conditions, the Special Conditions of Tender Document will govern / prevail.

- 1- Contractor to submit the following within 15 days after issuance of Letter of Intent (LOI).
 - a. Performance Bank Guarantee
 - b. Stamp Papers
 - c. Insurance Policy
 - d. Any other Document as mentioned in the LOI
- 2- Formal contract will be made on Non-Judicial stamp paper of value @ Rs 0.35 per hundred rupees of contract value, as per prevailing rate by Government of Sindh & Balochistan. The stamp duty will be borne by the contractor and also submit the copy of challan of stamp paper. Further as per Government of Sindh Board of Revenue notification NO.CIS/SWB/BOR/R&T-17/2022-808 dated 08-06-2022 all judicial and non-judicial stamp paper of the denomination of rupee five hundred and above shall be exclusively on e-stamp.
- 3- All kinds of Government Taxes, Duties and Levies against any item of the contract, shall entirely be the responsibility of the Contractor. Income Tax will be deducted as per applicable Law under the prevailing Government Rules. Rate of Income Tax deduction in relation to submission of Income Tax certificate from the Contractor should also be stipulated.
- 4- Bank Guarantee (Bid Bond Guarantee/Performance Bank Guarantee) will be made on Non-Judicial stamp paper at the prevailing rate as specified by the respective Provinces. Further the bidder/contractor submitting the Bid Bond guarantee/Performance Bank guarantee being prepared by the State Bank's schedule banks should ensure that there should be no deletion/insertion/alteration/modification of any terms in the Bid Bond/PBG guarantee format as given in the tender document or else bid will be liable for rejection.
- 5- If the letter to proceed (LTP) by user deptt. is not issued within six months after issuance of letter of intent (LOI), both the parties are at liberty to terminate/revoke the LOI without any claim of loss or damage to the other party.
- 6- The completion period of the said work shall start with effect from the issuance of Letter to Proceed, which in case of work exigencies could be issued prior to signing of formal agreement.
- 7- In case of services and works tenders:
Bids determined to be substantially responsive will be checked by the Procuring Agency for an arithmetic error. Errors will be corrected by the Procuring Agency as follows;
 - a. Where there is a discrepancy between the amounts in figures and in words, the amount in words will govern ; and
 - b. Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rates as quoted will govern, unless in the opinion of the Procuring Agency there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted will govern and the unit rate will be corrected.
- 8- The bidder shall fill in rates and prices for all items of the works / services described in the BOQ. Item against which no rate or price is entered by a bidder will not be paid for by the Procuring Agency when executed and shall be deemed covered by rates and prices for other items in the BOQ. Any Bidder who change / amend the BOQ or Price Schedule (description, Quantity, UOM etc.) will render the bid as conditional bid and will be liable for rejection.
- 9- **Method For Submission of Bid Bond (Under Single Stage Two Envelope Bidding Procedure):**
In case of Single Stage Two Envelope Tenders the fixed bid bond as per clause#09 of General Terms & Conditions to be placed in the Technical Proposal. However, if the bid bond is placed in the financial proposal will also be considered. Without submission of bid bond (either in Technical proposal or financial proposal) the bid will be rejected.
- 10- Bid bond submission (2%) of the bid amount as mentioned in the clause 9 of General Terms & Conditions, to be treated as null & void, however other contents of clause 9 will remain unchanged. The submission of fixed amount of Bid security is appearing in the Schedule of Requirement/Bid Form.

- a) All the bidders are advised to furnish fixed bid security (Original Instrument) as per amount appearing in Schedule of Requirement/Bid Form, failing which their bid will be rejected.
- b) The submission of fixed amount of bid security is also mandatory for all the bids valuing Rs.500,000/- or less.
- c) The word lowest bidder or the lowest evaluated bid has been substituted to read as **most advantageous bid**.
- 11- Bid shall remain valid for acceptance for period of (120) days from the date of public opening of the bids & Bid Bond validity is for 150 days.
- 12- In case the local agent requires to offer bid form more than one Principal / Manufacturer, it is mandatory to purchase separate tender document for each Principal / Manufacturer, failing which the bid submitted with the original tender document will only be accepted and the bid with photocopy of tender document will be rejected.
- 13- **Blacklisting Mechanism of Suppliers and Contractors and their Local Agent:**
Black listing mechanism is attached separately in the tender documents which will become an integral part of Tender Documents and now be followed / enforced in true letter & spirit and supersede the Black listing terms as mentioned in the General Terms & Conditions.
- 14- Original counter slip of token which is issued with tender document to be attached on the TOP of envelope at the time of bid submission"
- 15- The Successful Contractor(s) / Supplier(s) / Consultant(s) shall submit a copy of Professional Tax Certificate with their Invoices / Bills failing which the payment will not be released.
- 16- **Contracts of Contractors**
In the event the contractor is not willing to extend the CONTRACT for further term(s) / Period(s) under the same terms & conditions and the quoted price as defined in the bid documents, the contractor is liable to intimate in writing to SSGC at-least 3 (Three) months in advance prior to completion of the existing contract term / period, failing which, action will be taken as per tender terms.
- 17- **Insurance**
In addition to the Clause 22 -Insurance, of General Term and Condition, when The Successful Contractor(s) / Supplier(s) will submit Insurance Policy to SSGC, the Insurance Company (policy issuer) should be registered with SECP, otherwise the insurance policy will not be considered / rejected at contractor's risk and cost. The insurance coverage period will be according to the work completion period as mentioned in the contract / tender documents.
- 18- **Fixed Bid Security - Alternative Bid**
A bidder cannot submit two bids/offers with a single fixed bid security/pay order. However, the alternative bids/offers with separate fixed bid security/pay order can be accepted, failing which the bids will be liable for rejection.
- 19- **Bid Bond & PBG (Performance Bank Guarantee) for Proprietary Tenders**
In case of proprietary Tenders, the Bid Bond & Performance Bank Guarantee (PBG) are not required / Applicable.
- 20- SSGC will not pay invoices if they are turned in after 6 months of work completion / material delivered.
- 21- It is mandatory for the bidders to follow all the terms and conditions given in the tender documents without any addition / deletion / amendment and submit the bid accordingly. Therefore, in this context, the bidders are requested not to give their own terms and conditions as it tantamount towards the conditional bid. Otherwise their terms and conditions will not be considered and the Purchase Order / Contract will be awarded based on only as per SSGC tender terms and conditions.
- 22- The bidders/contractors are required to provide their only one Bank Account number (IBAN number) on the 'FORM-X' attached duly signed & stamped as one time information, which shall be firm (not changeable) for all the future payment transactions.
- 23- **Payment:**
The supplier after delivery of goods and its acceptance shall submit invoice to Finance Department of the Company, containing following information i.e.
- Purchase order No. & date
 - Items
 - Quantity
 - Price
 - Invoice value
 - Point of delivery
 - Delivery challan indicating delivery date, etc.
 - Supplier(s) are required to submit signed and stamp acknowledgement slip, Sales Tax return,

Annex "C" & Annex "I" (whichever applicable) in which Sales Tax (of relevant Sales Tax invoice) is paid.

Payment will be made within 30 days of completion of stated requirements.

24. In case the insurance policy submitted by the contractor is expired during the execution of job, it is the responsibility of the user department to coordinate with the contractor to get it renewed/updated till the period the job is completed/commissioned.

In case the job is not completed within the given time as per tender terms and the insurance policy submitted by the contractor expires, the contractor is liable to get this insurance policy renewed / updated immediately till the period of the job is completed / commissioned as per tender terms failing which the contractor will be responsible for any loss to SSGC.

25. Bidders can quote their rates on both i.e. Schedule of Requirement/Bid Form as well as Bill of Quantity (BoQ)

26. Subsequent to the issuance of LOI, successful bidder has to submit 10% Performance Bank Guarantee of the contract value unless and until specified in the tender document.

27. Company reserve the right to award the Purchase Order /LOI to most advantageous bidder.

28. As per SRO 592(I)/2022 of PPRA Regulations, for Procurement Contracts/Purchase Orders worth of Rs. 50 million and above, bidders/contractors are required to submit the Beneficial Owner's Information for Public Procurement Contracts/Purchase Orders (Annexure-I).

29. Bidder will be blacklisted and henceforth cross debarred for participating in respective category of Public Procurement proceedings for a period of (not more than) six months, if fail to abide with a bid securing declaration (which is an integral part of tender document), however, without indulging in corrupt and fraudulent practices, if in breach of obligation(s) under the Bid conditions:

a) The bidder have withdrawn or modified their bid during the period of bid validity as specified in the tender terms.

b) Having been notified of the acceptance of bid by procuring agency during the period of bid validity (i) failure to sign the contract or accept purchase order (ii) fail or refuse to furnish the performance security or to comply with any other condition as mentioned in the tender document.

