Instructions to Bidders

A. Introduction

1. **Scope of Bids**

1.1. The Procuring Agency (PA), as indicated in the **Bids Data Sheet (BDS)** invites Bids through **EPADS v2.0** for the provision of Non-Consultancy Services as specified in the BDS and **in Section Evaluation Criteria, Specifications & Schedule of Requirements**. The name, identification, and number of items/deliverables are provided in the **BDS**. **Single Stage-One Envelope** procedure of the open competitive method shall be used. The successful Bidders will be expected to provide the services within the specified period and timeline(s) as stated in the **BDS**.

2. **Source of Funds**

2.1. Source of funds is referred in Clause-1 of Procurement Notice.

3. **Fraud & Corruption**

3.1. As defined under Rule 2(1)(x) of Public Procurement Rules, 2026.

4. **Eligible Bidders**

4.1. The Eligibility of the Bidders shall be determined in accordance with the Rule 21 of the Public Procurement Rules, 2026.

5. **Qualification of the Bidder**

5.1. All Bidders shall provide Bid Forms, a preliminary description of the proposed work method and schedule, including drawings and charts, as necessary.

B. Bidding Documents

6. **Contents of Standard Bidding Document**

6.1. The Services required, bidding procedure, and terms and conditions of the contract are prescribed in the bidding document. In addition to the Invitation for Bids, the bidding document which should be read in conjunction with any addendum issued in accordance with **ITB 8.1** include:

Section I -Invitation to Bid
Section II Instructions to Bidders (ITB)
Section III Bid Data Sheet (BDS)
Section IV Evaluation Criteria, Specifications, Schedule of Requirements, and Technical Specifications.
Section V Fraud & Corruption
Section VI General Conditions of Contract (GCC)
Section VII Special Conditions of Contract (SCC)
Section VIII Contract Forms

6.2. The Bidder is expected to examine all instructions, requirements, forms, terms and specifications in the bidding documents. Failure to furnish all the information required in the bidding document will be at the Service provider's risk and may result in the rejection of his bids.

7. **Clarifications**

7.1. All clarification shall be in accordance with the Rule 38 of the public Procurement Rules, 2026.

8. **Amendment of Bidding documents**

8.1. Before the deadline for submission of bids, the procuring agency for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder or pre-bid meeting may modify the bidding documents by issuing addendum.

8.2. Any addendum issued including the notice of any extension of the deadline shall be part of the bidding document pursuant to **ITB 8 .1** shall be uploaded on EPADS v2.0 as well as Authority's website. The procuring agency shall promptly publish the addendum at the procuring agency's website indicated in the **BDS**:

Provided that the bidder who had either already submitted his bid, shall have the right to withdraw his already submitted bid and submit the revised bid, prior to the original or extended bid submission deadline.

8.3. To give prospective bidders reasonable time in which to take an addendum/corrigendum into account in preparing their bids, the Procuring Agency may, at its discretion, extend the deadline for the submission of bids after record reason in writing:

Provided that the Procuring Agency shall extend the deadline for submission of bids, if such an addendum is issued within last three (03) days of the bid submission deadline.

C. Preparation of Bids

9. Documents Constituting the Bids

9.1. The bids prepared by the bidders shall constitute the following components: -

9.1.1. Forms of bid and Bid Prices completed in accordance with ITB 10 and 11;

9.1.2. Documentary evidence established in accordance with ITB 10 that services to be provided by the bidder are eligible services, and conform to the bidding documents;

9.1.3. Documentary evidence established in accordance with ITB 11 that the bidder is eligible and/or qualified for the subject bidding process;

9.1.4. Documentary evidence established in accordance with ITB 11.3 that the bidder has been authorized to provide the services;

9.1.5. Bid security or Bids Securing Declaration furnished in accordance with ITB 17; and

9.1.6. Any other document required in the BDS.

10. **Documents Establishing Eligibility of the Services and Conformity to bidding documents**

10.1. To establish the conformity of the Non-Consulting Services to the Bidding document, the bidder shall furnish as part of its bid the documentary evidence that services provided conform to the requirements.

10.2. Standards for the provision of the Non-Consulting Services are intended to be descriptive only and not restrictive.

11. **Documents Establishing Eligibility and Qualification of the Bidder**

11.1. The bidder shall furnish, as part of its bid, all those documents establishing the bidder's eligibility to participate in the bidding process and/or its qualification to perform the contract if its bid is accepted.

11.2. The documentary evidence of the bidder's eligibility to bids shall establish to the satisfaction of the procuring agency that the bidder, at the time of submission of its bid, is from an eligible country.

11.3. The documentary evidence of the bidder's qualifications to perform the contract if its bid is accepted shall establish to the satisfaction of procuring agency that:

11.3.1. the bidder has the financial, technical, provisions of services and supply/production capability necessary to perform the Contract, meets the qualification criteria specified in BDS.

11.3.2. that the bidder meets the qualification criteria listed in the Bids Data Sheet.

12. **Form of Bid**

12.1. **The bidder shall fill the Form of Bid furnished in the bidding documents. The Bid Forms must be completed without any alterations to its format and no substitute shall be accepted.**

13. **Bids Prices**

13.1. The Bids Prices quoted by the bidder in the Forms of Bid and in the price schedule shall conform to the requirements specified or exclusively mentioned hereafter in the bidding document.

13.2. All items in the Schedule of Requirements must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced and neither explicitly mentioned, their prices shall be construed to be included in the prices of other items.

13.3. The Bid price to be quoted in the Forms of Bid in accordance with ITB 12 shall be the total price of the bid, excluding any discounts offered.

13.4. The bidder shall indicate on the appropriate Price Schedule, the unit prices (where applicable) and total bid price of the services, it proposes to provide under the contract.

13.5. Prices quoted by the bidder shall be fixed during the currency of the contract and not subject to variation on any account. A bid submitted with an adjustable price will be treated as non-responsive and shall be rejected pursuant to ITB 28, unless otherwise price adjustment is permissible under Conditions of the Contract.

14. **Price Adjustment**

14.1. Price adjustment shall not be applicable on the contract with less then 12 months period.

14.2. Procuring agency may increase the remuneration of the human resources involved in non-consultancy services upto maximum 15% on annual basis.

14.3. **Procuring agency shall incorporate the provisions to allow wage rate in compliance with Federal Government’s minimum wage notification, subject to the condition that clause 14.2 shall not be applicable in that case.**

15. **Bids Currencies**

15.1. Prices shall be quoted in Pakistani Rupees unless otherwise specified in the BDS.

16. **Bid Validity Period**

16.1. Bid(s) shall remain valid for the period specified in the BDS after the bid submission deadline prescribed by the Procuring Agency. A Bid valid for a shorter period shall be rejected by the Procuring Agency as non-responsive.

17. **Bid Security or Bid Securing Declaration**

17.1. Unless otherwise specified in the BDS, the bidder shall furnish as part of its bid, in the amount and currency specified in the BDS or Bid Securing Declaration on the format provided in Form 9 The scanned copy of the Bids Security shall be uploaded in the EPADS v2.0 while submitting bid, whereas the original forms of Bid Security shall be submitted to the procuring agency before the bid submission deadline. The bidder who failed to submit the original bid security before the submission deadline shall be disqualified straightaway.

17.2. The Bid Security or Bid Securing Declaration is required to protect the Procuring Agency against the risk of Bidder’s conduct which would warrant the security’s forfeiture, pursuant to ITB 17.5

17.3. The Bid Security shall be payable promptly upon written demand by the Procuring Agency in case any of the conditions listed in 17.5 are invoked.

17.4. Unsuccessful Bidders’ Bid Security will be discharged or returned as promptly as possible after the award of contract, however in no case later than thirty (30) days after the expiration of the period of Bid Validity prescribed by the Procuring Agency pursuant to ITB 16. The Procuring Agency shall make no claim to the amount of the Bid Security, and shall promptly return the Bid Security document, whichever of the following that occurs earliest:

17.4.1. the expiry of the Bid Security;

17.4.2. the entry into force of a procurement contract and the provision of a Performance Guarantee, for the performance of the contract if such a guarantee, is required by the bidding document;

17.4.3. the rejection by the Procuring Agency of all Bids;

17.4.4. the withdrawal of the Bid prior to the deadline for the submission of bids, unless the bidding document stipulate that no such withdrawal is permitted.

17.5. The Bid Security may be forfeited or the Bid Securing Declaration executed:

17.5.1. if a bidder:

17.5.1.1. withdraws its bid during the period of bid validity as specified by the Procuring Agency, and referred by the bidder in the Forms of Bid, except as provided for in the ITBs; or

17.5.1.2. does not accept the correction of errors pursuant to ITB 30; or

17.5.2. in the case of a successful bidder fails:

17.5.2.1. **to sign the contract in accordance with ITB 48; or**

17.5.2.2. **to furnish Performance Guarantee in accordance with ITB 49.**

17.6. **The bid security shall be valid for a period specified in BDS. Bids with shorter bid security validity period shall be rejected straight away.**

18. **Alternative Bids by Bidders**

18.1. Alternatives will not be considered, unless specifically allowed for in the BDS.

18.2. When alternative times for completion are explicitly invited, a statement to that effect will be included in the BDS and the method of evaluating different time schedules will be described in Section V, Evaluation and Qualification Criteria.

19. **Withdrawal, Substitution, and Modification of Bids**

19.1. Before Bids submission deadline, any bidder may withdraw, substitute, or modify his bid after it has been submitted.

20. **Format and Signing of Bids**

20.1. The bidder shall prepare and submit his bid with due diligence after carefully reading all the terms and conditions before submission through EPADS v2.0.

D. Submission of Bids

21. **Submission of Bids through EPADS v2.0 before deadline**

21.1. The Technical and Financial Bids as the case may be, shall be submitted in the due portion of the EPADS v2.0, before bid submission deadline. The bid submission option shall be automatically disabled once the deadline is over.

