Instructions to Bidders

A. General Provisions

1. Introduction

1.1. The Procuring Agency named in the Data Sheet intends to select a consultant, in accordance with the method of selection specified in the Data Sheet. The eligible Consultants are invited to submit a proposal, as specified in the Data Sheet, for consulting services required for the assignment named in the Data Sheet.

1.2. The Consultants should familiarize themselves with the local conditions and take them into account in preparing their Proposals, including attending a pre-proposal conference if one is specified in the Data Sheet. Attending any such pre-proposal conference is optional and is at the Consultants' expense.

1.3. The Procuring Agency will timely provide, at no cost to the Consultants, the inputs, relevant project data, and reports required for the preparation of the Consultant's Proposal as specified in the Data Sheet.

2. Corrupt and Fraudulent Practices

2.1. The procuring agencies and the consultant are required to compliance Procurement Regulatory Framework in regard to corrupt and fraudulent practices as defined under Rule 2(1)(f) of the Public Procurement Rules.

B. Preparation of Proposals

1. General Considerations

1.1. In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.

2. Language

3. The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and the Procuring Agency, shall

be written in the language(s) specified in the Data Sheet.

Documents Comprising the Proposal

3.1. The Proposal shall comprise the documents and forms listed in the Data Sheet.

4. Only One Proposal

4.1. The Consultant (including the individual members of any Joint Venture) shall submit only one Proposal, either in its own name or as part of a Joint Venture in another Proposal. If a Consultant, including any Joint Venture member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude a Sub-consultant, or the Consultant's staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify and if stated in the **Data Sheet** and subject to regulatory instructions, if any.

5. Proposal Validity

5.1. Proposals shall remain valid for the period specified in the Data Sheet after the Proposal submission deadline prescribed by the Procuring Agency (PA). To ensure the validity of proposal, it shall contain bid security or bid Securing declaration as a complementary bid securing instrument having the validity twenty-eight days more than the bid validity period.

5.2. During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total price.

5.3. If it is established that any Key Expert nominated in the Consultant's Proposal was not available at the time of Proposal submission or was included in the Proposal without his/her confirmation, such Proposal shall be disqualified and rejected for further evaluation, and may be subject to blacklisting and debarment in accordance with Clause 5 of this ITC.

5.4. Extension of Validity Period

5.4.1. If considered necessary, an extension in the bid validity can be made in accordance with the provision of public procurement rules, 2004 or any instructions issued in this regard.

6. Bid security/Bid Securing Declaration

6.1. The consultant shall submit bid security in the form and amount specified by the procuring agency before the submission deadline. Provided that in case where the procuring agency does not require the bid security, the bidder shall submit bid securing declaration on the format prescribed by the Authority in Standard Procurement Documents.

6.2. Any Proposal not accompanied by a Bid Security or Bid Securing Declaration shall be rejected by the Procuring Agency as non-responsive.

6.3. The Bid Securing Declaration of a joint venture must be in the name of the joint venture submitting the Proposal indicating all the members are jointly and severally responsible.

6.4. The successful Consultant's Bid Securing Declaration will be discharged upon the signing the contract with the Successful Consultant, and furnishing the performance security

7. Clarification and Amendment of RFP

7.1. The Consultant may request a clarification of any part of the RFP during the period indicated in the Data Sheet before three days prior to the Proposals' submission deadline through **EPADS v2.0** only. The Procuring Agency will respond to the same through **EPADS v2.0**. Should the Procuring Agency deem it necessary to amend the RFP as a result of a clarification or at its own initiative, it shall do so following the procedure described below:

7.1.1. At any time before the proposal submission deadline, the Procuring Agency may amend the RFP by issuing an amendment through **EPADS v2.0**.

7.1.2. If the amendment is substantial, the Procuring Agency may extend the proposal submission deadline to give the Consultants reasonable time to take an amendment into account in their Proposals.

7.2. The Consultant who has already submitted the proposal prior to any amendments in the RFP, may submit a modified Proposal based on the respective amendment in the RFP at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline.

8. Preparation of Proposals - Specific Considerations

8.1. While preparing the Proposal, the Consultant must give particular attention to the following:

8.1.1. The Procuring Agency may indicate in the Data Sheet the estimated Key Experts' time input (expressed in person-month) or the Procuring Agency's estimated total cost of the assignment, but not both. This estimate is indicative and the Proposal shall be based on the Consultant's own estimates for the same.