30. Wherever the "Rate Only" is mentioned (either on BOQ or anywhere in tender documents) the same shall only be applicable not exceeding 15% of the original procurement for the same items as given in the BOQ for package basis. In case the requirement is on item wise basis (not package basis) then not exceeding 15% of the original Procurement for the same items (on item wise basis) as given in the BOQ.

31. **Lots:** In case when the tender is floated on LOT basis, following clauses to be applied:

a) The bidder(s) are essentially / mandatorily required to submit fixed bid bond as mentioned in the bid form/BOQ/Invitation to Bid. Separate fixed bid bond to be submitted against each individual LOT and its validity to be 150 days at the time of opening of technical proposal.

b) Evaluation for each LOT will be carried out separately. Each LOT will be awarded separately.

32. For open competitive bidding if the most advantageous bidder is new local manufacturer, 10% trial order will be placed and remaining 90% order will be awarded to the next most advantageous bidder at their own quoted rates.

33. Redressal of Grievances And Settlement of Disputes:

- Any bidder feeling aggrieved by any act of the procuring agency after the submission of his bid may lodge a written complaint concerning his grievances within seven days of announcement of the technical evaluation report and five days after issuance of final evaluation report.
- In case, the complaint is filed against the technical evaluation report, the GRC shall suspend the procurement proceedings.
- In case, the complaint is filed after the issuance of final evaluation report, the complainant cannot raise any objection on technical evaluation of the report. Provided that the complainant may raise the objection on any part of the final evaluation report in case where single stage single envelope bidding procedure is adopted.

34. All the bidders are allowed to participate in the subject procurement without regard to nationality/origin, except bidders of some nationality/origin, prohibited in accordance with policy of the Federal Government. Following countries are ineligible to participate in the procurement process:

- India
- Israel

35. In Open Competitive Bidding Procedure where the quoted price is less than Rs. 500,000/- the Bid Bond will be retained in lieu of PBG.
36. In case the Bid Bond is not required, the bidder must submit the Form of Bid-Securing Declaration attached with the Tender Document else the Bid will be liable for rejection.
37. All Tenders floated through EPADS are to be governed by S.R.O. 296(I)/2023 dated: March 8, 2023 "E-Pak-Procurement Regulations 2023". In case of any conflict between SSGC Tender Terms / Instructions to Bidders and the PPRA EPADS Rules, the S.R.O. 296(I)/2023 will prevail.

SECTION - **General Terms & Conditions****1. Definitions and Interpretation:**

1.1 In these tender documents (as hereinafter defined) the following words and expressions shall have the meaning hereby assigned to them except where the Tender requires otherwise.

- a) **Company** means the Sui Southern Gas Company Limited; a Company registered under statutes of Pakistan and includes any successors-in-interest or assignees.
- b) **Engineer** means the Engineer(s) nominated by the Company to look after and supervise the Work.
- c) **Representative of the Company** means a duly authorized person appointed by the Company or as specified in the "Special Conditions of the Contract" to perform the assigned duties.
- d) **Bidder** means any person or persons, firm or company bidding for the Work.
- e) **Contractor** means the persons, firm or company whose Tender (as hereinafter defined) has been accepted by the Company and includes the Contractor's representatives, sub-Contractors, successors and permitted assignees (Prior to the execution of the Contract the word "Contractor" also means a Tenderer or Bidder submitting a proposal in accordance with the Tender Documents).
- f) **Agent or Representative** means person(s) appointed by the Contractor to perform duties as set forth in the Contract.
- g) **Laborers/Workmen** means such laborers/workmen and staff as may be employed by the Contractor for purpose of carrying out the Work.
- h) **Sub Contractor** means any firm or person having a direct Contract with the Contractor. Nothing contained herein however, shall be deemed or be construed to impose upon the Company, any obligation, liability or duty to a sub-contractor or to create any contractual relation between any sub-contractor and the Company.
- i) **Work** means whole of the Works / Services or part thereof to be executed in accordance with Tender/ Contract documents, whether temporary or permanent and whether original, altered substituted or additional.
- j) **Contract Documents** shall consist of duly executed Articles of Agreement, the Tender Documents and the Tender submitted by the successful Bidder including modifications thereto incorporated in the documents before and after the execution of the Contract.
- k) **Contract Price/Value** means the sum named in Schedule of (SOR) / BOQ subject to additions thereto or deductions there from as may be made under the provisions hereinafter contained.
- l) **Plant** means all machineries, equipment, materials, appliances or things of whatsoever nature required in or about the execution, completion or maintenance of the Work, but does not include such equipment, materials, appliances or things intended to form part of the permanent Work.
- m) **Temporary Works** means all temporary works of every kind required in or about the execution, completion or maintenance of the Work.
- n) **Drawings** means the drawings referred to in the Contract documents and any modification of such drawings.
- o) **Location** means the land and other places on, under in or through which the Work is to be executed or carried out and other lands or places provided by the Company for the purpose of the Contract.
- p) **Approved/Approval** means approved/approval in writing by Company's representative or as specified in "Special Conditions of Contract".
- q) **Tender/Bid** means the offer tendered by the Bidder for the Work governed by the Contract.
- r) When the terms Acceptable, Satisfactory, Proper, or other such general qualifying terms are used in the Contract, it shall be understood that reference is made to be sole ruling and the sole judgment of the Company.
- s) The Word Equivalent or Equal where used in these documents in the general sense shall not mean Similar but shall mean "Conforming to, Like, of Kind/Quality and Function". "Proprietary Items" and "Trade Names" are used for the purposes of establishing a standard of "Kind, Quality and Function" and "Equipment" items, articles, things or materials will be approved, if held to be "Equivalent" by the Company.
- t) **Approved Banker** wherever occurring in this Contract shall mean a Scheduled Commercial Bank operating in Karachi and acceptable to the Company.

- u) **Specification(s)** means the standard codes of practice and other specifications issued with the Tender and any notification such as specifications approved in writing by the Company and other specifications as may from time to time be furnished or approved in writing by the Company.
- v) **Month** means calendar month of the Christian era.
- w) **Time Schedule** is a graphical illustration of the time span of various Work activities defining starting and completion dates.
- x) **Bonds** mean Bid Bond, Performance Bond or Bank Guarantee and other instruments of security furnished by the Bidder of his surety in accordance with the Tender/Contract.
- y) **Completion Date** means the date on which the Work has been completed in accordance with the Contract so that it can be utilized for intended purpose.
- z) **Day** means a day of 24 hours mid night to mid night.
- aa) **Completion Period** means the time allowed for the execution of the Work.

1.2 Words importing the singular only also include the plural and vice-versa where the Contract so requires.

1.3 The marginal headings or notes in these Conditions of Contract shall not be deemed to be part thereof or be taken into consideration in the interpretation or construction thereof or of the Contract.

1.4 If there is any conflict between the Special Conditions and the General Conditions, the Special Conditions shall modify, supplement and supersede the General Conditions.

2. **Examination:**

Bidders shall visit/inspect/examine the Work & Location and shall fully acquaint themselves with the nature and requirements of Work/Services, access to Work/Location, availability of materials, weather, law and order and local conditions etc. before submitting their Bids. Submission of the Bid shall be prima facie evidence that the Bidders have fulfilled this requirement and shall be binding upon him.

3. **Conflict between Drawings/Specifications/SOR:**

In case of any conflict between drawings/specifications, SOW/TOR and SOR/BOQ, with regard to the quality of any item, the Contractor / Consultant shall base his quotation for the better quality. In case of any deficiency in the drawings/details, the Contractor / Consultants shall seek clarification from the Company. Submission of Bids/rates on the basis of incomplete drawings/details shall be Contractor / Consultant's sole responsibility.

4. **Additions, Deletions:**

The Company reserves the right to make addition (Upto 15 %) and delete the quantity from the Work defined in SOW/TOR/SOR/BOQ as deemed necessary before or after the execution of the Contract. All such additions and deletions shall only be authorized in writing by the Company.

5. **Schedule of Requirement:**

The quantities specified in the SOR/BOQ are estimated and are intended to serve only as a guide to the Bidders. Payments shall be made on the basis of actual Work quantum done as measured. No claims or adjustments shall be entertained/allowed on account of increase or decrease in the Scope of Work which has not been duly authorized by the Company through the issue of change orders as stipulated in the relevant provision.

6. **Rate:**

The Bidder shall quote all item rates and lump sum prices as shown in the "SOR/BOQ". Bidders shall fill in the rate / price for each item in the SOR/BOQ. In case of any discrepancy between item rate and the amount, the quoted item rate will prevail. The quantities given in the SOR/BOQ are estimated ones and are subject to variations. That is, there could be increase or decrease. Nevertheless, the item rates quoted by the Bidder shall remain fixed and no escalation whatsoever shall be permissible. The rates / prices quoted by the Bidder shall be workable. The Bidder shall be required to furnish a complete rate analysis of any item in the SOR/BOQ as considered necessary, by the Company.

7. **Escalation:**

It may be clearly understood that this tender does not contain a price variation clause and therefore, all unit prices quoted shall be firm, irrevocable fixed and valid until completion of the Contract and will not be subject to variation on any account.