21.2. The Procuring Agency may, under exceptional circumstances and at its discretion, extend the deadline for the submission of bids by amending the Bidding Documents in accordance with ITB 8. In such a case, all rights and obligations of the Procuring Agency and the Bidders that were previously subject to the original deadline shall thereafter be subject to the revised deadline.

E. Opening and Evaluation of Bids

22. **Establishment of Procurement Cell**

22.1. PA to establish a Procurement Cell which shall carryout procurements as per Rule 10 of Public Procurement Rules, 2026.

23. **Opening & Evaluation of Bids by the Bid Evaluation Committee**

23.1. As per Rule 11 of Public Procurement Rules, 2026
(PA to constitute odd number Bid Evaluation Committee for the purpose of bid opening and evaluation of all procurements with an estimated value up to two billion rupees)

24. **Third Party Validation**

24.1. **In compliance with Rule 12** of Public Procurement Rules, 2026, the third-party validation committee or firm shall validate all procurements above five hundred million and up to two 2 billion rupees. The third-party validation shall be conducted at specifications, bidding documents preparation, technical (if any) & final evaluation stages.

25. **External Bid Evaluation Committee**

25.1. **As per Rule 13 of Public Procurement Rules, 2026,** procurements with an estimated value above two billion rupees shall be opened and evaluated by the Procuring Agency's notified External Bid Evaluation Committee.

26. **Opening of Bids**

26.1. The Procuring Agency will open all bids through EPADS at the place, on the date and at the time, specified in the **BDS**.

26.2. The bids shall be opened one at a time, and the following and recorded: (a) the name of the bidder; (b) the presence of a bid security, if required; and (c) any other details as the procuring agency may consider appropriate.

26.3. No bid will be rejected at the time of bid opening except for bids whose bid security has not been provided to the procuring agency before submission deadline**.**

27. **Confidentiality**

27.1. Information relating to the examination, clarification, evaluation and comparison of bids and recommendation of contract award shall not be disclosed to bidders or any other person(s) not officially concerned with such process, until the time of the announcement of the respective evaluation report.

27.2. Any effort by a bidder to influence the procuring agency processing of bids or award decision may result in the rejection of his bid.

28. **Preliminary Examination of Bids**

28.1. Prior to the detailed evaluation of bids, the procuring agency will determine whether each bid:

28.1.1. meets the eligibility criteria defined in **ITB 4**;

28.1.2. has been prepared as per the format and contents defined by the procuring agency in the bidding document;

28.1.3. is accompanied by the required securities; and

28.1.4. is substantially responsive to the requirements of the bidding document.

28.2. The procuring agency will confirm that the documents and information specified under **ITB 9,10 and 11** have been provided in the bids. If any of these documents or information is missing, or is not provided in accordance with the Instructions to Bidders, the bid shall be rejected.

28.3. If a bid is not substantially responsive, it will be rejected by the procuring agency and may not subsequently be evaluated for complete technical responsiveness.

29. **Examination of Terms and Conditions, Technical Evaluation**

29.1. The procuring agency shall evaluate the technical aspects of the bids submitted in accordance with **ITB 21,** to confirm that all requirements specified in **Evaluation Criteria, Technical Specifications and**

Schedule of Requirements,prescribed inthe bidding document have been met without material deviation or reservation.

29.2. If after the examination of the terms and conditions and the technical evaluation, the procuring agency determines that the bid is not substantially responsive in accordance with **ITB 28,** it shall reject the bids.

30. **Correction of Errors**

30.1. Bids determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows: -

30.1.1. if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless in the opinion of the procuring agency there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected;

30.1.2. if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and

30.1.3. where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.

30.1.4. Where there is discrepancy between grand total of price schedule and amount mentioned on the Forms of bid, the amount referred in Price Schedule shall be treated as correct subject to elimination of other errors.

30.2. The amount stated in the bid will be adjusted by the procuring agency in accordance with the above procedure for the correction of errors and, with the concurrence of the bidder that shall be considered as binding upon the bidder. If the Bidder does not accept the corrected amount, his bid will then be rejected, and the Bid Security may be forfeited or the Bid Securing Declaration may be executed in accordance with **ITB 17.**

31. **Conversion to Single Currency**

31.1. As per Rule 42(2) of Public Procurement Rules, 2026.

32. **Evaluation of Bids**

32.1. The procuring agency shall evaluate bids in accordance with Rule 42 of Public Procurement Rules, 2026 and compare only those bids determined to be substantially responsive, pursuant to **ITB 28.**

32.2. In evaluating the Technical Bids of each Bidder, the Procuring Agency shall apply the evaluation criteria and methodologies specified in the **Bid Data Sheet (BDS)** and in accordance with the Statement of Requirements and Technical Specifications. No other evaluation criteria or methodologies shall be permitted.

32.3. **In case of tie of bids, the bidders shall be provided an opportunity to offer their best and final monetary offer through EPADS. However, in no case the rates shall be higher than the original financial bids.**

32.4. The Procuring agency/Employer's evaluation of a bid will take into account:

32.4.1. the bid price, excluding provisional sums and the provision, if any, for contingencies in the summary bill of quantities, but including day work items, where priced competitively;

32.4.2. price adjustment for correction of arithmetic errors in accordance with **ITB 30;**

32.5. converting the amount resulting from applying (a) and (b) above, if relevant, to a single currency in accordance with **ITB 31**;

32.6. The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in bid evaluation.

32.7. If these bidding documents allow bidders to quote separate prices for different lots, and the award to a successful bidder of multiple lots, the methodology of evaluation to determine the lowest evaluated lot

combinations in the Form of Bid, is specified in the **BDS.**

33. **Determination of Most Advantageous Bids**

33.1. Selection technique will be adopted for determining the Successful Bid in accordance with the criteria referred in the **BDS** or prescribed in the separate section titled as Evaluation Criteria.

34. **Abnormally Low Financial Bids**

34.1. Subject to sub-clause (2), a procuring agency may, in the procurement of goods, works and services, reject a bid if it has determined that the price, in combination with other constituent elements of the bid, is abnormally low in relation to the subject matter of the procurement such that it raises material concerns on the part of the procuring agency as to the ability of the bidder to perform the procurement contract satisfactorily for the offered price.

34.2. A procuring agency shall not reject a bid as abnormally low under sub-rule (1) unless the procuring agency—

34.2.1. requested through EPADS from the bidder a written clarification of bid, including a detailed price analysis of its bid price in relation to the subject matter of the procurement contract, scope, methodology, schedule, allocation of risks and responsibilities and any other requirements of the bidding documents; and

34.2.2. having taken into account the information provided by the bidder in response to a request under clause (a) and the information included in the bid, the procuring agency determines that the bidder has failed to demonstrate its ability to perform the procurement contract satisfactorily against the offered price.

34.3. The procuring agency shall promptly communicate to the bidder concerned its decision to reject the bid, including the reasons for the decision. The procuring agency may reinitiate the bidding process after communication of such decision.

34.4. Every abnormally low bid shall be investigated in order to determine the reason for submitting the bid including whether the bid was submitted in order to remove other bidders from competition.

34.5. In case it is established after investigation that the bidder submitted an abnormally low bid to remove other bidders from competition or to frustrate the bidding process, the procuring agency may blacklist the bidder in accordance with Rule 25(1)(d).

35. **Rejection of Bids**

35.1. As per Rule 45 of Public Procurement Rules, 2026

36. **Cancellation of procurement**

36.1. As per Rule 46 of Public Procurement Rules, 2026

37. **Single Responsive Bid**

37.1. The procuring agency may consider single responsive subject to underlying conditions of Rule 50 of Public Procurement Rules, 2026.

38. **Alternate Dispute Resolution (ADR)**

38.1. As per Rule 66 of Public Procurement Rules, 2026

39. **Arbitration Clause**

39.1. Appointing Authority for the Arbitrator shall be Managing Director (PPRA) OR Secretary (Ministry of Law & Justice),

40. **Fee of the Arbitrator**

40.1. The fee shall be specified in PKR as detrmined by the Appointing Authority and shall be shared equally by each party.

41. **Socio-economic development**

41.1. As per Rule 63 of Public Procurement Rules, 2026, PA to encourage the inclusiveness of small and medium enterprises, and marginalized groups by

according preferences in line with the notified policies of the Federal Government

42. **Environmental objectives**

42.1. As per Rule 64 of Public Procurement Rules, 2026, The procuring agency may seek to procure services with a reduced environmental impact throughout their life cycle when compared to services with the same primary function that may otherwise be procured.

F. Award of Contract

43. **Appointment of Contract Manager**

43.1. The procuring agency shall designate a Contract Manager for each procurement or class of procurement who shall manage the contract as per Rule 58 & 59 of Public Procurement Rules, 2026.

44. **Criteria of Award**

44.1. The procuring agency will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding document and that has been declared as Successful Bid .

45. **Procuring Agency’s Right to reject All Bids**

45.1. The procuring agency reserves the right to reject all the Bids and to annul the procurement process at any time prior to acceptance of the bid(s), without thereby incurring any liability to the affected bidder(s).

45.2. Notice of the rejection of all bids shall be given promptly to all bidders that have submitted the bids. The procuring agency shall upon request communicate to any bidder the grounds for the rejection of his bid, but is not required to justify those grounds.

46. **Procuring Agency’s Right to Vary Quantities at the Time of Award**

46.1. The procuring agency reserves the right, at the time of contract award, to increase or decrease not more than 15% of the original scope of related services originally specified in the Schedule of Requirements, provided that such variation does not exceed the percentage indicated in the **Bid Data Sheet (BDS)**. This adjustment shall be made without any change in the unit price or other terms and conditions of the Bids and Bidding Documents.

47. **Notification of Award**

47.1. Prior to the award of contract, the procuring agency shall issue a Final Evaluation Report giving justification for acceptance or rejection of the bids.

47.2. Bidder whose bid has been accepted, will be notified for the award by the Procuring Agency prior to expiration of the Bid Validity period through EPADS. The Letter of Award will state the sum that the procuring agency will pay the successful bidder in consideration for the execution of the scope of works as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price).