8.1.2. If stated in the Data Sheet, the Consultant shall include in its Proposal at least the same time input (in the same unit as indicated in the Data Sheet) of Key Experts, failing which the Financial Proposal will be adjusted for the purpose of comparison of proposals and decision for award in accordance with the procedure in the Data Sheet.

8.1.3. For assignments under the Fixed-Budget selection method, the estimated Key Experts' time input is not disclosed. Total available budget, with an indication whether it is inclusive or exclusive of taxes, is given in the Data Sheet, and the Financial Proposal shall not exceed this budget.

8.1.4. The proposal may be subject to price adjustment in accordance with Data sheet and formula specified.

9. Financial Proposal

9.1. The Financial Proposal shall be prepared using the Standard Forms provided in the RFP. It shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) reimbursable expenses indicated in the Data Sheet.

10. Taxes

10.1. The proposal submitted shall be inclusive of all the taxes unless otherwise stated in the Data Sheet. The Consultant and its Sub-consultants and Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the Data Sheet. Information on taxes in the Procuring Agency's country is provided in the Data Sheet.

11. Currency of Proposal

11.1. The Consultant may express the price for its Services in the currency or currencies as stated in the Data Sheet. If indicated in the Data Sheet, the portion of the price representing local cost shall be stated in the national currency. Payment shall also be made in the currency specified in the data sheet or condition of the contract.

C. Submission, Opening and Evaluation

1. Submission/withdrawal of Proposals

1.1. The Consultant shall submit proposal through **EPADS v2.0** before the submission deadline.

1.2. A Proposal submitted by a Joint Venture shall be submitted through **EPADS v2.0** from the account of Lead Member. Reference to the EPADS account of all the JV Member shall be provided along with the proposal. Incase any of Member is not registered on the **EPADS v2.0**, may be registered on the **EPADS v2.0** or all his credential shall be provided along with the proposal for the evaluation of the procuring agency. JV agreement signed by all the members shall also be provided along with the proposal.

1.3. A Consultant may withdraw its Proposal after it has been submitted before the submission deadline.

2. Opening of Proposal

2.1. The Procuring Agency will open all Proposal through **EPADS v2.0**.

2.2. Financial Proposal, will remain unopened till the prescribed financial Proposal opening date.

3. Evaluation of Technical Proposals

3.1. The Procuring Agency's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP or if it fails to achieve the minimum technical score indicated in the Data Sheet.

4. Opening of Financial Proposals

4.1. After the technical evaluation is completed, the Procuring Agency shall issue the Technical Evaluation Report containing all the information regarding responsiveness or non-responsiveness of the consultant along with the technical scores (if any). The Procuring shall notify those Consultants that have achieved the minimum overall technical score and inform them of the date and time for the opening of the Financial Proposals.

4.2. The Financial Proposals shall be opened and evaluated through **EPADS v2.0**.

5. Correction of Errors

5.1. Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.

5.2. The Procuring Agency's evaluation committee will

(a) correct any computational or arithmetical errors, and

(b) adjust the prices if they fail to reflect all inputs included for the respective activities or items in the Technical Proposal. In case of discrepancy between (i) a partial amount (sub-total) and the total amount, or (ii) between the amount derived by multiplication of unit price with quantity and the total price, or (iii) between words and figures, the former will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and the Procuring Agency's evaluation committee shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.

6. Conversion to Single Currency

6.1. For the evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the Data Sheet.

7. Selection Technique

7.1. Quality and Cost Based Selection

In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the Data Sheet. The Consultant achieving the highest combined technical and financial score will be invited for negotiations.

7.2. Fixed-Budget Selection (FBS)

7.2.1. In the case of FBS, those Proposals that exceed the budget indicated in the Data Sheet shall be rejected.

7.2.2. The Procuring Agency will select the Consultant that submitted the highest-ranked Technical Proposal that does not exceed the budget indicated in the RFP, and invite such Consultant to negotiate the Contract.

7.3. Least-Cost Selection.

In the case of Least-Cost Selection (LCS), the Procuring Agency will select the Consultant with the lowest evaluated total price among those consultants that achieved the minimum technical score, and invite such Consultant for discussion on technical issues, without changing the cost and scope of services.

D. Negotiations and Award

1. Negotiations

1.1. The negotiations will be held at the date and address indicated in the Data Sheet with the Consultant's representative(s) who must have written power of attorney to negotiate and sign a Contract on behalf of the Consultant.