8. **Validity:**

Bids shall remain valid for acceptance for a period of (120) days from the date of bid opening. If the last date falls on a holiday, the validity will be extended to the first Company working day thereafter.

9. **Bid Bond (Earnest Money):**

The Bidder is required to furnish Bid Bond strictly in accordance with the prescribed format, in the form of a Pay Order, Demand Draft or Bank Guarantee issued only by a scheduled commercial bank operating in Karachi, for an amount fixed bid bond as specified of tendered Work / Services quoted by the Bidder in favor of Sui Southern Gas Company Limited. No Bid shall be considered without a Bid Bond and no cash or cheque or a guarantee issued by an insurance company shall be accepted.

The Bid Bond shall remain valid for a period of 150 days from the date of Bid opening. Bid Bonds of the unsuccessful Bidders shall be returned as soon as practicable. The successful Bidder's Bid Bond shall be retained by Company until execution of a Contract for the Work / Services defined in these documents and the submission of a Performance Bond prior to the execution of Contract.

In the event that the successful Bidder refuses or fails to provide (PBG) and Stamp papers for contract within fifteen (15) days of the issuance of a Letter of Intent, Company shall be at liberty to forfeit the Bid Bond.

In the event of the bid bond validity falling short of the prescribed period of 150 days as the case may be either (i) due to extension in the bid submission date or (ii) where so required by the procuring agency, then in such an event it shall be mandatory on the bidder to extend the bid bond validity up to 150 days within 30 days of the opening of technical proposal / bid, and / or where so required by the procuring agency.

In case when bidder submit alternate bids a separate bid bond for each bid is required otherwise bid will be liable for rejection. In case of Single Stage Two Envelope bidding system (bid bond will be enclosed with "Financial" bid, unless and until specified separately in Tender terms).

The bid bond may be forfeited if a bidder withdraws the bid during validity period specified by the bidder or if successful bidder fails to:

- Accept purchases order/LOI,
- Furnish performance guarantee in accordance with clause 10 of General Terms & Conditions,
- Extend Services as per requirement and completion Period.

10.

Performance Bond:

The Bidder shall furnish a Performance Bond strictly (if the bid increases to Rs. 500,000/-) in accordance with the prescribed format in the form of a bank guarantee issued by a scheduled commercial bank operating in Karachi for an amount equivalent to 10% (10) percent of the Contract value. Failure to furnish the performance Bond before execution of the Contract will entitle the Company to consider the Bidder as having abandoned the Contract and the forfeit the Bid Bond. The Performance Bond shall remain valid till after three (03) month of completion of the work.

The Company's right to recover damages from the Bidder for breach of Contract shall not be limited to the value of the Performance Bond. In the event of the Bidder failing to execute a formal Contract or to submit the Performance Bond in the manner aforesaid and in the period specified, the Company shall be entitled to appropriate the earnest money submitted by the Bidder with his tender without prejudice to its right to claim any further loss or damage which may result to it by reason of the aforesaid default of the Bidder as if Contract is actually executed for the purpose of such claims.

The Bidder shall extend the validity period of the Performance Bond for such period(s) as required for the Contract performance.

The performance bond of the successful bidder will be released after successful completion of work.

11.

Retention Money:

The amount to be retained from payments shall be equal to the specified percent of certified value of Work which would be released after the maintenance period.

12.

Completion Period:

Subject to any requirements as to completion of any portion of the Work before the completion of the whole of Work, the Work shall be completed within the specified completion period. The Work shall not be considered as completed until the Company has certified in writing that it has been completed. Should extra, altered or additional Work of any kind, or any other cause of delay, which in the opinion of the Company could not have been foreseen by the Contractor / Consultant requires extension in completion time, then on the written request of the Contractor / Consultant, the completion period as provided in the Contract shall be extended by the Company. All such extensions shall be allowed in writing by the Company's representative.

13.

Signing / Execution of Contract / Agreement:

Formal signing / execution of Contract / Agreement shall be completed within fifteen (15) days of receipt of "Letter to Proceed". The Company shall prepare the Contract in accordance with the prescribed format (Contract Form, and Articles of Agreement) for the purpose and the successful Bidder shall be communicated the date and time by the Company for the execution of Contract.

The successful Bidder shall provide the stamp paper, of value at the rate of thirty five (35) paisa per every hundred Rupees or part thereof of the amount of the Contract, or at the prevailing rate as specified by the Government of Pakistan.

In case the agreement is executed for services i.e Janitorial, Canteen, Landscaping, Maintenance Contract etc.... will be for One year extendable for further Two terms of one year each unless specified in Special Term & conditions.

14. **Award / Evaluation Criteria:**

Company reserves the right to settle the final award of job to the technically compliant and lowest evaluated and commercially responsive bidder.

Evaluation may be carried out both on item or on group of items/single or multiple package basis depending upon the nature of requirement exclusively at the discretion of the company to ensure economic procurement.

15. **Commencement & Execution of Work:**

Notwithstanding any delay in the preparation / execution of the Contract the successful Bidder shall commence mobilization / preparations and under take the Work within (15) days after receipt of the Letter to Proceed.

The Contractor / Consultant shall prior to commencement of Work, obtain the written authority and instructions of the Company.

16. **Change in Orders:**

The Company may at any time, by a written notice to the Contractor / Consultant, make changes within the general Scope of Work of the Contract.

Upon notification by the Company of such change, the Contractor / Consultant shall submit to the Company an estimate of costs for the proposed change (hereinafter referred to as a change) within ten (10) calendar days of receipt of notice of the change, and shall include an estimate of the impact (if any) of the change on the completion date (s) under the Contract, as well as detailed schedule for the execution of the change, if applicable.

The Contractor / Consultant shall not perform changes in accordance with above, until the Company has authorized a Change Order in writing on the basis of the estimate provided by the Contractor / Consultant.

Changes mutually agreed upon as a change shall constitute a part of the Work under this Contract, and the provisions and conditions of the Contract shall apply to said change.

17. **Assignment:**

The Contractor / Consultant shall not assign, in whole or in part, its obligations to perform under the Contract except with the Company's prior written consent.

18. **Termination of Contract:**

The Company may decide to terminate the Contract in one of the following situations:

(i) **Termination for Default:**

The Company may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Contractor / Consultant, terminate the Contract in whole or in part.

(a) If the Contractor / Consultant fails to complete the contracted Works / Services within the time period(s) specified in the Contract or any extension thereof granted by the Company.

(b) If the Contractor / Consultant fails to perform any other obligation(s) under the Contract.

(c) If the Company during the completion period of the Contract has reason to believe that the Contractor / Consultant will not be able to fulfill the obligations under the Contract.

Prior to the exercising of any right by the Company to terminate the Contract, the Company shall issue notice to the Contractor / Consultant specifying the default(s) and the Contractor / Consultant shall submit an explanation within seven (07) days of receipt of such notice. If such explanation is not furnished within the stipulated time or if so furnished, is found to be unsatisfactory and / or the default(s) continues, the Contract may be terminated by the Company.

(ii) **Termination for Insolvency:**

The Company may at any time terminate the Contract by giving written notice to the Contractor / Consultant, without compensation to the Contractor / Consultant, if the Contractor / Consultant becomes bankrupt or otherwise insolvent. Notwithstanding the above such termination will not prejudice or affect any right of action or remedy which has accrued or will occur thereafter to the Company.

(iii) **Termination for Convenience:**

- a. The Company may by written notice sent to the Contractor / Consultant, terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the company's convenience, the extent to which performance of work under the Contract is terminated and the date upon which such termination becomes effective.
- b. The Works that are complete and ready for Commissioning within thirty (30) days after the Contractor / Consultant's receipt of notice of termination shall be at the Contract prices and on the existing Contract terms. For the remaining Works, the Company can also opt to have any portion thereof completed and commissioned at the contract prices and on the other contract terms.

19. **Liquidated Damages:**

If the Contractor / Consultant fails to complete the Work or perform the Services specified in the Contract within the stipulated period / scheduled time specified in the Contract, the Company, without prejudice to any other remedies, shall deduct from the bills or any other due payments / guarantees, as liquidated damages, a sum equivalent to 0.1 % per day of the value the Contract, until actual completion of the Work or performance of the Services. However if delay of over 100 days takes place (i.e. equal to 10%), the Company reserves the right to terminate the Contract at the risk and cost of Contractor / Consultant. The liquidated damages shall also be applicable for the Works / Services terminated under Clause 16.

The payment of liquidated damages shall not relieve the Contractor / Consultant from performing and fulfilling all its obligations under the Contract and nor shall the rights and entitlements of the Company be affected or reduced in any manner.