47.3. The notification of award will constitute the formation of the Contract, subject to the condition that bidder furnish the Performance Guarantee in accordance with **ITB 49** and signing of the contract in accordance with **ITB 48.**

48. **Signing of Contract**

48.1. Promptly after notification of award, Procuring Agency shall send the successful bidder the draft agreement, incorporating all terms and conditions as agreed by the parties to the contract. The successful bidder and the procuring agency shall sign the contract.

49. **Performance Guarantee**

49.1. After the receipt of the Letter of Award, the successful bidder, within the specified time, shall deliver to the Procuring Agency a Performance Guarantee in the amount and in the form stipulated in the **BDS and SCC**,

denominated in the type and proportions of currencies in the Letter of Acceptance and in accordance with the Conditions of Contract.

49.2. Failure of the successful bidder to comply with the requirement of **ITB 49.1** shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the procuring agency may make the award to the next ranked bidder or call for new bids.

50. **Advance Payment**

50.1. The Procuring Agency will provide an Advance Payment as stipulated in the Conditions of Contract, subject to a maximum amount, as stated in the **BDS**. The Advance Payment request shall be accompanied by an Advance Payment Guarantee in the form provided in Contract Forms.

51. **Arbitration**

51.1. The Arbitrator shall be appointed by mutual consent of the both parties as per the provisions specified in the **SCC**.

52. **Corrupt & Fraudulent Practices**

52.1. Procuring Agencies (including beneficiaries of Government funded projects and procurement) as well as Bidders/Contractors under Government financed contracts, observe the highest standard of ethics during the procurement and execution of such contracts, and will avoid to engage in any corrupt and fraudulent practices.

G. Grievance Redressal & Complaint Review Mechanism

53. **Constitution of Grievance Redressal**

53.1. The Principal Accounting Officer or head of procuring agency or any authorized officer shall constitute a committee comprising of odd number of members completely outside the procuring agency from any other procuring agency or from the pool of experts maintained by the Authority and

accessible through EPADS with necessary powers and authorizations, to address the complaints of bidders or parties that may occur prior to the entry into force of the procurement contract.

53.2. Any party may file a written complaint, two days prior to the proposal submission deadline, against the eligibility parameters, evaluation criteria or any other terms and conditions described in the bidding documents, if found contrary to the provisions of the procurement regulatory framework, and the same shall be addressed by the GRC.

53.3. Any bidder or party feeling aggrieved by any act of the procuring agency after the submission of bid, may lodge a written complaint concerning his grievances within seven days of announcement of the technical evaluation report and five days after issuance of final evaluation report.

53.4. In case, the complaint is filed against the technical or final evaluation report, the GRC may suspend the procurement proceedings till the decision.

53.5. In case, the complaint is filed after the issuance of the final evaluation report, the complainant may not raise any objection on technical evaluation of the report:Provided that the complainant may raise the objection on any part of the final evaluation report in case where single stage-single envelope bidding procedure is adopted.

53.6. The GRC shall investigate and decide upon the complaint within ten days of its receipt.

53.7. Any bidder or party not satisfied with the decision of the GRC or if GRC fails to decide within ten days under sub-rule 6, may file an appeal before the Appellate Committee of the Authority, comprising odd number of members including an external member within ten days of communication of decision subject to depositing the prescribed fee and in accordance with the procedure determined by the Authority. The Appellate Committee of the Authority shall decide the appeal within 45 days from the receipt of the appeal. The Appellate Committee may suspend the process of award of contract to such period as deemed appropriate during the pendency of appeal. The decision of the Appellate Committee of the Authority shall be considered as final.

H. Blacklisting/ Debarment

55. **Procedure for Blacklisting/Debarment**

55.1. The procuring agency may initiate blacklisting proceedings against contractor/supplier in accordance with Rule-25 of the Public Procurement Rules, 2026 , Mechanism for Blacklisting, Debarment Regulations, 2024 and “procedure for filling and disposal of review petition under rule-25(6) of Public Procurement Rules, 2026.

PUBLIC PROCUREMENT REGULATORY AUTHORITY (PPRA) EPADS

Bid Data Sheet

Bids Data Sheet (BDS)

The following specific data for the procurement of Goods to be procured shall complement, supplement, or amend the provisions in the Instructions to Bidders (ITB). Whenever there is a conflict, the provisions herein shall prevail over those in ITB.

BDS Clause Number
ITB Number
Amendments of, and Supplements to, Clauses in the Instruction to Bidders

A. Introduction

BDS Clause Number 1
ITB Number 1.1

Name of Procuring Agency: **Pakistan Atomic Energy Commission Foundation (Pakistan Atomic Energy Commission Foundation (PAECF))**

The subject of procurement is: **Fabrication / Conversion of Single Cabin Toyota Hilux in to Mobile Dispensary**

Expected commencement date: **Thursday, December 31, 2026**

BDS Clause Number 2
ITB Number 2.1

Financial year for the operations of the Procuring Agency: **2026-27**

Name and identification number of the Contract: **P206322**

BDS Clause Number 3
ITB Number 4

JV/Consortium or Association Allowed: **No**
Number of JV/Consortium Members: **Nil**

B. Bidding Documents

BDS Clause Number 4
ITB Number 7.1

The Bidders may seek clarifications through **EPADS v2.0**: Clarification Date: Friday, December 11, 2026

BDS Clause Number 5
ITB Number 8.1

Any addendum, in case issued, shall be published on **Pakistan Atomic Energy Commission Foundation (Pakistan Atomic Energy Commission Foundation (PAECF))** website and on **EPADS v2.0**.

BDS Clause Number 6
ITB Number9.1

List of documents required along with the bid:

1. 1. Valid registration/incorporation/firm registration documents. 2. Valid NTN and applicable sales tax registration. 3. Active taxpayer status / applicable tax compliance evidence. 4. Authorized signatory/power of attorney, where applicable. 5. PEC Registration Certificate in relevant category (ME-06 / C-6), where applicable.

2. 6 Sole Manufacturer / Authorization Certificate for fabrication and conversion of ambulances, or authorized-dealer certificate where bidder is not the manufacturer. 7. Valid ISO 9001, ISO 14001 and ISO 45001 certification. 8. Valid CE-Mark Certificate (EN 1789) for ambulance fabrication.

3. 9 Test report from the Ministry of Science & Technology (or an equivalent accredited laboratory), in the name of the firm, for the Fibreglass sheet/items used in fabrication, with compressive strength greater than 30,000 psi. 10 At least the required number of satisfactory completion certificates/purchase orders from government/public-sector organizations, as prescribed in the Tender Notice.

4. 11. Technical literature/photographs/drawings/specifications of the proposed conversion. 12. Undertaking that the firm is not blacklisted/debarred by any government/semi-government organization. 13. Bid security as prescribed in the Tender Notice. 14. Any other document specifically required in the Tender Notice / Bid Data Sheet.

5. The Procuring Agency may verify submitted documents and references. False, forged, or materially misleading information may result in rejection and action under applicable rules.

BDS Clause Number 7
ITB Number 11.1

The qualification criteria to establish the supply / production capability of the bidder.

see Eligibility Criteria

BDS Clause Number 8
ITB Number 7.1

Services and Their related documents:
See section Required Services and Scope of Work

BDS Clause Number 9
ITB Number 13.1 & 13.2

Price schedule will be provided according to the format defined and acquired.
see section price schedule.

BDS Clause Number 10
ITB Number 7.1

Specifications:

see section of specifications.

C. Preparation of Bids

BDS Clause Number 11
ITB Number 13.5

The price shall be **Fixed**.

BDS Clause Number 12
ITB Number 15.1

Currency of the Bids shall be : **PKR**

BDS Clause Number 13
ITB Number 16.1

The Bids/Bid Validity period shall be: **60 Days**

BDS Clause Number 14
ITB Number 17.1

The amount of Bid Security shall be as defined in Bid Security Section for items and lots given
Instrument of Bid Security Shall be in the Name of : **Pakistan Atomic Energy Commission Foundation**
The Bid Security shall be in the form of: **Pay Order, Banker's Cheque, Call at Deposit, Demand Draft**

BDS Clause Number 15
ITB Number 17.3

The Bids security shall be valid for twenty-eight (28) days beyond the expiry of the Bids validity period specified in the bidding documents, for example the bid validity is 180 days so the bid security shall be valid for 180+28 = 208 days.

BDS Clause Number 16
ITB Number 18.1

Alternative Bids to the requirements of the bidding documents will not be permitted.

D. Submission of Bids

BDS Clause Number 17
ITB Number 21.1

Bid shall be submitted online on **EPADS v2.0** whereas hard copy of the bid security should be submitted to the following;

Adjacent to NORI Hospital, Hanna Road, Sector G-8/3., Islamabad Capital Territory

Bids that are not submitted on EPADS v2.0 shall be disqualified.

The deadline for Bids submission is: **Monday, December 14, 2026 02:00 PM**

E. Opening and Evaluation of Bids

BDS Clause Number 18
ITB Number 26.1

The Bids opening shall take place on **EPADS v2.0**.

Day *:* ***Monday***

Date: ***Monday, December 14, 2026***

Time *: **02:30 PM***

BDS Clause Number 19
ITB Number 32.1

Selection technique adopted will be: **Least Cost Based Selection (LCBS)**
see Evaluation Criteria

F. Award of Contract

BDS Clause Number 20
ITB Number 49.1

The Performance guarantee shall: **10.00%**.

The Performance Guarantee shall be acceptable in the form of: **Pay Order, Banker's Cheque, Call at Deposit, Bank Guarantee, Demand Draft**

BDS Clause Number 21
ITB Number 51.1

Arbitrator shall be appointed by mutual consent of the both parties.

G. Review of Procurement Decisions

BDS Clause Number 22
ITB Number 53.1

Grievence against this procurement shall be submitted online on **EPADS v2.0**.

Eligibility Criteria

All Active Taxpayers shall be eligible to participate in the procurement process, unless expressly excluded or otherwise restricted under the Eligibility Criteria specified by the Procuring Agency.