1.2. The negotiations include discussions of the Terms of Reference (TORs), the proposed methodology, the Procuring Agency's inputs, the special conditions of the Contract, and finalizing the "Description of Services" part of the Contract. These discussions shall not alter the original scope of services under the TORs or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.

2. Availability of Key Experts

2.1. The invited Consultant shall confirm the availability of all Key Experts included in the Proposal as a pre-requisite to the negotiations, or, if applicable, a replacement in accordance with Clauses of ITC. Failure to confirm the Key Experts' availability may result in the rejection of the Consultant's Proposal and the Procuring Agency proceeding to negotiate the Contract with the next-ranked Consultant.

2.2. Notwithstanding the above, the substitution of Key Experts at the negotiations may be considered if due solely to circumstances outside the reasonable control of and not foreseeable by the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall offer a substitute Key Expert within the period of time specified in the letter

of invitation to negotiate the Contract, who shall have equivalent or better qualifications and experience than the original candidate.

3. Award of Contract

3.1. The Procuring Agency will award the Contract to the Consultant whose Proposal has been determined to be substantially responsive to the RFP Documents and who has been declared as Successful Consultant, provided that the same is not in conflict with any other law or policy of the Federal Government

4. Grievance Redressal Mechanism

4.1. Grievance shall be redressed in accordance with procedure and mechanism defined under Rule 48 of the Public Procurement Rules, 2004 and Redressal of Grievance regulations.

5. Mechanism of Blacklisting

5.1. The Blacklisting shall be carried out in accordance with provision of Rule 19 of the Public Procurement Rules, 2004 and for Procedure of Filing and Disposal of Review Petition under Rule 19 (3), 2021, to be read with the Regulations on "Mechanism for Blacklisting and Debarment of Bidders or Contractors Regulations, 2024".

6. Environmental objectives

6.1. As per Rule 4 of Public Procurement Rules, 2004, The procuring agency may seek to procure services with a reduced environmental impact throughout their life cycle when compared to services with the same primary function that may otherwise be procured

2. Termination of Contract for Failure to Become Effective

2.1. If this Contract has not become effective within such time period after the date of Contract signature as specified in the SCC, either Party may, by not less than twenty two (22) days written notice to the other Party, declare this Contract to be null and void, and in the event of such a declaration by either Party, neither Party shall have any claim against the other Party with respect hereto.

3. Commencement of Services

3.1. The Consultant shall confirm availability of Key Experts and begin carrying out the Services not later than the number of days after the Effective Date specified in the SCC.

4. Expiration of Contract

4.1. Unless terminated earlier pursuant to Clause GCC 19 hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the SCC.

5. Entire Agreement

5.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.

6. Modifications or Variations

6.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any proposals for modification or variation made by the other Party.

6.2. In cases of any modifications or variations, the prior written consent of the Procuring Agency is required.

7. Force Majeure

7.1. Definition

7.1.1. For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible under the circumstances, and subject to those requirements, includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action confiscation or any other action by Government agencies.

7.1.2. Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party's Experts, Sub-consultants or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both take into account at the time of the conclusion of this Contract, and avoid or overcome in the carrying out of its obligations hereunder.

7.1.3. Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

7.2. No Breach of Contract

7.2.1. The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

7.3. Measures to be Taken

7.3.1. A Party affected by an event of Force Majeure shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

7.3.2. A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than fourteen (14) calendar days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.

7.3.3. Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

7.3.4. During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultant, upon instructions by the Procuring Agency, shall either:

7.3.4.1. demobilize, in which case the Consultant shall be reimbursed for additional costs they reasonably and necessarily incurred, and, if required by the Procuring Agency, in reactivating the Services; or

7.3.4.2. continue with the Services to the extent reasonably possible, in which case the Consultant shall continue to be paid under the terms of this Contract and be reimbursed for additional costs reasonably and necessarily incurred.

7.3.5. In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled according to Clauses GCC 49& 50.

8. Suspension

8.1. The Procuring Agency may, by written notice of suspension to the Consultant, suspend all payments to the Consultant hereunder if the Consultant fails to perform any of its obligations under this Contract, including the carrying out of the Services, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the Consultant to remedy such failure within a period not exceeding thirty (30) calendar days after receipt by the Consultant of such notice of suspension.