20. **Force Majeure:**

The parties will not be considered to be in default in the execution of their contractual obligations or any of them to the extent that the execution of such obligations or any of them is delayed or omitted by case of Force Majeure. Each party will advise the other party by written notice within 07 days of the occurrence of any such case of Force Majeure. The term Force Majeure employed herein shall mean acts of public enemy, wars (whether declared or not) invasion, hostilities, revolution, epidemics, riots (other than among the Contractor / Consultant's own employees) fires, floods, earth quake, commotion, disorder and other causes similar in kind to those herein mentioned, not under the control of either party, which makes the performance of this agreement unfeasible and which by the exercise of due diligence the party seeking excuse from performance is unable to overcome.

The Company shall not be liable to the Contractor / Consultant for any damage or loss caused by Force Majeure directly or indirectly.

21. **Safety of Employees and Works:**

The Contractor / Consultant shall be responsible to take all necessary precautions for the safety of employees on or off the Work, and shall comply with all applicable safety laws and codes to prevent accidents or injury to persons on about or adjacent to the places where the Work is being performed. All statutory rules, orders, regulation from time to time in force relating to taking and observance of all safety precaution governing or which might be deemed to be given during the execution and performance of the Work. The Contractor / Consultant shall comply with any and all personnel safety regulations. Any person of the Contractor / Consultant violating the safety rules shall be removed by the Contractor / Consultant from site and replaced without delay.

22. **Insurance:**

The Contractor / Consultant shall be responsible for obtaining a Contractor / Consultant's All Risk Policy (CAR) against risks to the Works and shall make good at his own cost, all losses or damages whether to the Works or to the lives, persons, whether under the workmen's compensation Act or Third Party Risk, or property of others from whatsoever cause arising out of or in connection with the works either during the progress of the works or during the period of maintenance provided by this Contract.

The Contractor / Consultant shall arrange insurance approved by the Company fully to cover workmen compensation and other claims arising out of sickness, injury or death of his personnel working at site and also to cover theft, loss of or damage to the Company's material in his possession and to indemnify the Company for third party claims for damage done or said to have been done to those persons or their property as a result of the Contractor / Consultant's activities on and off the site.

Insurance will be required where ever applicable:

Company's Address:

GENERAL MANAGER (PROCUREMENT)
SUI SOUTHERN GAS COMPANY LIMITED,
2ND FLOOR, HEAD OFFICE, ST-4/B, B-14,
SIR SHAH SULEMAN ROAD,
GULSHAN-E- IQBAL,
KARACHI -PAKISTAN.

Contractor / Consultant's Address:

23. Dispute Resolution:

If any dispute shall arise as to the interpretation of this Contract or any matter or thing arising there from, the same shall be settled as far as possible by way of amicable resolution. Failing such settlement, the dispute may be referred for arbitration to two Arbitrators, one to be nominated by each Party. The appointed Arbitrators shall before proceeding on the reference appoint an Umpire. The Award given by the Arbitrators or the Umpire as the case may be shall be final and binding on the Parties. The proceedings shall be governed by the Pakistan Arbitration Act, 1940 and any statutory modification thereof. The venue of arbitration shall be Karachi.

All costs of Arbitration shall be borne by the Parties themselves, unless otherwise ordered by the Arbitrator. Notwithstanding the existence of any difference or dispute, or the commencement or continuance of any arbitration proceedings, Works to be done or Services to be provided under this Contract shall not be suspended or discontinued by the Contractor / Consultant nor shall any payment be withheld by the Company except the difference of the amount in dispute, which is the subject matter of such proceedings.

24. Income Tax and Duties:

All kinds of Government Taxes and Duties (income tax, custom duties, etc.) also the provincial sales tax as per provincial law, against any item of the contract, shall be entirely the responsibility of the Contractor / Consultant. Income Tax will be deducted as applicable under the prevailing Government Rules. Rate of Income Tax deduction in relation to submission of Income Tax certificate from the Contractor / Consultant should also be stipulated.

All Foreign Service providers are required to obtain Advance Ruling from the Federal Board of Revenue (FBR) under Section 206A of the Income Tax Ordinance 2001 (Pakistan's Income Tax Law). The advance Ruling issued by FBR covers application of Income Tax Ordinance 2001 to Transaction proposed or entered in to Foreign Service Provider".

25. Payments:

Payment will be made within 30 days after completion of works.

The Contractor / Consultant shall submit to the Company during the execution of the Work on-account bills along with a statement / details of executed Work.

The rates and prices in such on-account bills and statement of Work shall be in accordance with those in the SOR/BOQ so far as such rates and prices are applicable and on the approved rates and prices for other items of Work. All payments against on-account bills shall be treated as provisional payments and will be subject to final adjustment.

The Company may withhold payment or on-account of subsequently discovered evidence, nullify the whole or part of any certificate to such extent as may be necessary to protect itself from loss on-account of:

- (a) Defective Work not remedied.
- (b) Claims filed or reasonable evidence indicating probable filing of claim.
- (c) Failure of the Contractor / Consultant to make payments properly to Sub-Contractor / Consultants.
- (d) Damage to another Contractor / Consultant.

When the grounds are removed payment shall be made for amounts withheld because of them.

Payments in respect of extra / additional Work will be made on the basis of the original Contract rates and the Contractor / Consultant will not be entitled to any extra compensation / payment including idle charges because of such delays.

The making and acceptance of the final payment after successful completion of Work shall constitute a waiver of all claims by the Company other than those arising from faulty Work appearing after final payment and of all claims by the Contractor / Consultant, except those previously made and still unsettled.

Supplier (s) are required to submit signed and stamped acknowledgement slip, Sale Tax return, Annex "C" & Annex "T" (whichever applicable) in which Sales Tax (of relevant Sales Tax invoice) is paid.

26. Blacklisting of Suppliers and Contractor / Consultants:

The company shall permanently blacklist or temporarily debar (at least for 6-months from participating in SSGC's tender proceeding) if, a supplier or Contractor / Consultant who either constantly fails to perform satisfactorily or found to be indulged in corrupt and fraudulent practices as defined below:

- 26.1 Corrupt and fraudulent practices includes the offering, giving, receiving, or soliciting of anything of value to influence the action of an official/company.
- 26.2 If the supplier/Contractor / Consultant found responsible for the detriment of the company during proceedings of procurement/contract, process or its execution.
- 26.3 Misrepresentation of facts (by providing fake documents, concealing / mis-reporting facts pertaining to the bid) in order to influence the procurement process or the execution of the purchase order/contract.
- 26.4 Collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the company of the benefits of free and open competitive.

27. GOP's Obligation:

The contract shall be governed by the Law of Pakistan. The Contractor / Consultant is obligated to comply with all regulations and ordinance in force or to be passed by the Government of Pakistan in connection with Labor legislation during the course of the work to be performed. Any additional financial charges on account of revision in minimum wages by GOP will be company's responsibility while the contract is in operation.

This contract embodies the entire understanding of the parties hereto on this subject and there are no commitment, terms, conditions or obligations, oral or written, express or implied, other than those contained herein.

28. Late Bid:

Sealed bids shall be mailed/submitted/dropped in tender box placed at Tender Room, CRD Building, and SSGC Head Office, In accordance to the time specified in invitation to bid & tender notice (whichever applicable), Bids are to be delivered on or before closing time after which all bids submitted after the time prescribed shall not be entertained and will be returned without being opened. In case bid is sent through courier, the same shall be delivered at least half an hour before scheduled opening time.

29. Rebate / Discount:

Unit rate (s) given in the Bill of Quantities shall take into account all relevant factors including discount if any. Discount given separately at the time of bid opening will not be considered.

30. Joint Ventures:

In the event that the bidder is bidding as a Joint Venture, the Company will require the joint venture agreement duly executed by the parties to the Joint Venture to be submitted with the bid. The joint venture parties shall also furnish an undertaking to be jointly and severally liable for all liabilities arising out of obligation under the Purchase Order / Contract. The Joint Venture agreement of the parties must specify share of each partner and name of the lead partner along with their registration with the FBR, SST and BST as the case may be. Failure to specify these two narrations the joint venture agreement will not be entertained.

31. Correction / Amendments in Quoted Price:

Any overwriting in BOQ / SOR is not allowed. In case of type of any amendment / correction required in unit price / total amount the same has to be strikeout and re-written with corrected figures, properly signed & stamped out, in order to avoid an ambiguous bid.

SECTION - IV

BILL OF QUANTITIES (BOQ)

Note: Bidders shall quote a Rate and Amount against each item; rates shall be deemed to include all labor, material, equipment, tools, wastage, and Contractor's overheads/profit unless stated otherwise.