Required Registration
NADRA CITIZENSHIP (CNIC/NICOP)
FBR (NTN)
FBR (GSTN)
PEC
Registrar of Firms

Eligibility Criteria	Document
Manufacturer/Distributor/Supplier must have a valid NTN and GST and must have an active status on FBR. The successful bidder shall collect the Foundation-owned Toyota Hilux from the PAEC Foundation Office, KANUPP, Karachi, carry out the required fabrication/conversion into a Mobile Dispensary, and deliver the completed vehicle back to the same premises at its own cost and responsibility.	Yes
The firm has its own fabrication setup and a separate after-sales service point. Mobile after-sales van for on-site repair & maintenance.	Yes
Individual / Individual Consultant, Sole Proprietorship, Partnership Firm, Company (Private Limited)	Yes

The quoted price should be inclusive of all taxes and on a FOR basis.	Yes

Position: Fabrication of Toyota Hilux Single Cabin into BLS Ambulance (Standard Conversion with Dual A/C)

Specifications / Requirements:

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
Description	Details
1. Scope and General Requirements	The Contractor shall Collect, convert and deliver the said Toyota Hilux single cabin pickup as a Basic Life Support (BLS) ambulance with dual air conditioning, complete as specified below.
	I. Category: BLS ambulance, standard conversion, carrying one stretcher patient, one seated crew member at the patient's head and a three-person attendant bench.
	II.Design Basis: Good ambulance practice, with EN 1789 as a guide where practical for a pickup-based conversion; safe working practice (HSE) with rounded edges, concealed fire-retardant wiring and secured equipment.
	III. All materials and equipment shall be new. Imported items shall carry CE or FDA certification, copies of which are submitted with the bid.
	IV. The conversion shall not alter suspension, brakes or the vehicle's factory safety systems. The converted vehicle shall not exceed the manufacturer's gross vehicle weight; the bidder submits a weight calculation.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	V. Parts removed from the base vehicle remain the property of the Purchaser. The Contractor lists them and returns them on delivery at no extra cost.
	VI. Any equipment or finish not described here but needed for a complete, working ambulance may be included in the quoted price.
2. Base Vehicle	The base vehicle is a current-model Toyota Hilux single cabin pickup.
	i.Model: Toyota Hilux single cabin 2014, diesel engine, manual transmission, [4×2] will be supplied by employer.
	ii. Color: Factory white. The original front bumper is sprayed to the same color code in an imported dust-free baking booth.
	iii. Driver Cabin: Original seats, controls and instruments are retained. Siren and light controls and the PA microphone are fitted within the driver's reach.
3. Fiberglass Canopy and Body	The canopy is a molded fiberglass (F/G) box designed for the Hilux single cabin deck.
	i. Construction: Single-piece molded fiberglass (F/G) shell, reinforced with an MS sub-frame. Floor plan matches the original deck; internal height approx. 59 in (5 ft) above the deck.
	ii. Base: the original deck is retained and used as the base. The canopy is mounted on it and sealed against water, dust and exhaust fumes.
	iii. Side Windows: At least one sliding tempered-glass window on each side of the patient compartment. Fixed windows at the front of each side are acceptable where the design needs them.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	iv. Rear Doors: Two swing doors, each with a large glass window, opening wide and held open by stays or gas struts. Rust-proof spring-lid mechanism, imported aluminum handle lock with a non-copyable serial key set, and high-quality chrome-plated handles.
	v. Hinges: Heavy-duty molded aluminum or MS hinges, rust-free, with nut and bolt at each corner, powder coated white.
	vi. Rear Pillars: Red light covers on both rear pillars. A rear step is fitted.
	vii. Trim: Chrome strips on both sides of the canopy. Rubbers and flocking are top-quality OEM parts from a reputable international manufacturer.
	viii. Front: A molded hood or roof spoiler bridges the cab and canopy and carries the emergency lighting.
	ix. Paint: Canopy sprayed in an imported dust-free baking paint booth with 2-component (2K) paint. The bid includes documentary evidence of the paint booth and of the imported rubbers and locks.
	x. Roof: Reinforced for the bar light and fitted with a roof vent or exhaust fan for the patient compartment.
4. Exterior Livery, Paint and Markings	The livery is painted where possible, so it lasts longer than stickers. The Foundation approves the design drawing before work starts.
	i. Color: Red paint on the rear and sides of the canopy in the approved pattern, not stickers.
	ii. Graphics: ECG-line graphic in imported reflective vinyl along both sides.
	iii. Lettering: The word AMBULANCE on the front (mirror-image) and on the rear and sides, in imported reflective vinyl. Institution or project name and logo on the left, right and rear. Ambulance emblem as approved by the Employer.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	iv. Reflective Tape: Retro-reflective tape on the rear and sides.
	v. Glass: Lower two-thirds of the patient-compartment side and rear glass frosted with opaque vinyl or semi-transparent film; the top third stays clear.
5. Patient Compartment Interior	All interior surfaces shall be washable and disinfect able, with no sharp edges.
	i. Flooring: half-inch (12 mm) water- and termite-proof MDF or marine plywood base. Covered with a single-piece, flexible, non-slip, non-staining, waterproof and washable vinyl of at least 2 mm thickness. All side gaps sealed with silicone.
	ii. Stretcher Area: 16 SWG stainless steel sheet on the floor under the stretcher.
	iii. Hard Points: Reinforced mounting points for the bench, crew seat, cabinet and stretcher locks, built without weakening the deck.
	iv. Side Walls: Original hardboard or trim replaced with washable, disinfectable FRP or ABS sheets.
	v. Ceiling: Non-glossy, washable molded fiberglass lining with ABS molded ducts for the air conditioning, plus the center panel.
	vi. Partition: Horizontally grooved F/G partition between the driver cabin and the patient compartment, fixed with SS brackets to the side walls, with a small sliding window for communication.
	vii. Surfaces: Internal walls and patient-handling areas finished with an antimicrobial or germ-resistant coating, or an inherently washable material, to resist contamination and chemical degradation.
	viii. Edges and Corners: curved or rounded edges throughout to prevent injury, in line with HSE practice.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
6. Seating	i. Attendant Bench: Three-person bench of 3 in special polyurethane foam as used in automobile seats, approx. 16 in (400 mm) wide, built over a fiberglass storage box that opens upward in two parts. Heat-sealed artificial-leather cover, a seat belt for each place, cushioned back, and one side grab bar of 1 in stainless steel pipe.
	ii. Crew Seat: One revolving seat fixed to the vehicle base at the head end of the patient, with waist seat belt and artificial-leather or fabric cover. A folding type is acceptable if space is short.
	iii. All seats and belts are anchored to the hard points.
7. Stretcher and Patient Handling	i. Main Stretcher: Imported, CE-certified, auto-loading (self-loading) type with a high-grade aluminum alloy frame. It is loaded and unloaded without lifting, so paramedics avoid back injury.
	ii. Features: At least 6 wheels (4+2 loading wheels); head-raise section adjustable from 0 to at least 45° and held by gas piston or lever mechanism; legs that collapse automatically; centering or blocking device that stops the stretcher falling during loading.
	iii. Size and Capacity: Approx. 6 ft 3 in × 1 ft 9 in (1900 × 560 mm); about 3 ft high standing and 1 ft collapsed; safe working load not less than 159 kg.
	iv. Mattress: 2 in (50 mm) foam, upholstered in washable PVC-coated orange leatherette, with pillow, two safety belts and two-fold-over side guards.
	v. Detachable IV rod, stowed in the stretcher when not in use.
	vi. Locking: Locking system at the front and rear center of the stretcher, engaging a floor-mounted base, so it stays secure while driving.
8. Medical Cabinet	A cabinet of non-staining, scratch-resistant, rust-proof and waterproof fiberglass is fitted at the front left corner of the patient compartment.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	i. Doors and Drawers: Finished on both sides, with self-retaining recessed handles and self-closing imported surface hinges.
	ii. Oxygen Section: Holds two 10-litre oxygen cylinders on F/G molded brackets with rubber padding. Internal light with door switch; floor matted with vinyl.
	iii. Wash basin: Molded wash basin with tap and a concealed water tank of 15–20 litres. Water is dispensed by an electric pump with a switch. A soap dispenser and tissue roll holder are fixed above the basin.
	iv. Drawer: 3 to 4 drawers of F/G, ABS or stainless steel. Each has a self-closing, self-retaining catch and handle lock that cannot open during emergency driving.
	v. Overhead cabinet and Shelf: one overhead cabinet and one top shelf on the right side, sized for the AED, emergency bag and similar equipment.
	vi. All items inside the cabinet are secured against movement while driving.
9. Oxygen Supply System	i. Cylinders: two brand-new imported oxygen cylinders of approx. 10 litres water capacity, tested, certified and filled by an approved gas company. Test and fill certificates are supplied at delivery.
	ii. Regulators: imported pressure regulators, with an imported changeover system that switches between cylinders.
	iii.Alarm and Gauge: low-oxygen alarm and a line-pressure gauge on the utility panel.
	iv. Outlets: two British Standard (BS) outlets on the panel and one flow meter with humidifier bottle and oxygen mask.
	v. Hose and fittings: Reinforced-plastic supply hose that stays flexible in cold and does not crack in heat (rated to 65 °C), with brass sockets and connectors.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	vi. All cylinders are held on double steel or F/G brackets with rubber padding and are accessible for changing from inside the compartment.
10. Side Utility Panel and Electrical System	i. Utility Panel: Molded F/G, composite or PVC board panel on the right side, holding the two oxygen outlets, oxygen alarm, cylinder changeover and line-pressure gauge, a switch panel for lights and other operations, and switches and sockets for 12 V and 220 V.
	ii. Inverter: 300–400 W inverter for 220 V medical equipment.
	iii. External Power: An external 220 V AC connector with spring-loaded lid and lock, so the vehicle can run from a generator or mains supply and charge its batteries.
	iv. Wiring: Harness-type wiring for the patient compartment, with no joints or taping, connector-based, with a separate fuse for each circuit. All wire is fire-retardant and heat-resistant, sized for its load.
	v. Battery: Separate maintenance-free auxiliary battery for the patient compartment (about 100 Ah minimum), charged from the vehicle's alternator and isolated from the starting battery.
	vi. Wiring Diagram: Supplied at delivery.
11. Lighting and Warning Devices	All external and internal lighting is LED. Emergency lights, flashers and siren are imported branded units (EEC or equivalent approved), not generic local assemblies.
	Main roof bar Light: Imported LED flasher bar, 1200 mm, red/blue (red/red optional), roof mounted Qty: 01
	Siren and PA. Siren with microphone, not less than 150 W, controller within driver's reach. Qty: 01 No
	Side and rear Flashers. Aerodynamic molded side spoilers with red and blue LED flashers; rear warning lights. Qty. 1 set
	Flood and search Lights. LED flood lights on both sides and at the rear for night work. Qty. 3 Nos