9. Termination

9.1. This Contract may be terminated by either Party as per provisions set up below:

a) By the Procuring Agency

9.1.1. The Procuring Agency may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (f) of this Clause. In such an occurrence the Procuring Agency shall give at least thirty (30) days' written notice of termination to the Consultant in case of the events referred to in (a) through (d); at least sixty (60) days' written notice in case of the event referred to in (e); and at least five (5) days' written notice in case of the event referred to in (f):

- (a) If the Consultant fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension pursuant to Clause GCC 18;
- (b) If the Consultant becomes (or, if the Consultant consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- (c) If the Consultant fails to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GCC 49
- (d) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) days;
- (e) If the Procuring Agency, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;
- (f) If the Consultant fails to confirm availability of Key Experts as required in Clause GCC 13.

9.1.2. if the Consultant, in the judgment of the Procuring Agency has engaged in Fraud and Corruption, in competing for or in executing the Contract, then the Procuring Agency may, after giving fourteen (14) calendar days written notice to the Consultant, terminate the Consultant's employment under the Contract.

9.2. By the Consultant

The Consultant may terminate this Contract, by not less than thirty (30) days' written notice to the Procuring Agency, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.

- (a) If the Procuring Agency fails to pay any money due to the Consultant pursuant to this Contract and not subject to dispute pursuant to Clauses GCC 49.1 within forty-five (45) days after receiving written notice from the Consultant that such payment is overdue.
- (b) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) days.
- (c) If the Procuring Agency fails to comply with any final decision reached as a result of arbitration pursuant to Clause GCC 49.1.
- (d) If the Procuring Agency is in material breach of its obligations pursuant to this Contract and has not remedied the same within forty-five (45) days (or such longer period as the Consultant may have subsequently approved in writing) following the receipt by the Procuring Agency of the Consultant's notice specifying such breach.

9.3. Cessation of Rights and Obligations

Upon termination of this Contract pursuant to Clauses GCC 12 or GCC 19 hereof, or upon expiration of this Contract pursuant to Clause GCC 14, all rights and obligations of the Parties hereunder shall cease, except

- (i) such rights and obligations as may have accrued on the date of termination or expiration,
- (ii) the obligation of confidentiality set forth in Clause GCC 22,
- (iii) the Consultant's obligation to permit inspection, copying and auditing of their accounts and records set forth

in Clause GCC 25 and to cooperate and assist in any inspection or investigation, and (iv) any right which a Party may have under the Applicable Law.

9.4. Cessation of Services

9.4.1. Upon termination of this Contract by notice of either Party to the other pursuant to Clauses GCC 19a or GCC 19b, the Consultant shall, immediately upon dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum. With respect to documents prepared by the Consultant and equipment and materials furnished by the Procuring Agency, the Consultant shall proceed as provided, respectively, by Clauses GCC 27 or GCC 28.

9.5. e.Payment upon Termination

Upon termination of this Contract, the Procuring Agency shall make the following payments to the Consultant:

(a) remuneration for Services satisfactorily performed prior to the effective date of termination, and reimbursable expenditures for expenditures actually incurred prior to the effective date of termination; and pursuant to Clause 43;

(b) in the case of termination pursuant to paragraphs (d) and (e) of Clause GCC 19.1.1, reimbursement of any reasonable cost incidental to the prompt and orderly termination of this Contract, including the cost of the return travel of the Experts.

C. Obligations of the Consultant

1. General

1.1. Standard of Performance

1.1.1. The Consultant shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Procuring Agency, and shall at all times support and safeguard the Procuring Agency's legitimate interests in any dealings with the third parties.

1.1.2. The Consultant shall employ and provide such qualified and experienced Experts and Sub-consultants as are required to carry out the Services.

1.1.3. The Consultant may subcontract part of the Services to an extent and with such Key Experts and Sub-consultants as may be approved in advance by the Procuring Agency

1.2. Law Applicable to Services

1.2.1. The Consultant shall perform the Services in accordance with the Contract and in accordance with the Law of Pakistan and shall take all practicable steps to ensure that any of its Experts and Sub-consultants, comply with the Applicable Law.

2. Conflict of Interests

2.1. The Consultant shall hold the Procuring Agency's interest's paramount, without any consideration for future work, and strictly avoid conflict with other assignments or their own corporate interests.