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
A.	DEMOLITION / DISMANTLING WORKS				
	This item includes provision of all labor, material and tools for dismantling of the following items, complete in all respects as directed by the Company's representative. This item also includes recovering and stacking of all usable material to an approved place as instructed by the Company's user department, and disposing off all surplus material/debris outside the Company's premises to the nearest city municipal dump, complete as per drawings, specifications and as directed by the Company's representative. NOTE — Demolition Method (applicable to all items below): (i) All wall openings and demolition works shall be carried out exclusively by wet diamond wall cutting using a suitable wall cutting machine or other approved diamond cutting equipment capable of producing accurate, continuous cuts with minimal vibration. The wall shall be cut into manageable panels and carefully removed without causing unnecessary impact or vibration to the remaining structure. (ii) The use of jackhammers, chipping hammers, pneumatic breakers, rotary breakers, hammer-and-chisel demolition, impact drilling for demolition purposes, or any other impact or vibration-producing demolition equipment shall be strictly prohibited, considering the age of the building, unknown structural configuration. (iii) Prior to commencement of demolition, the Contractor shall verify all dimensions on site, identify existing electrical conduits, communication cables and other concealed services within the proposed demolition area. Any damage arising from failure to identify existing services shall be the Contractor's responsibility. (iv) Where directed by the Engineer-in-Charge, the Contractor shall provide adequate temporary propping, shoring and other structural support arrangements before and during demolition to ensure the stability of adjoining structural and non-structural elements. (v) A minimum 300 mm (12") width of existing masonry shall remain undisturbed at each side of every new opening unless otherwise approved by the Engineer-in-Charge. (vi) A minimum 450 mm (18") clearance shall be maintained below the roof/floor slab at the top of every opening unless otherwise approved by the Engineer-in-Charge. (vii) Diamond cutting shall be carried out using a continuous water-fed cutting system for dust suppression. The Contractor shall provide waterproof protective sheeting, dust barriers and suitable measures to protect all electrical installations, furniture and finishes from dust, water, slurry and debris throughout the execution of the Works. (viii) Wall sections shall be removed sequentially in manageable panels using suitable lifting and handling methods to prevent sudden collapse, excessive loading or damage to the remaining structure. (ix) No cutting adjacent to slab soffits, beams, columns, structural junctions or other load-bearing elements shall commence without the prior written approval of the Engineer-in-Charge. (x) The Contractor shall verify the location of all concealed electrical conduits, cables and services before commencing cutting operations. (xi) The Contractor shall be fully responsible for the safety of personnel, protection of the existing structure, adjacent operational facilities and Company property throughout the demolition works, and shall promptly make good, at no additional cost to the Company, any damage resulting from negligence or improper execution of the Works.				
A.1	Safe dismantling of one (01) existing brick/block masonry wall, 15 ft. length, for creating opening between Gas Control Room and adjacent IR Room for extension.	Job	1		
A.2	Dismantling of size 4'x7' in existing 40 ft. long brick masonry wall for creating a new, centered entrance door opening (see Item H.2 New Doorway in Gas Control Room)	Job	1		

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
A.3	Dismantling of existing tiled flooring, including base screed and wall skirting	Job	1		
A.4	Dismantling of existing false ceiling complete with grid, hangers, light fixtures and vents	Job	1		
A.5	Dismantling of existing main entrance wooden door of the SCADA Room complete with frame and hardware	Job	1		
A.6	Dismantling of existing IR Room entrance door complete with frame and hardware	Job	1		
A.7	Dismantling of existing window on the IR Room wall	Job	1		
A.8	Safe removal/dismantling of existing wall/floor-mounted wooden cabinets with glass top (present on both short walls) for reuse and reinstallation — see Item I.1. Cabinets to be handled with care to avoid damage; not to be scrapped or disposed of	Set	2		
B.	MASONRY WORKS / RECONSTRUCTION				
	Providing all material, labor, tools for laying and fixing 8" thick first-class block masonry in walls where required, with 1:4 cement sand mortar, complete in all respects as directed by the Company's representative. NOTE: making good/tooth-in of new masonry to existing wall at junctions.				
B.1	New block masonry wall to close up removed window opening	Cft	15		
B.2	New block/brick masonry wall to close up removed door opening (back entrance of IR Room)	Cft	20		
B.3	New block/brick masonry wall to close up removed door opening (original entrance of Gas Control Room)	Cft	21		
B.4	New RCC lintel/beam over widened door opening at center of long wall or wherever required	Cft	60		
B.5	New RCC lintel/beam over Emergency Exit door opening or wherever required	Cft	20		
B.6	Providing all labour, materials, cement, fine and coarse aggregates, reinforcement steel, binding wire, formwork/shuttering, centering, staging, plant, tools and equipment required for the complete execution of Reinforced Cement Concrete (RCC) in nominal mix 1:2:4 (1 part cement : 2 parts clean sand : 4 parts graded crushed stone aggregate 3/4" and down), including cutting, bending, placing and fixing of reinforcement, mixing, placing, vibrating, compacting, finishing, curing, de-shuttering, making good adjacent works, and all incidental works complete in all respects, at any location and level, for any unforeseen RCC works encountered during execution, as directed by the Engineer-in-Charge. Cement shall be Sulphate Resisting (SR) Cement for below-ground works and Ordinary Portland (OP) Cement for above-ground works unless otherwise directed by the Engineer-in-Charge. The quoted rate shall be deemed to include all reinforcement steel, formwork and associated incidental works required for normal RCC construction. The quantity of RCC executed shall be measured for payment, and no separate payment shall be made for reinforcement, binding wire, formwork, centering or associated accessories	Cft	400		

Handwritten signatures and initials.

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
C.	FLOORING (CCR)				
	Providing all material, labor, tools and machinery for mixing, placing, laying and compacting porcelain tile flooring of approved color and size wherever required, complete in all respects, as per specifications and as directed by the Company's representative. This item also includes laying of porcelain tiles with adhesive bonding (as per manufacturer's instruction) of approved quality, and filling of joints using matching grout, spacers, edge trims, cutting, finishing cleaning and all accessories.				
C.1	25mm thick 1:2 cement sand screed over 50mm thick 1:2:4 cement concrete sub-base, on proper level, as base for tile flooring	Sft	800		
C.2	Porcelain tile flooring, 600x600mm (24"x24") minimum 10 mm thick matt finish, water absorption not exceeding 0.5%, PEI Class IV or higher, Slip Resistance minimum R10, approved colour	Sft	800		
C.3	Skirting, 150mm high, matching same porcelain tiles used in flooring mentioned in Item C.2	Rft	210		
D.	FALSE CEILING (CCR)				
D.1	Supply, installation, testing and commissioning of 600 x 600 mm suspended modular acoustic aluminium false ceiling comprising powder-coated perforated aluminium lay-in ceiling panels, minimum 0.6 mm thick, factory-finished with durable polyester powder coating and micro-perforations backed with factory-laminated black acoustic tissue/fleece. Ceiling panels shall be supported on a heavy-duty exposed black powder-coated aluminium T-grid suspension system comprising main runners, cross tees, perimeter wall angles, galvanized steel hanger wires, adjustable suspension clips, hold-down clips and all necessary accessories, complete in all respects. The ceiling system shall be designed to accommodate recessed 600 x 600 mm LED panel luminaires, HVAC diffusers, return air grilles, smoke detectors, speakers, access panels and all other service penetrations without modification to the grid system. The complete ceiling assembly shall be level, rigid, lightweight, corrosion-resistant and capable of supporting all associated fixtures in accordance with the specification, manufacturer's recommendations and the instructions of the Engineer-in-Charge.	Sft	1200		
E.	PLASTER				
E.1	Providing all material, labor and tools for mixing, applying and curing 3/4" thick cement sand plaster with 1:4 cement sand mortar (using OPC) on all internal and external surfaces or wherever required, including vertical/horizontal chamfering, splays, jambs, recesses, moldings, 3/4"x3/4" V-type grooves, pattas, edge rebates, 6" wide expanded metal lath at junctions between structural members and masonry joints, complete in all respects as per drawings, specifications and as directed by the Company's representative.	Sft	1400		
F.	PAINT				
	Providing all material, labor and tools for surface preparation (filling, smoothing) and application of one coat primer plus three (03) coats of specified paint of approved colour and shade over				

Handwritten signatures and initials: 'sing', 'hd', 'MA', 'Dik'.