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	Ceiling Center Panel. Molded F/G panel with LED lights, two stainless steel grip handles along the length, and folding dual IV hooks with anti-swing locks. Qty: 1 No
	Interior Lighting Well-lit LED or SMD lighting over the full compartment. Qty. 1 set
	Examination Light. Ambulance-type light with stainless steel flexible neck, own handle and on/off button, movable in all directions. Qty. 1 No
	Spot Lamp Flexible-neck spot lamp for patient examination Qty. 1 No
	Hand search Light. Rechargeable LED torch. Qty. 1 No
	Rear pillar Lamps. Red light covers on both rear pillars. Qty. 2 Nos
12. Dual Air Conditioning	The vehicle has two independent air conditioning systems, one for the driver cabin and one for the patient compartment.
	i. Compressor: Original Sanden compressor (made in Singapore), with documentary proof of origin. Where one compressor serves both circuits, it is sized for both.
	ii. Patient Compartment: Rear blower and evaporator unit with a multi-speed blower and its own temperature control, ducted through the ABS molded ducts in the ceiling.
	iii. Driver Cabin: Front unit working independently of the rear unit.
	iv. Performance: The patient compartment reaches 24–26 °C in an outside temperature of 40 °C. The bidder states the rated cooling capacity of each unit and submits supporting data.
	v. Installation: Insulated refrigerant lines, sealed and routed clear of heat and moving parts; condensate drains to the outside of the vehicle; no leaks into the patient compartment.

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	vi. Refrigerant and fittings follow the vehicle manufacturer's standard. Operating instructions and service details are provided at handover.
13. Standard Medical Equipment and Accessories	The items below are part of the standard conversion and are included in the base price. Items in the second table are optional and are priced separately.
	BP Apparatus. Imported wall-mounted aneroid sphygmomanometer, large dial (5–7 in), range 0–300 mmHg, adult cuff, latex-free inflation system with coiled tubing, and stethoscope. Qty. 1 No
	Trauma first aid bag. Strong water-resistant PVC-coated washable red parachute cloth with yellow reflective strips; contents listed below. Qty. 01 No
	Spine Board CE-certified imported board of high-strength plastic or ABS/FG, with belts and head immobilizer. Qty. 1 No
	Airway kit. Imported Ambo bag (adult) with pressure-limiting valve; color-coded airways in assorted sizes; mouth opener. Qty. 1 set
	Suction. Hand-operated manual suction apparatus (CE). Qty. 1 No
	Pulse Oximeter. Portable, with soft finger probe. Qty. 1 No
	Thermometer Electronic. Qty. 1 No
	Glucometer. Imported, with 50 strips. Qty. 1 No
	Nebulizer. Imported ultrasonic, mains and rechargeable battery, adult and child masks. Qty. 01 No
	Syringe Cutter. Best quality. Qty. 01 No
	IV Hooks. Ceiling-mounted, anti-swing (see Section 11). Qty. 2 Nos

Technical Specifications Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)	
	Fire Extinguishers. Dry chemical powder (DCP): 6 kg in the patient compartment on a bracket, 2 kg in the driver cabin. Qty. 1 + 1
	Waste Bin. Stainless steel, 5–8 litres, pedal operated, fixed to the floor, removable washable plastic liner. Qty. 01 No
	Disposable Gloves. Box, in the first aid bag or cabinet. Qty. 1 Box
14. Trauma first aid bag contents:	wooden splints (2); crepe bandage 4 in (1) and 6 in (1); normal saline 0.9% (1); povidone-iodine solution (1); povidone-iodine or Cicatrin powder (1); dressing scissors (1); dressing forceps (2); 4×4 gauze pads (4); haemostatic gauze (1 pack); adhesive sterilized dressing 10×10 cm (1 pack); adhesive plaster 1 in (2); surgical tape ½ in (1); Saniplast (1 pack); kidney tray 6 in (1); antiseptic wipes (1 box); sterile disposable gloves.

Position: Optional Items

Specifications / Requirements:

Optional Items Quoted Separately Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)		
Sr. No	Description	Details
1	Suction unit	Imported electric unit, minimum 14 L/min airflow, 500–1000 ml clear bottle, accessories
2	Portable oxygen cylinder	Aluminum cylinder with imported regulator and carrying bag
3	Spine board platform	Aluminum and stainless steel, with storage space for the spine board
4	ECG machine	Portable, battery operated, LCD and printer, CE or FDA certified

Optional Items Quoted Separately Toyota Hilux Single Cabin BLS Ambulance (Standard Conversion with Dual A/C)		
5	AED	Imported, CE certified, with advisory system, 150–200 J
6	Patient monitor	Multi-parameter, minimum 8 in display, NIBP and SpO2, rechargeable battery, CE certified
7	Portable ventilator	Imported, battery operated
8	Returned vehicle parts	Return of removed original parts, if the Purchaser does not claim them under clause 1.6

PUBLIC PROCUREMENT REGULATORY AUTHORITY (PPRA) EPADS

Scope of Work

1. Scope and General Requirements

The Contractor shall collect, convert and deliver one Toyota Hilux single-cabin pickup as a Basic Life Support (BLS) ambulance with dual air conditioning, complete as specified below.

1. Category: BLS ambulance, standard conversion, carrying one stretcher patient, one seated crew member at the patient's head and a three-person attendant bench.

2. Design basis: good ambulance practice, with EN 1789 as a guide where practical for a pickup-based conversion; safe working practice (HSE) with rounded edges, concealed fire-retardant wiring and secured equipment.

3. All materials and equipment shall be new. Imported items shall carry CE or FDA certification, copies of which are submitted with the bid.

4. The conversion shall not alter suspension, brakes, or the vehicle's factory safety systems. The converted vehicle shall not exceed the manufacturer's gross vehicle weight; the bidder submits a weight calculation.

5. Parts removed from the base vehicle remain the property of the Purchaser. The Contractor lists them and returns them on delivery at no extra cost.

6. Any equipment or finish not described here but needed for a complete, working ambulance is included in the quoted price.

2. Base Vehicle

The base vehicle is a current-model Toyota Hilux single-cabin pickup.

1. Model: Toyota Hilux single-cabin 2014 model, diesel engine, manual transmission, [4×2], to be supplied by the employer.

2. Color: factory white. The original front bumper is sprayed to the same color code in an imported dust-free baking booth.

3. Driver cabin: original seats, controls, and instruments are retained. Siren and light controls and the PA microphone are fitted within the driver's reach.

3. Fiberglass Canopy and Body

The canopy is a molded fiberglass (F/G) box designed for the Hilux single cabin deck.

1. Construction: single-piece molded fiberglass (F/G) shell, reinforced with an MS sub-frame. Floor plan matches the original deck; internal height approx. 59 in (5 ft) above the deck.

2. Base: the original deck is retained and used as the base. The canopy is mounted on it and sealed against water, dust, and exhaust fumes.

3. Side windows: at least one sliding tempered-glass window on each side of the patient compartment. Fixed windows at the front of each side are acceptable where the design needs them.

4. Rear doors: two swing doors, each with a large glass window, opening wide and held open by stays or gas struts. Rust-proof spring-lid mechanism, imported aluminum handle lock with a non-copyable serial key set, and high-quality chrome-plated handles.

5. Hinges: heavy-duty molded aluminum or MS hinges, rust-free, with nut and bolt at each corner, powder coated white.

6. Rear pillars: red light covers on both rear pillars. A rear step is fitted.

7. Trim: chrome strips on both sides of the canopy. Rubbers and flocking are top-quality OEM parts from a reputable international manufacturer.

8. Front: a molded hood or roof spoiler bridges the cab and canopy and carries the emergency lighting.

9. Paint: canopy sprayed in an imported dust-free baking paint booth with 2-component (2K) paint. The bid includes documentary evidence of the paint booth and of the imported rubbers and locks.

10. Roof: reinforced for the bar light and fitted with a roof vent or exhaust fan for the patient compartment.

4. Exterior Livery, Paint and Markings

The livery is painted where possible, so it lasts longer than stickers. The Purchaser approves the design drawing before work starts.

1. Color: red paint on the rear and sides of the canopy in the approved pattern, not stickers.

2. Graphics: ECG-line graphic in imported reflective vinyl along both sides.

3. Lettering: the word AMBULANCE on the front (mirror-image) and on the rear and sides, in imported reflective vinyl. Institution or project name and logo on the left, right and rear. Ambulance emblem as approved by the Employer.

4. Reflective tape: retro-reflective tape on the rear and sides.

5. Glass: lower two-thirds of the patient-compartment side and rear glass frosted with opaque vinyl or semi-transparent film; the top third stays clear.

5. Patient Compartment Interior

All interior surfaces shall be washable and disinfectable, with no sharp edges.

1. Flooring: half-inch (12 mm) water- and termite-proof MDF or marine plywood base. Covered with a single-piece, flexible, non-slip, non-staining, waterproof and washable vinyl of at least 2 mm thickness. All side gaps sealed with silicone.

2. Stretcher area: 16 SWG stainless steel sheet on the floor under the stretcher.

3. Hard points: reinforced mounting points for the bench, crew seat, cabinet and stretcher locks, built without weakening the deck.

