

Special Conditions of the Contract - Additional Clause

- Term of the Contract: Three Years
- Unit rates of the licenses shall remain fixed throughout the Term of the Contract. Any year-on-year increase shall be permitted solely to the extent of an actual price revision by the OEM/Microsoft applicable to the relevant licenses, supported by documentary evidence issued by the OEM/Microsoft. No additional markup, margin, or other increase shall be applied by the Service Provider. Any such price revision shall be subject to the prior written approval of ISGS.
- The quantity of licenses may be increased or decreased during the term of the Contract, as required by ISGS. Any such increase or decrease shall be subject to the applicable unit rates and the terms and conditions of the Contract.