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
	plastered surfaces of walls, columns and beams, complete in all respects as per specifications and as directed by the Company's representative.				
F.1	Wall putty + primer + 3 coats Matt Enamel Paint (approved brand, e.g. Berger or Company-approved equivalent) — internal wall surfaces	Sft	2550		
F.2	Wall putty + primer + 3 coats weather-shield exterior paint (approved brand) — external-facing wall surfaces	Sft	2500		
G.	WALL CLADDING (WPC – FEATURE WALL)				
G.1	Supply, fabrication and installation of Fire-Retardant (FR) grade WPC (Wood-Polymer/Wood-Plastic Composite) decorative fluted wall cladding, comprising factory-finished extruded WPC slat panels fixed on GI/aluminum batten sub-frame with concealed fixing system, complete with trims, backing members, stainless steel fasteners, sealants and all accessories. Panels shall be moisture-resistant, termite-resistant, low-maintenance. Colour, texture, layout and a physical mock-up shall be approved by the Engineer-in-Charge prior to installation. Measurement shall be based on the net finished wall area, excluding door/window openings.	Sft	600		
H.	DOORS				
H.1	New Emergency Exit Door — Supply, fabricate, deliver and install complete fire-rated steel emergency exit door assembly (Size: 3'-0" x 7'-0"), minimum 90-minute fire resistance rating, suitable for installation in the Central Control Room (CCR), complete in all respects, including all labour, materials, equipment, accessories, fixing materials, testing, commissioning and finishing required for a fully operational installation. The door assembly shall include, but not be limited to: Minimum 90-minute fire-rated steel door assembly, complete with: factory-fabricated hollow steel door and frame; door leaf min. 14-gauge (2 mm) galvanized steel with fire-rated insulated core; heavy-duty steel frame (1-1/4"x1/4"x3/16" section, 14-gauge facing, 1-1/2"x1-1/2"x1/4" fixing lugs/anchors); fire-rated panic exit device (crash bar) on the CCR side (inside) providing immediate single-action egress, complete with fire-rated mortise lockset and external lever handle on the outside for controlled access, heavy-duty hydraulic door closer, fire-rated hinges, smoke/intumescent seals; threshold and weather strip where required; outward opening in direction of emergency egress; one coat anti-corrosion primer and three coats approved enamel paint (or factory powder-coated finish of equivalent performance); installation including cutting, fitting, grouting, alignment, sealing, making good, testing, commissioning and adjustment; fire-rated certification labels to remain visible after installation; entire assembly supplied by a manufacturer approved for fire-rated assemblies; complete as specified herein, and as directed by the Engineer-in-Charge	Nos	1		
H.2	New Main Entrance Door — Supply, fabricate, deliver and install one (01) premium commercial-grade aluminum glazed double-leaf entrance door assembly,	Nos	1		

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
	complete in all respects, suitable for installation at the main entrance of the Central Control Room (CCR), including all labour, materials, hardware, accessories, fixing materials, sealants, testing, adjustments and finishing required for a complete and fully operational installation. The door assembly shall include, but not be limited to, the following: • Overall door size: 4'-0" x 7'-0" comprising two equal leaves, each 2'-0" x 7'-0". • Heavy-duty extruded aluminum alloy sections (minimum Alloy 6063-T5/T6 or approved equivalent), designed for commercial applications, with a minimum wall thickness of 2.0 mm for primary frame and door members. • Factory-applied powder-coated finish, minimum 60-80 microns dry film thickness, in approved colour (e.g., matte black, anthracite grey or other approved finish), suitable for exterior exposure and corrosion resistance. • Full-height frosted laminated safety glass, minimum 11.52 mm thick (5 mm + 1.52 mm PVB interlayer + 5 mm) or approved equivalent safety glazing, providing privacy while permitting natural light. Glass edges shall be neatly sealed using EPDM glazing gaskets and approved structural sealant. • Heavy-duty stainless steel ball-bearing hinges, suitable for commercial-duty operation. • Heavy-duty hydraulic door closers on each leaf. • Concealed flush bolts on the inactive leaf. • Premium-grade stainless steel pull handles on both sides of the active leaf. • Heavy-duty mortise lockset with keyed cylinder and provision for future integration with an access control system (electromagnetic lock/electric strike, card reader and/or biometric access), complete with mechanical key override and internal emergency release. • EPDM weather seals, dust seals and glazing gaskets to all perimeter joints, complete with threshold where required. • All stainless steel screws, anchors, fixing brackets, sealants, packers and accessories necessary for complete installation. • Removal and disposal of the existing 4'-0" x 7'-0" wooden double-leaf entrance door, including frame, hardware and accessories, making good all surrounding masonry, plaster and finishes to match adjacent surfaces. • Installation, alignment, adjustment, testing and commissioning of the complete door assembly to ensure smooth, secure and trouble-free operation. The complete door assembly shall be designed and manufactured for heavy-duty commercial use and shall be supplied by an established manufacturer with proven experience in aluminum door systems. All aluminum sections, hardware, glazing, finishes and accessories shall be compatible and sourced as an integrated door system.				
I.	WOODEN CABINETS (REINSTALLATION)				
I.1	Transport and reinstallation of the dismantled wooden wall/floor-mounted cabinets with glass top (Item A.9) onto the long wall of	Set	2		

Handwritten signatures and initials.

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
	the CCR, one set on each side of the newly centered entrance door, aligned and levelled; minor repair and touch-up carpentry, re-fixing of hinges/handles/hardware and adjustment of internal shelving following relocation; re-finishing by French polish or approved equivalent to restore original finish; supply and installation of a new anchor/fixing system suitable for the wall construction at the relocated position (masonry as applicable), rated for the cabinet's loaded weight. This item also includes minor repair and touch-up carpentry to cabinet panels, re-fixing of hinges/handles/hardware, and adjustment of internal shelving following relocation.				
J.	PANTRY (UNDER BACK STAIRCASE)				
J.1	Providing making and fixing Base and wall-mounted moisture resistant Wooden pantry cabinets consisting of drawers, partition shelves and shutters with 3/4" thick acrylic MDF Lasani board with tuff Formica (by for mite) facing both side farming and lapping with deodar wood, including all hardware fittings complete in all respects as per drawing specification and / or directed by the Engineer in charge.	Sft	100		
J.2	Providing all material, tool & labor for laying and fixing Pantry countertop in granite or quartz/solid-surface, polished finish, with cut-outs for sink and fittings over 2" thick concrete slab 1:2:4 (1-cement, 2 graded screened bajri, 4-crushed stone) reinforced with 3/8" dia bars at 6" C/C both ways, properly fixed in existing wall and with proper vertical supports, complete in all respects as directed by Engineer in charge. This item also includes shaping & nosing the slab complete with grouting of cement making good the same complete in all respect.	Sft	50		
J.3	Supply, installation, testing and commissioning of premium grade stainless steel sink (Grade SS-304, minimum 16 SWG /Good Brand suitable for corporate offices or approved equivalent), complete with chrome-plated single lever mixer tap, angle/stop valves, flexible braided connection hoses, bottle trap, waste coupling, waste pipe, CP extension pieces, all necessary brackets, supports, sealants, fixing accessories and connection to the water supply and drainage system. The item shall include cutting, fitting, making good, testing for leakage, cleaning and commissioning, complete in all respects and as approved by the Engineer-in-Charge.	Job	1		
J.4	Supply, installation, testing and commissioning of complete hot and cold water supply system for the pantry, comprising PPRC/GI piping (as approved), fittings, valves, supports, insulation (where required), and all associated accessories, including connection to the nearest available water supply line. The work shall also include complete drainage system comprising UPVC waste piping, floor trap, sink waste, fittings, cleanouts, vent connections (where required), connection to the nearest existing waste/drain line, cutting and making good of walls/floors, testing for leakage, flushing, commissioning, and all incidental works required for a complete and operational plumbing and drainage system, all in accordance with the approved drawings and as directed by the Engineer-in-Charge.	Job	1		
J.5	Supply and installation of first-quality glazed ceramic wall tiles, 600 x 600 mm (or approved equivalent size), as approved by the	Sft	60		

Handwritten signatures and initials.

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
	Engineer-in-Charge, for wall dado above the pantry countertop to a height of 2'-0" (600 mm). The work shall include cementitious tile adhesive, matching colored epoxy/cement grout, tile spacers, edge trims, cutting and fitting around fixtures, joints, making good, cleaning, and all necessary materials, labor, tools and accessories required to complete the work in accordance with the approved drawings and manufacturer's recommendations, complete in all respects				
J.6	Supply and installation of first-quality anti-skid full-body vitrified porcelain floor tiles, 600 x 600 mm (or approved equivalent) 10 mm thick, suitable for pantry and utility areas, including surface preparation, cement sand screed where required, polymer-modified tile adhesive, matching colored grout, cutting, fitting, making good, cleaning, and all necessary materials, labor, tools, accessories and incidentals required to complete the work in accordance with the approved drawings and as directed by the Engineer-in-Charge	Sft	80		
J.7	Supply and installation of 100 mm (4") high matching vitrified porcelain tile (specified in Item J.6) skirting, including cutting, adhesive, grouting, edge finishing and all necessary accessories, complete in all respects.	Rft	30		
K.	CONSTRUCTION OF NEW IR ROOM 10'x15' (LIGHT GAUGE STEEL STRUCTURE)				
K.1	Providing all consumable/non-consumable material, plant, special tools, equipment, and skilled/unskilled labor for construction of the new IR Room using a modular, pre-fabricated light-gauge steel structure system, complete in all respects as per approved specifications, drawings, and as directed by the Engineer-in-Charge. Steel sections: Grade-350, galvanized, conforming to ASTM A-653 (or approved equivalent hot-dip galvanized standard). Room size: 10'x15' in plan, 10' wall height, with 2.5' roof slope. This item includes, but is not limited to, the following:				
1	Installation of base channel, 90mm x 40mm x 0.75mm thick C-section, on existing RCC slab under each wall, using 16mm dia x 200mm long fully threaded anchor bolts with 0.75mm thick washer, at 600mm interval	Lump sum	1		
2	Fabrication and installation of wall framing panels using 90mm x 40mm x 0.75mm thick C-channel vertical studs @ 600mm interval (also at both ends and each wall intersection) and horizontal bracing (nogs) — 1 No. at mid-height and 2 Nos. at top — fixed with galvanized/anodized self-tapping 5mm dia x 16mm long star-head (wafer) screws; each wall panel further strengthened with 2 Nos. diagonal tensioned flat strap bracing				
3	Fabrication and installation of roofing trusses across the short span (10') at 1200mm interval, minimum 600mm projection at both ends, minimum 600mm height at mid-span, fabricated using 90mm x 40mm x 0.75mm thick C-channel bottom and inclined cord including vertical studs and diagonal bracing, fixed with self-drilling hex-head screws with EPDM rubber washer and star-head (wafer) screws at all joints				
4	Fabrication and installation of roof purlins over and across roof trusses at 1000mm interval, individual purlin fabricated using 50mm x 70mm omega 0.60mm thick section, fixed with galvanized self-tapping 5mm dia x 16mm long star-head screws at each joint				