4. Side walls: original hardboard or trim replaced with washable, disinfectable FRP or ABS sheets.

5. Ceiling: non-glossy, washable molded fiberglass lining with ABS molded ducts for the air conditioning, plus the center panel.

6. Partition: horizontally grooved F/G partition between the driver cabin and the patient compartment, fixed with SS brackets to the side walls, with a small sliding window for communication.

7. Surfaces: internal walls and patient-handling areas finished with an antimicrobial or germ-resistant coating, or an inherently washable material, to resist contamination and chemical degradation.

8. Edges and corners: curved or rounded edges throughout to prevent injury, in line with HSE practice.

6. Seating

1. Attendant bench: three-person bench of 3 in special polyurethane foam as used in automobile seats, approx. 16 in (400 mm) wide, built over a fiberglass storage box that opens upward in two parts. Heat-sealed artificial-leather cover, a seat belt for each place, cushioned back, and one side grab bar of 1 in stainless steel pipe.

2. Crew seat: one revolving seat fixed to the vehicle base at the head end of the patient, with waist seat belt and artificial-leather or fabric cover. A folding type is acceptable if space is short.

3. All seats and belts are anchored to the hard points.

7. Stretcher and Patient Handling

1. Main stretcher: imported, CE-certified, auto-loading (self-loading) type with a high-grade aluminum alloy frame. It is loaded and unloaded without lifting, so paramedics avoid back injury.

2. Features: at least 6 wheels (4+2 loading wheels); head-raise section adjustable from 0 to at least 45° and held by gas piston or lever mechanism; legs that collapse automatically; centering or blocking device that stops the stretcher falling during loading.

3. Size and capacity: approx. 6 ft 3 in × 1 ft 9 in (1900 × 560 mm); about 3 ft high standing and 1 ft collapsed; safe working load not less than 159 kg.

4. Mattress: 2 in (50 mm) foam, upholstered in washable PVC-coated orange leatherette, with pillow, two safety belts and two-fold-over side guards.

5. Detachable IV rod, stowed in the stretcher when not in use.

6. Locking: locking system at the front and rear center of the stretcher, engaging a floor-mounted base, so it stays secure while driving.

8. Medical Cabinet

A cabinet of non-staining, scratch-resistant, rust-proof and waterproof fiberglass is fitted at the front left corner of the patient compartment.

1. Doors and drawers: finished on both sides, with self-retaining recessed handles and self-closing imported surface hinges.

2. Oxygen section: holds two 10-litre oxygen cylinders on F/G molded brackets with rubber padding. Internal light with door switch; floor matted with vinyl.

3. Wash basin: molded wash basin with tap and a concealed water tank of 15–20 litres. Water is dispensed by an electric pump with a switch. A soap dispenser and tissue roll holder are fixed above the basin.

4. Drawer: 3 to 4 drawers of F/G, ABS or stainless steel. Each has a self-closing, self-retaining catch and handle lock that cannot open during emergency driving.

5. Overhead cabinet and shelf: one overhead cabinet and one top shelf on the right side, sized for the AED, emergency bag and similar equipment.

6. All items inside the cabinet are secured against movement while driving.

9. Oxygen Supply System

1. Cylinders: two brand-new imported oxygen cylinders of approx. 10 litres water capacity, tested, certified and filled by an approved gas company. Test and fill certificates are supplied at delivery.

2. Regulators: imported pressure regulators, with an imported changeover system that switches between cylinders.

3. Alarm and gauge: low-oxygen alarm and a line-pressure gauge on the utility panel.

4. Outlets: two British Standard (BS) outlets on the panel and one flow meter with humidifier bottle and oxygen mask.

5. Hose and fittings: reinforced-plastic supply hose that stays flexible in cold and does not crack in heat (rated to 65 °C), with brass sockets and connectors.

6. All cylinders are held on double steel or F/G brackets with rubber padding and are accessible for changing from inside the compartment.

10. Side Utility Panel and Electrical System

1. Utility panel: molded F/G, composite or PVC board panel on the right side, holding the two oxygen outlets, oxygen alarm, cylinder changeover and line-pressure gauge, a switch panel for lights and other operations, and switches and sockets for 12 V and 220 V.

2. Inverter: 300–400 W inverter for 220 V medical equipment.

3. External power: an external 220 V AC connector with spring-loaded lid and lock, so the vehicle can run from a generator or mains supply and charge its batteries.

4. Wiring: harness-type wiring for the patient compartment, with no joints or taping, connector-based, with a separate fuse for each circuit. All wire is fire-retardant and heat-resistant, sized for its load.

5. Battery: separate maintenance-free auxiliary battery for the patient compartment (about 100 Ah minimum), charged from the vehicle's alternator and isolated from the starting battery.

6. Wiring diagram: supplied at delivery.

11. Lighting and Warning Devices

All external and internal lighting is LED. Emergency lights, flashers and siren are imported branded units (EEC or equivalent approved), not generic local assemblies.

Sr. No	Item	Specification	Qty
1	Main roof bar light	Imported LED flasher bar, 1200 mm, red/blue (red/red optional), roof mounted	1
2	Siren and PA	Siren with microphone, not less than 150 W, controller within driver's reach	1
3	Side and rear flashers	Aerodynamic molded side spoilers with red and blue LED flashers; rear warning lights	1 set
4	Flood and search lights	LED flood lights on both sides and at the rear for night work	3
5	Ceiling center panel	Molded F/G panel with LED lights, two stainless steel grip handles along the length, and folding dual IV hooks with anti-swing locks	1
6	Interior lighting	Well-lit LED or SMD lighting over the full compartment	1 set

7	Examination light	Ambulance-type light with stainless steel flexible neck, own handle and on/off button, movable in all directions	1
8	Spot lamp	Flexible-neck spot lamp for patient examination	1
9	Hand search light	Rechargeable LED torch	1
10	Rear pillar lamps	Red light covers on both rear pillars	2

12. Dual Air Conditioning

The vehicle has two independent air conditioning systems, one for the driver cabin and one for the patient compartment.

1. Compressor: original Sanden compressor (made in Singapore), with documentary proof of origin. Where one compressor serves both circuits, it is sized for both.

2. Patient compartment: rear blower and evaporator unit with a multi-speed blower and its own temperature control, ducted through the ABS molded ducts in the ceiling.

3. Driver cabin: front unit working independently of the rear unit.

4. Performance: the patient compartment reaches 24–26 °C in an outside temperature of 40 °C. The bidder states the rated cooling capacity of each unit and submits supporting data.

5. Installation: insulated refrigerant lines, sealed and routed clear of heat and moving parts; condensate drains to the outside of the vehicle; no leaks into the patient compartment.

6. Refrigerant and fittings follow the vehicle manufacturer's standard. Operating instructions and service details are provided at handover.

13. Standard Medical Equipment and Accessories

The items below are part of the standard conversion and are included in the base price. Items in the second table are optional and are priced separately.

Sr. No	Item	Specification	Qty
1	BP apparatus	Imported wall-mounted aneroid sphygmomanometer, large dial (5–7 in), range 0–300 mmHg, adult cuff, latex-free inflation system with coiled tubing, and stethoscope	1
2	Trauma first aid bag	Strong water-resistant PVC-coated washable red parachute cloth with yellow reflective strips; contents listed below	1
3	Spine board	CE-certified imported board of high-strength plastic or ABS/FG, with belts and head immobilizer	1

4	Airway kit	Imported Ambo bag (adult) with pressure-limiting valve; color-coded airways in assorted sizes; mouth opener	1 set
5	Suction	Hand-operated manual suction apparatus (CE)	1
6	Pulse oximeter	Portable, with soft finger probe	1
7	Thermometer	Electronic	1
8	Glucometer	Imported, with 50 strips	1
9	Nebulizer	Imported ultrasonic, mains and rechargeable battery, adult and child masks	1
10	Syringe cutter	Best quality	1
11	IV hooks	Ceiling-mounted, anti-swing (see Section 11)	2
12	Fire extinguishers	Dry chemical powder (DCP): 6 kg in the patient compartment on a bracket, 2 kg in the driver cabin	1 + 1

PUBLIC PROCUREMENT REGULATORY AUTHORITY (PPRA) EPADS

13	Waste bin	Stainless steel, 5–8 litres, pedal operated, fixed to the floor, removable washable plastic liner	1
14	Disposable gloves	Box, in the first aid bag or cabinet	1 box

Trauma first aid bag contents: wooden splints (2); crepe bandage 4 in (1) and 6 in (1); normal saline 0.9% (1); povidone-iodine solution (1); povidone-iodine or Cicatrin powder (1); dressing scissors (1); dressing forceps (2); 4×4 gauze pads (4); haemostatic gauze (1 pack); adhesive sterilized dressing 10×10 cm (1 pack); adhesive plaster 1 in (2); surgical tape ½ in (1); Saniplast (1 pack); kidney tray 6 in (1); antiseptic wipes (1 box); sterile disposable gloves.

Optional items, priced separately:

Sr.No	Item	Specification
1	Suction unit	Imported electric unit, minimum 14 L/min airflow, 500–1000 ml clear bottle, accessories
2	Portable oxygen cylinder	Aluminum cylinder with imported regulator and carrying bag
3	Spine board platform	Aluminum and stainless steel, with storage space for the spine board
4	ECG machine	Portable, battery operated, LCD and printer, CE or FDA certified

5	AED	Imported, CE certified, with advisory system, 150–200 J
6	Patient monitor	Multi-parameter, minimum 8 in display, NIBP and SpO2, rechargeable battery, CE certified
7	Portable ventilator	Imported, battery operated
8	Returned vehicle parts	Return of removed original parts, if the Purchaser does not claim them under clause 1.6

Brief Description

The successful bidder shall execute the work strictly in accordance with the approved technical proposal and contract.

● No substitution of major materials/equipment shall be made without prior written approval of the Procuring Agency.

● All materials and workmanship shall be new, sound, fit for purpose and free from manufacturing/workmanship defects.