17 | Page

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
5	Fabrication and installation of trapezoidal ribbed pre-painted galvanized iron (GI) roofing sheet, 0.6mm thickness, with 150mm overlap in both directions, and 50mm thick glass wool (aluminum-foil sandwich) insulation under the steel roofing sheet, fixed with galvanized self-tapping star-head screws with rubber washer for weatherproofing				
6	Installation of 12mm thick gypsum board cladding panels up to false-ceiling height on both sides of internal walls and single side of external wall steel framing, including self-adhesive fiber strap tape and 50mm thick glass wool insulation between cladding boards, joints filled with putty paste				
7	Installation of 9mm thick cement board cladding panels on the external side of external wall steel framing up to ceiling height, including 50mm thick glass wool insulation behind, and application of epoxy-based sealant on all external joints for water/weatherproofing				
K.2	Installation of Steel Door (3'-0" x 7'-0") Supply fabricate and fix in position steel single shutter door comprising of 1-1/4"x1/4"x3/16" section fabricated frame with 16-gauge sheet on front face 1-1/2"x1-1/2"x1/4" necessary fixtures complete in all respect with lock set and all hardware. This item also includes the cost of 3 coats of enamel paint over a coat of primer of approved color & make complete in all respect and as directed by the Engineer.	Sft	21		
L	ELECTRICAL & FIRE ALARM				
L.1	WIRING / WIRING ACCESSORIES				
1	Circuit wiring from DB to switchboard with 2 x 2.5 sq.mm + ECC1 x 2.5 sqmm, 1-core PVC Copper wires including any wiring between switch board to switch board including the cost of appropriate size pvc conduit / channel patti.	Nos.	2		
2	Wiring from Switchboard to Switchboard with 2 x 2.5 sq.mm + ECC1 x 2.5 sqmm, 1-core PVC Copper wires including the cost of appropriate size pvc conduit / channel patti.	Nos.	1		
3	Wiring of light point from switch board to first light point with 1.5 sq.mm, neutral of 1.5 sq. mm. and ECC of 1.5 sq. mm wires including cost of specified / appropriate size of exposed / concealed PVC conduit.	Nos.	16		
4	Wiring of light point to point for group control light fixtures with 1.5 sq.mm, common neutral of 1.5 sq. mm. and common ECC of 1.5 sq. mm wires including cost of specified / appropriate size of exposed / concealed PVC conduit.	Nos.	10		
5	Wiring of 5A/15 A Universal Type switch socket unit from DB to first outlet with 2 x 4 sq.mm + ECC 1 x 4 sq.mm wires including cost of specified / appropriate size of exposed / concealed PVC conduit channel patti.	Nos.	3		
6	Same as item - 5, but wiring from outlet to outlet with 2x2.5 Sqmm + ECC 1x2.5 Sqmm.	Nos.	3		

18 | Page

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
7	Wiring for SA 2pin (1/2 socket) switch socket from nearest light circuit with 3 x 2.5 Sqmm wires including cost of specified / appropriate size of exposed / concealed PVC conduit / channel patti.	Nos.	2		
8	Following Distribution boards as directed by engineer, made with 16 SWG sheet steel housing, flush in wall, with approved color and having specified circuit breakers and components, CTs' required accessories as directed.				
a.	DB Size 1-1/2' x 2'	Job	1		
	Incoming: 20 Amp, DP MCCB: 1 No				
	Outgoing: 20 Amp, SP MCB :3 Nos. 10 Amp, SP MCB: 2 Nos				
	Phase Indicator:				
	Voltage Switch Selector (VSS)				
9	PVC conduit / channel patti of following size including all accessories for complete in respect.				
a.	25 mm dia (PVC Conduit)	Rft.	80		
b.	32 mm dia (PVC Conduit)	Rft.	50		
L.2	SWITCHES & SOCKETS				
1	Following 10 Amps, one-way gang type switches Clipsal make including 16 SWG sheet steel back boxes, recessed on wall or column as per design drawings.				
a.	Five switch unit.	Nos.	3		
b.	5 Amp 3 Pin Switch socket Universal Type	Nos.	6		
c.	5 Amp 2 pin round (1/2) Switch socket	Nos.	2		
L.3	LIGHTING FIXTURES (IR ROOM)				
1	Supply, installation, testing and commissioning of the following lighting fixture complete with ballast, starter p.f.i capacitor and specified lamps.				
a.	Singe fluorescent light fixture model TMS - LED Type	Nos.	6		
b.	Wall Bracket Fan 18" Dia	Nos.	6		
2	Following PVC single- core/multi-core Copper cables Armored / Unarmored (as per requirement) for mains/ sub-mains from meters / Generator / mains DB to DB in PVC conduit and if required making of cable trench size W:18" D: 24" along with protection bricks, caution tape, sand cushioning, back filling, as good as per existing finish complete in all respect and as directed.				
	Note : Contractor is advised to confirm the cable size , running lengths and termination at energy meters as per site conditions				

Page 19

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
	before commencement of work All the Cable Test Certificates shall be submitted by the Contractor before the laying of cable				
a.	2c x 6 sqmm + 1c 4sqmm Ecc PVC/CU/PVC	Rft	100		
L.4	LED Lighting Fixtures for CCR				
	Supply, installation, testing and commissioning of recessed LED panel luminaire, 600 x 600 mm, minimum 36-40 W, neutral white (4000 K), CRI ≥ 80, UGR ≤ 19, minimum luminous efficacy 120 lm/W, minimum luminous flux 4,300 lumens, rated life not less than 50,000 hours (L70), complete with flicker-free electronic driver, power factor ≥ 0.95 and THD ≤ 20%, suitable for installation within the suspended modular metal false ceiling. The rate shall include complete electrical installation comprising FRLS copper wiring from the nearest lighting circuit, heavy-duty PVC/GI conduits (as approved), conduit accessories, junction boxes, switch boxes, connectors, terminal blocks, supports, suspension accessories, fixing hardware, control switches, interconnections, terminations, testing, commissioning and all labour, materials and incidental works necessary for a complete, safe and fully operational lighting installation in accordance with the specifications and as directed by the Engineer-in-Charge.	Nos.	18		
L.4	FIRE ALARM SYSTEM				
1	Supply, installation, testing and commissioning of following items for Conventional Fire Alarm System including but not limited to the description given herein.				
a.	Complete wiring for Fire Alarm System with 3x1.5sqmm, PVC cable including PVC conduit. Contractor shall have to perform testing of wire system in presence of representative of consultant or System supplier.	Rft	110		
b.	Conventional Optical smoke detector (Compatible with existing system)	No.	1		
c.	6" dia Fire Alarm Bell / Sounder (Compatible with existing system)	No.	1		
d.	Final testing & commissioning of the entire newly fire alarm system with demonstration	Job	1		
M.	SIGNAGE				
M.1	Interior Wall Signage (CCR) Supply, fabricate, deliver and install premium architectural three-dimensional (3D) feature wall signage comprising the SSGC Corporate Logo and "Central Control Room (CCR)" lettering (final text, layout and artwork to be provided by the Company), complete in all respects. The signage shall consist of CNC/laser-cut cast acrylic panels, minimum 10-12 mm thick, forming individual 3D letters and logo elements with smooth polished edges. Colours shall conform to the approved SSGC corporate branding. The logo and lettering shall be mounted using concealed stainless-steel stand-off spacers or concealed fixing brackets to provide a neat floating appearance with uniform projection from the wall. The Contractor shall submit shop drawings, artwork, colour samples and layout for approval prior to fabrication.	Nos.	2		

Page

Item No.	Description	Unit	Qty	Rate (PKR)	Amount (PKR)
	The item shall include all labour, materials, fixing accessories, alignment, installation, cleaning and making good of adjacent finishes, complete in all respects and as directed by the Engineer-in-Charge. Overall Size: 4'-0" x 2'-6"				
M.2	Exterior Signage Supply, fabricate, deliver and install premium architectural three-dimensional (3D) identification signage comprising the SSGC Corporate Logo and "Central Control Room (CCR)" lettering (final text, layout and artwork to be provided by the Company), suitable for installation on the corridor wall for CCR entrance. The signage shall consist of CNC/laser-cut cast acrylic letters and logo, minimum 10 mm thick, mounted on a 6 mm thick clear cast acrylic backing panel using concealed stainless-steel stand-off spacers or concealed fixing system. The logo and lettering shall have precision-machined polished edges with colours matching the approved SSGC corporate branding. The item shall include layout design, shop drawings, material samples, concealed fixings, stainless-steel stand-off spacers, templates, installation, alignment, cleaning and all accessories necessary for a complete installation. Overall Size: 2'-5" x 1'-6"	Nos.	2

Dear Sirs,

In consideration of your entering/having entered into Contract No. _____ with M/s. _____ hereinafter called "The Contractor" and in consideration of value received from the Contractor, we hereby agree and undertake as follows:-

1. To make un-conditional payment of Rupees _____ and un-conditional payment in such amount as you may require from time to time as and when called upon by you to do so, not exceeding in the aggregate payment of Rupees _____, being the amount covering liquidated damages and security for the due fulfillment by the Contractor of all liabilities, obligations, commitments and total and faithful performance of the above Contract by the Contractor as specified in the above mentioned Contract upon your written demand(s) without further recourse, question or reference to the Contractor or any other person in the event of the Contractor's default in compliance with its obligations, liabilities and faithful performance arising under and in pursuance of the Work committed by it in the above mentioned agreement of which you shall be the sole judge.
2. To accept written intimation(s) from you as sufficient evidence of the existence of default or non compliance as aforesaid on the part of the Contractor and to make payment immediately upon receipt of the written intimation.
3. To keep this guarantee in full force from the date of this guarantee till the Contractor's obligations as specified in the above referred Contract and all other obligations of the Contractor as are contained in the above contract are duly fulfilled by the Contractor to the satisfaction of the Company.
4. No grant of time or other indulgence to, or composition, or arrangement with the Contractor in respect of the performance of its obligations under and in pursuance of the said agreement or any clause thereof, with or without notice to us shall in any manner discharge or otherwise howsoever effect this guarantee and our liabilities and commitment there under.
5. The guarantee shall be binding on us and our successors in interest and shall be irrevocable.
6. This guarantee shall not be affected by any change in the constitution of the guarantor bank or the constitution of _____.
6. This guarantee shall remain valid upto _____.

DECLARATION FORM

(FORMAT OF DECLARATION)

M/s. _____ [the Seller/Supplier] hereby declares its intention not to obtain or induce the procurement of any contract, right, interest, privilege or other obligation or benefit from Sui Southern Gas Company Limited or any administrative subdivision or agency thereof or any other entity owned or controlled by Sui Southern Gas Company Limited (SSGCL) through any corrupt business practice.

Without limiting the generality of the foregoing, [the Seller/Supplier] represents and warrants that it has fully declared the brokerage, commission, fees, etc., paid or payable to anyone and not given or agreed to give and shall not give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from SSGCL, except that which has been expressly declared pursuant hereto.

[The Seller/Supplier] certifies that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with SSGCL and has not taken any action or will not take any action to circumvent the above declaration, representation or warranty.

[The Seller/Supplier] accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right, interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to SSGCL under any law, contract or other instrument, be voidable at the option of SSGCL.

Notwithstanding any rights and remedies exercised by SSGCL in this regard, [the Seller/Supplier] agrees to indemnify SSGCL for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to SSGCL in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by [the Seller/Supplier] as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form of SSGCL.

SIGNATURE & STAMP

NOTE

1. The above declaration is to be furnished along with the bid on letter head, for bid(s) amounting to total bid value of Rs. 10,000,000/- (Ten million) or above.
2. Please note that submitting the declaration is a mandatory requirement.

CONTRACT FORM

Contract No. SSGC/SC/

**NOTICE UNDER RULE 3(1) OF THE SINDH SALES TAX SPECIAL
PROCEDURE (WITHHOLDING) RULES, 2011.**

Dear Sir,

Kindly note that we are a withholding agent under the Sindh Sales Tax Special Procedure (Withholding) Rules, 2011, and that we shall withhold and deduct the prescribed amounts of Sindh sales tax against your tax invoices in relation to the services provided or rendered by you to us. We hold NTN/FTN

2. We undertake to deposit the withheld/deducted amounts of Sindh sales tax in the Sindh Government's head of account "B-02384" against a SRB-prescribed PSID/Challan (SST-04 or SSTW-04) in the manner prescribed under the aforesaid Sindh Sales Tax Special Procedure (Withholding) Rules, 2011, and we shall provide you a certificate of deduction-cum-deposit in terms of rule 3(9) thereof.

Standard Advisory to all Bidders

SUB: Sindh Sales Tax Withholding On Services Payment

(Effective from 1 July 2024)

Dear Sir,

Background

Please be informed that:

1. Uptil February 2024, SSGC deducted 20% of Sindh Sales Tax amount from Invoice value payable to a Vendor for services rendered in Sindh & deposit the same with Sindh Revenue Board, while remaining 80% is deposited by the Vendor themselves.
2. From March 2024 – June 2024, SSGC deducted 80% of Sindh Sales Tax amount from Invoice value payable to a Vendor for services rendered in Sindh & deposit the same with Sindh Revenue Board, while remaining 20% is deposited by the Vendor themselves

Amendment in Law

Sindh Revenue Board (SRB) has amended Withholding Rules thereby requiring SSGC to deduct 20% of sales tax amount from Invoice Value.

Revised Procedure for Sindh Sales Tax Withholding

In order to ensure implementation of above amendment, following process is being implemented 01. July 2024:

- 1) 80% Sales Tax to continue to be withheld on "Past" Invoices only (where Vendor has already deposited 20% Sales Tax in Government treasury provides evidence thereof).
- 2) 20% Sales Tax will be deducted on Current and future invoices (while 80% will be deposited by vendor directly with SRB)

It is needless to mention that only Sindh Withholding Rules have been amended while there is no change in other Rules (Income tax withholding Balochistan Sales Tax withholding; etc.)

سوی سدرن گیس کمپنی لمیٹڈ
پروکیورمنٹ ٹیپارٹمنٹ

تمام ٹھیکیداروں کے لئے معیاری ایڈوائزری

خدمات کی ادائیگی پر سندھ سیزل ٹیکس
(۱ جولائی ۲۰۲۳ سے نافذ العمل)

یسر منظر

مطلع کیا جائے کہ:

1. فروری 2024 تک، SSGC نے سندھ میں فراہم کی جانے والی خدمات کے لیے وینڈرز کی انوائس ویلیو سے سندھ سیزل ٹیکس کی رقم کا 20% کاٹ لیا ہے اور اسے سندھ ریونیو بورڈ کے پاس جمع کرایا ہے، جبکہ وینڈرز بقیہ 80% خود جمع کراتے ہیں۔

2. مارچ 2024 سے جون 2024 تک، SSGC نے سندھ میں فراہم کی جانے والی خدمات کے لیے وینڈرز کی انوائس ویلیو سے سندھ سیزل ٹیکس کی رقم کا 80% کاٹ لیا ہے اور اسے سندھ ریونیو بورڈ کے پاس جمع کرایا ہے، جبکہ بقیہ 20% وینڈرز خود جمع کراتے ہیں۔

قانون میں ترمیم

سندھ ریونیو بورڈ (SRB) نے ود ہولڈنگ رولز میں ترمیم کی ہے جس کے تحت SSGC کو انوائس ویلیو سے سیزل ٹیکس کی رقم کا 20% کٹوتی کرنا ہوگی۔

سندھ سیزل ٹیکس ود ہولڈنگ کا نظر ثانی شدہ طریقہ کار

مندرجہ بالا ترمیم کے نفاذ کو یقینی بنانے کے لیے، 01 جولائی 2024 سے درج ذیل عمل کو نافذ کیا جا رہا ہے:

(1) 80% سیزل ٹیکس صرف 'ماضی' انوائسز پر کٹوتی جاری رہے گی (جہاں وینڈر نے پہلے ہی سرکاری خزانے میں 20% سیزل ٹیکس جمع کرایا ہے اس کا ثبوت فراہم کرنا ہے)۔

(2) 20% سیزل ٹیکس موجودہ اور مستقبل کے انوائسز پر کاٹا جائے گا (جبکہ 80% وینڈر براہ راست SRB کے ساتھ جمع کرائے گا)

یہ واضح رہے کہ صرف سندھ ود ہولڈنگ رولز وائٹ میں ترمیم کی گئی ہے دیگر رولز (انکم ٹیکس ود ہولڈنگ بلوچستان سیزل ٹیکس ود ہولڈنگ وغیرہ) میں کوئی تبدیلی نہیں کی گئی ہے۔