● The bidder shall be responsible for protection of the vehicle during fabrication and shall repair, at its own cost, any damage caused by its work. All electrical installations shall be properly fused/protected, insulated and securely mounted.

● The bidder shall comply with applicable safety, environmental and labour requirements.

● The Procuring Agency may inspect work at any stage and may require rectification of non-conforming work at the bidder's cost.

● All taxes and statutory charges applicable to the bidder shall be borne by the bidder unless otherwise provided in the contract.

● Prices shall remain firm during the bid validity/contract period unless an adjustment mechanism is expressly provided in the contract.As per the manufacturer's standard terms, the process of fabrication involves approximately 45–60 official working days per unit, if all equipment is available; the short item may not be possible where equipment is imported.

● In case of Force Majeure, any additional cost adjustment on account of parts taken off incomplete seats shall be quoted, and there is a disruption clause applicable in unforeseen situations; the short item will not be supplied later when it is imported, as applicable.Any dispute shall be dealt with under applicable laws, PPRA Rules and contract conditions.

SPECIAL CONDITIONS FOR AMBULANCE FABRICATION

● Vehicle structure, braking, steering, suspension and other safety-critical systems shall not be compromised by the conversion.

● Equipment and furniture shall be securely anchored to withstand normal vehicle movement.

● Medical equipment shall be positioned so that it does not obstruct the driver, emergency exits or patient movement.

● Materials used inside the patient compartment shall be easy to clean, non-staining and resistant to routine disinfection.All exposed corners and edges shall be rounded/protected.

● Oxygen system installation shall be leak-free and securely mounted; oxygen equipment shall be handled and installed in accordance with applicable safety requirements, and all lines shall be leak-tested before commissioning.

● Emergency warning lights and siren shall be installed only to the extent permitted by applicable law/authorization.

● Before final acceptance, the complete Mobile Dispensaryshall undergo functional inspection, roadworthiness-related checks, and testing of all installed systems.The bidder shall provide as-built layout/installation details and equipment manuals at handover.

General Conditions of Contract

A. General

1. **Definitions**

1.1. Unless the context otherwise requires, the following terms whenever used in this Contract shall have the same meaning and shall be interpreted as indicated

1.1.1. “Applicable Law” means the laws and any other instruments having the force of law in the Government’s Country, or in such other country as may be specified in the Special Conditions of the Contract (SC), as they may be issued and in force from time to time;

1.1.2. “The Contract” means an agreement enforceable by law;

1.1.3. “The Contract Price” means the price payable to the Contractor under the Contract for the full and proper performance of its contractual obligations;

1.1.4. “The Services” means the work to be performed by the Contractor pursuant to this Contract and as prescribed in the Specifications and Schedule of Activities included in the Contractor’s Bid;

1.1.5. “Ancillary Services” means those services ancillary to the provision of Services, such as transportation and insurance, and any other incidental services, such as installation, commissioning, provision of technical assistance, training, and other such obligations of the Contractor covered under the Contract;

1.1.6. “GCC” means the General Conditions of Contract contained in this section;

1.1.7. “SCC” means the Special Conditions of Contract by which the GCC may be amended or supplemented;

1.1.8. **“**Day” means calendar day unless indicated otherwise;

1.1.9. “Effective Date” means the date on which this Contract comes into force and effect;

1.1.10. “The Contractor” means the individual or corporate body whose Bids to provide the Services has been accepted by the Procuring Agency;

1.1.11. “The Project Site,” where applicable, means the place or places named in Bid Data Sheet and technical Specifications;

1.1.12. “Government” means the Government of Pakistan;

1.1.13. “Local Currency” means the currency of Pakistan;

1.1.14. “In Writing” means communicated in written form with proof of receipt;

1.1.15. “Completion Date” means the date of completion of the Services by the Contractor as certified by the Procuring Agency;

1.1.16. “Foreign Currency” means any currency other than the currency of the country of the Procuring Agency;

1.1.17. “Party” means the Procuring Agency or the Contractor, as the case may be, and “Parties” means both of them;

1.1.18. "Service" means any object of procurement other than goods or works;

1.1.19. “Subcontractor” means any entity to which the Bidder subcontracts any part of the Services.

2. **Applicable Law**

2.1. The contract shall be governed and interpreted in accordance with the laws of Pakistan, unless otherwise specified in SCC.

3. **Language**

3.1. The Contract as well as all correspondence and documents relating to the Contract exchanged between the Contractorand the Procuring Agency, shall be written in the **English language** unless otherwise stated in the **SCC** . Supporting documents and printed literature that are part of the Contract may be in another language provided these are accompanied by an accurate translation of the relevant passages in English, in which case, for purposes of interpretation of the Contract, this translation shall govern.

4. **Notices**

4.1. Any notice, request, or consent made pursuant to this Contract shall be in writing and shall be deemed to have been made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent by registered mail, telex, telegram, or facsimile to such Party at the address specified in the **SCC**.

5. **Location**

5.1. The Services shall be performed at such locations as the Procuring Agency may approve and as specified in **SCC.**

6. **Authorized Representatives / Authority of Member in charge**

6.1. Any action required or permitted to be taken, and any document required or permitted to be executed, under this Contract by the Procuring Agency or the Contractor may be taken or executed by the officials specified in the **SCC**.

B. Commencement, Completion, Modification, and Termination of Contract

7. **Effectiveness of Contract**

7.1. This Contract shall come into effect on the date the Contract is signed by both parties and such other later date as may be stated in the **SCC.**

8. **Commencement of Services**

8.1. The Contractor shall confirm availability of required resources and begin carrying out the Services not later than the number of days after the Effective Date specified in the **SCC.**

9. **Program schedule**

9.1. Before commencement of the Services, the Contractor shall submit to the Procuring Agency for approval a Program showing the general methods, arrangements, order and timing for all activities. The Services shall be carried out in accordance with the approved Program as updated.

10. **Starting Date/Expiration Date**

10.1. The Contractor shall start carrying out the Services Five (05) days after the date the Contract becomes effective, or at such other date as may be specified in the **SCC.**

10.2. Unless terminated earlier pursuant to Clause **GCC 14** hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the **SCC.**

11. **Entire Agreement**

11.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.

12. **Modification**

12.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any modification(s) or variation(s) made by the other Party.

12.2. In cases of any modification(s) or variation(s), the prior written consent of the Procuring Agency is required.

13. **Force Majeure**

13.1. **Definition**
For the purposes of this Contract, “Force Majeure” means an event which is beyond the reasonable control of a Contractor and which makes a Contractor’s performance of its obligations under the Contract impossible or so impractical as to be considered impossible under the circumstances.

13.2. **No Breach of Contract**
The failure of a Party to fulfill any of its obligations under the contract shall not be considered to be a breach of, or default under, this Contract in so far as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

13.3. **Extension of Time**

Any period within which a Contractor shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

13.4. **Payments**

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Contractor shall be entitled to continue to be paid under the terms of this Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Service after the end of such period.

14. **Termination**

14.1. **By the Procuring Agency**

The Procuring Agency may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (e) of this Clause. In such an occurrence the Procuring Agency shall give at least thirty (30) calendar days' written notice of termination to the Contractor in case of the events referred to in (a) through (d); at least sixty (60) calendar days' written notice in case of the event referred to in (e);

14.1.1. If the Contractor fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension;

14.1.2. If the Contractor becomes (or, if the Contractor consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;

14.1.3. If the Contractor fails to comply with any final decision reached as a result of arbitration proceedings;

14.1.4. If, as the result of Force Majeure, the Contractor is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;

14.1.5. If the Procuring Agency, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;

14.2. **By the Contractor**

The Contractor may terminate this Contract, by not less than thirty (30) calendar days' written notice to the Procuring Agency, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.

14.2.1. If the Procuring Agency fails to pay any money due to the Contractor pursuant to this Contract and not subject to dispute within thirty (30) calendar days after receiving written notice from the Contractor that such payment is overdue;

14.2.2. If, as the result of Force Majeure, the Contractor is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;

14.2.3. If the Procuring Agency fails to comply with any final decision reached as a result of arbitration;

14.2.4. If the Procuring Agency is in material breach of its obligations pursuant to this Contract and has not remedied the same within thirty (30) days (or such longer period as the Bidder may have subsequently approved in writing) following the receipt by the Procuring Agency of the Contractor's notice specifying such breach.

C. Obligations of the Contractor

15. **General**

15.1. **Standard of Performance**

15.1.1. The Contractor shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Contractor shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Procuring Agency, and shall at all times support and safeguard the Procuring Agency's legitimate interests in any dealings with the third parties;

15.1.2. The Contractor shall employ and provide such qualified and experienced Experts and Sub-Contractors as are required to carry out the Services.

15.2. **Law Applicable to Services**

The Contractor shall perform the Services in accordance with the Contract and in accordance with the Law of Pakistan and shall take all practicable steps to ensure that any of its Experts and Sub-Bidders, comply with the Applicable Law.

16. **Conflict of Interests**

16.1. **Contractor Not to Benefit from Commissions and Discounts**

The remuneration of the Contractor shall constitute the Contractor's sole remuneration in connection with this Contract or the Services, and the Contractor shall not accept for their own benefit any trade commission, discount, or similar payment in connection with activities pursuant to this Contract or to the Services or in the discharge of their obligations under the Contract, and the Contractor shall use their best efforts to ensure that the Personnel, any Subcontractors, and agents of either of them similarly shall not receive any such additional remuneration.

16.2. **Contractor and Affiliates Not to be Otherwise Interested in Project**

The Contractor agree that, during the term of this Contract and after its termination, the Contractor and its affiliates, as well as any Subcontractor and any of its affiliates, shall be disqualified from providing Services (other than the Services and any continuation thereof) for any project resulting from or closely related to the Services.

16.3. **Prohibition of Conflicting Activities**

Neither the Bidder nor its Subcontractors nor the Personnel shall engage, either directly or indirectly, in any of the following activities:

16.3.1. during the term of this Contract, any business or professional activities in the Government's country which would conflict with the activities assigned to them under this Contract;

16.3.2. during the term of this Contract, neither the Contractor nor their Subcontractors shall hire public employees in active duty or on any type of leave, to perform any activity under this Contract;

16.3.3. after the termination of this Contract, such other activities as may be specified in the **SCC.**

17. **Insurance to be Taken Out by the Contractor**

17.1. The Contractor(a) shall take out and maintain, and shall cause any Subcontractors to take out and maintain, at its (or the Sub-contractors', as the case may be) own cost but on terms and conditions approved by the Procuring Agency, insurance against the risks, and for the coverage, as shall be specified in the **SCC**; and (b) at the Procuring Agency's request, shall provide evidence to the Procuring Agency showing that such insurance has been taken out and maintained and that the current premiums have been paid.

18. **Contractor's Actions Requiring Procuring Agency's Prior Approval**

18.1. The Contractor shall obtain the Procuring Agency's prior approval in writing before taking any of the following actions:

18.1.1. appointing such members of the Personnel not provided by the Contractor;

18.1.2. changing the Program of activities; and

18.1.3. any other action that may be specified in the **SCC.**

19. **Reporting Obligations**

19.1. The Contractor shall submit to the Procuring Agency the reports and documents in the numbers, and within the periods as prescribed by the Procuring Agency.

20. **Liquidated Damages**

20.1. **Payments of Liquidated Damages**
The Contractor shall pay liquidated damages to the Procuring Agency at the rate per day stated in the **SCC** for each day that the Completion Date is later than the Intended Completion Date. The total amount of liquidated damages shall not exceed the amount defined in the **SCC**. The Procuring Agency may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages shall not affect the Contractor's liabilities.

20.2. **Correction for Over-payment**
If the Intended Completion Date is extended after liquidated damages have been paid, the Procuring Agency shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate. The Contractor shall be paid interest on the overpayment, calculated from the date of payment to the date of repayment, at the rates specified in **SCC.**

20.3. **Lack of performance penalty**

If the Contractor has not corrected a Defect within the time specified in the Procuring Agency's notice, a penalty for Lack of performance will be paid by the Contractor. The amount to be paid will be calculated as a percentage of the cost of having the Defect corrected, assessed as specified in the Contractor

21. **Performance Guarantee**

21.1. Within the time stipulated in the acceptance letter from the Procuring Agency, the successful Bidder shall furnish the Performance Guarantee in shape and amount **specified in SCC.**

21.2. The proceeds of the Performance Guarantee shall be payable to the Procuring agency as compensation for any loss resulting from the Service Provider failure to complete its obligations under the Contract.

21.3. The Performance Guarantee shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Procuring agency and shall be in the acceptable form as specified in **SCC**.

21.4. The Performance Guarantee will be discharged by the Procuring agency and returned to the Service Provider not later than thirty (30) days following the date of completion of the Supplier's performance obligations under the Contract, including any warranty obligations, unless otherwise **specified in SCC.**

22. **Sustainable Procurement**

22.1. The Contractor shall conform to the sustainable procurement contractual provisions, if and as specified in the **SCC.**

D. Contractor's Personnel

23. **Description of Personnel**

23.1. The titles, agreed job descriptions, minimum qualifications, and estimated periods of engagement in the carrying out of the Services of the Contractor's Key Personnel. The Key Personnel listed by title as well as by name are hereby approved by the Procuring Agency.

24. **Removal and / or Replacement of Personnel**

24.1. Except as the Procuring Agency may otherwise agree, no changes shall be made in the Key Personnel. If, for any reason beyond the reasonable control of the Contractor, it becomes necessary to replace any of the Key Personnel, the Contractor shall provide as a replacement a person of equivalent or better qualifications.

24.2. If the Procuring Agency finds that any of the Personnel have (i) committed serious misconduct or have been charged with having committed a criminal action, or (ii) have reasonable cause to be dissatisfied with the performance of any of the Personnel, then the Contractor shall, at the Procuring Agency's written request specifying the grounds thereof, provide as a replacement a person with qualifications and experience acceptable to the Procuring Agency.

24.3. The Contractor shall have no claim for additional costs arising out of or incidental to any removal and/or replacement of Personnel.

E. Obligations of the Procuring Agency

25. **Change in the Applicable Law**

25.1. If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost of the Services rendered by the Contractor, then the remuneration and reimbursable expenses otherwise payable to the Contractor under this Contract shall be increased or decreased accordingly by agreement between the Parties, and corresponding adjustments shall be made to the amounts referred in the **SCC.**

26. **Services and Facilities**

26.1. The Procuring Agency shall make available to the Contractor and the Experts, for the purposes of the Services and free of any charge, the services, facilities and property described in the Terms of Reference, at the times and in the manner specified in the Terms of Reference.

26.2. In case that such services, facilities and property shall not be made available to the Contractor, the Parties shall agree on (i) any time extension that it may be appropriate to grant to the Contractor for the performance of the Services, (ii) the manner in which the Contractor shall procure any such services, facilities and property from other sources, and (iii) the additional payments, if any, to be made to the Contractor as a result thereof.

F. Payments to the Contractor

27. **Contract Price**

27.1. The price payable shall be in Pakistani Rupees unless otherwise specified in the **SCC**.

28. **Terms and Conditions of Payment**

28.1. Payments will be made to the Contractor according to the payment schedule stated in the **SCC** and as per actual invoice submitted by the Contractor.

28.2. Unless otherwise stated in the **SCC**, the advance payment shall be made against the provision by the Contractor of a bank guarantee for the same amount, and shall be valid for the period stated in the **SCC.** Any other payment shall be made after the conditions listed in the **SCC** for such payment have been met, and the Contractor have submitted an invoice to the Procuring Agency specifying the amount due.

29. **Quality Control Identifying Defects**

29.1. The principle and modalities of Inspection of the Services by the Procuring Agency shall be as indicated in the **SCC.** The Procuring Agency shall check the Contractor's performance and notify him of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Procuring Agency may instruct the Contractor to search for a Defect and to uncover and test any service that the Procuring Agency considers may have a Defect. Defect Liability Period is as defined in the **SCC**.

30. **Correction of Defects, and Lack of Performance Penalty**

30.1. The Procuring Agency shall give notice to the contractor of any Defects before the end of the Contract. The Defects liability period shall be extended for as long as Defects remain to be corrected.

30.2. Every time notice a Defect is given; the contractor shall correct the notified Defect within the length of time specified by the Procuring Agency's notice.

30.3. If the contractor has not corrected a Defect within the time specified in the Procuring Agency's notice, the Procuring Agency will assess the cost of having the Defect corrected, the contractor will pay this amount, and a Penalty for Lack of Performance.

31. **Disputes Amicable Settlement**

31.1. The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.

32. **Dispute Settlement**

32.1. **Arbitration**

32.1.1. **Alternate Dispute Resolution (ADR),** After coming into force of the procurement contracts, disputes, between the parties to the contract may be settled by one or more alternate dispute resolution methods including
Arbitration. Where an Alternate Dispute Resolution process other than Arbitration may not lead to an amicable settlement of dispute, Arbitration shall be resorted to.

32.1.2. The procuring agency shall specify mechanism for the appointment of an arbitrator expressly in the contract and the competent authority who shall appoint the arbitrator.

32.1.3. The laws of Pakistan shall apply to an arbitration unless specifically agreed to otherwise in the contract.

Number of GC Clause 31

Following is the guidance for Dispute Resolution

i. If any dispute of any kind whatsoever shall arise between the Authority and the Bidder in connection with or arising out of the Contract, including without prejudice to the generality of foregoing, any question regarding its existence, validity, termination and the execution of the Contract – whether during developing phase or after their completion and whether before or after the termination, abandonment or breach of the Contract – the parties shall seek to resolve any such dispute or difference by mutual diligent negotiations in good faith within 14 (fourteen) days following a notice sent by one Party to the other Party in this regard**.**

ii. At future of negotiation the dispute shall be resolved through mediation and mediator shall be appointed with the mutual consent of the both parties**.**

iii. At the event of failure of mediation to resolve the dispute relating to this contract such dispute shall finally be resolved through binding Arbitration by sole arbitrator in accordance with Arbitration Act 1940. The arbitrator shall be appointed by mutual consent of the both parties**.** The Arbitration shall take place in Islamabad, Pakistan and proceedings will be conducted in English language.

iv. The cost of the mediation and arbitration shall be shared by the parties in equal proportion however the both parties shall bear their own costs and lawyer's fees regarding their own participation in the mediation and arbitration. However, the Arbitrator may make an award of costs upon the conclusion of the arbitration making any party to the dispute liable to pay the costs of another party to the dispute**.**

v. Arbitration proceedings as mentioned in the above clause regarding resolution of disputes may be commenced prior to, during or after completion of the contract.

Notwithstanding any reference to the arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree that the Authority shall pay the Bidder any monies due to the Bidder.

Arbitrator's fee:

The fee shall be specified in Pak Rupees, as determined by the Arbitrator, which shall be shared equally by both parties**.**

Appointing Authority for Arbitrator:

By the Mutual Consent or in accordance with the provisions of Arbitration Act, 1940, in case the parties fail to reach a consensus on the name of sole arbitrator, any party may submit an application to the Chief Justice Islamabad High Court for appointment of sole arbitrator. The Chief Justice IHC may appoint a former judge of any High Court or Supreme Court as the sole arbitrator to resolve the dispute between the parties.

Rules of procedure for arbitration proceedings:

Any dispute between the Authority and a Bidder who is a national of the Islamic Republic of Pakistan arising in connection with the present Contract shall be referred to adjudication or arbitration in accordance with the laws of the Islamic Republic of Pakistan including Arbitration Act 1940, however above provision shall prevail in referring the case to the Arbitrator.

Place of Arbitration and Award:

The arbitration shall be conducted in English language and place of arbitration shall be at Islamabad. The award of the arbitrator shall be final and shall be binding on the parties.

Bid Securing Declaration

Form 9: Bid Securing Declaration