2.1.1. Consultant Not to Benefit from Commissions, Discounts, etc.

2.1.1.1. The payment of the Consultant pursuant to GCC F (Clauses GCC 42 through 47) shall constitute the Consultant's only payment in connection with this Contract and, subject to Clause GCC 21.1.3, the Consultant shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or in the discharge of its obligations hereunder, and the Consultant shall use its best efforts to ensure that any Sub-consultants, as well as the Experts and agents of either of them, similarly shall not receive any such additional payment.

2.1.1.2. Furthermore, if the Consultant, as part of the Services, has the responsibility of advising the Procuring Agency on the procurement of goods, works or services. Any discounts or commissions obtained by the Consultant in the exercise of such procurement responsibility shall be for the account of the Procuring Agency.

2.1.2. Consultant and Affiliates Not to Engage in Certain Activities

2.1.2.1. The Consultant agrees that, during the term of this Contract and after its termination, the Consultant and any entity affiliated with the Consultant, as well as any Sub-consultants and any entity affiliated with such Sub-consultants, shall be disqualified from providing goods, works or non-consulting services resulting from or directly related to the Consultant's Services for the preparation or implementation of the project, unless otherwise indicated in the SCC.

2.1.3. Prohibition of Conflicting Activities

2.1.3.1. The Consultant shall not engage, and shall cause its Experts as well as its Sub-consultants not to engage, either directly or indirectly, in any business or professional activities that would conflict with the activities assigned to them under this Contract.

2.1.4. Strict Duty to Disclose Conflicting Activities

2.1.4.1. The Consultant has an obligation and shall ensure that its Experts and Sub-consultants shall have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Procuring Agency, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.

3. Confidentiality

3.1. Except with the prior written consent of the Procuring Agency, the Consultant and the Experts shall not at any time communicate to any person or entity any confidential information acquired in the course of the Services, nor shall the Consultant and the Experts make public the recommendations formulated in the course of, or as a result of, the Services.

4. Liability of the Consultant

4.1. Subject to additional provisions, if any, set forth in the SCC, the Consultant's liability under this Contract shall be as determined under the Applicable Law.

5. Insurance to be Taken out by the Consultant

5.1. The Consultant (i) shall take out and maintain, and shall cause any Sub-consultants to take out and maintain, at its (or the Sub-consultants', as the case may be) own cost but on terms and conditions approved by the Procuring Agency, insurance against the risks, and for the coverage specified in the SCC, and (ii) at the Procuring Agency's request, shall provide evidence to the Procuring Agency showing that such insurance has been taken out and maintained and that the current premiums therefore have been paid. The Consultant shall ensure that such insurance is in place prior to commencing the Services as stated in Clause GCC 13.

6. Accounting, Inspection and Auditing

6.1. The Consultant shall keep, and shall make all reasonable efforts to cause its Sub-consultants to keep, accurate and systematic accounts and records in respect of the Services in such form and detail as will clearly identify relevant time changes and costs.

6.2. Pursuant to paragraph 1.23 (e) of Attachment 1 to the General Conditions, the Consultant shall permit and shall cause its agents (where declared or not), subcontractors, sub-consultants, service providers, suppliers, and personnel, to permit, the procuring agency to inspect the site and/or the accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have such accounts, records and other documents. The Consultant's and its Subcontractors' and sub-consultants' attention is drawn to Sub-Clause 10.1 (Fraud and Corruption) which provides, inter alia, that acts intended to materially impede the exercise of the Procuring Agency's inspection and audit rights constitute a prohibited practice subject to contract termination.

7. Reporting Obligations

7.1. The Consultant shall submit to the Procuring Agency the reports and documents specified in Appendix A, in the form, in the numbers and within the time periods set forth in the said Appendix.

8. Proprietary Rights of the Procuring Agency in Reports and Records

8.1. Unless otherwise indicated in the SCC, all reports and relevant data and information such as maps, diagrams, plans, databases, other documents and software, supporting records or material compiled or prepared by the Consultant for the Procuring Agency in the course of the Services shall be confidential and become and remain the absolute property of the Procuring Agency. The Consultant shall, not later than upon termination or expiration of this Contract, deliver all such documents to the Procuring Agency, together with a detailed inventory thereof. The Consultant may retain a copy of such documents, data and/or software but shall not use the same for purposes unrelated to this Contract without prior written approval of the Procuring Agency.

8.2. If license agreements are necessary or appropriate between the Consultant and third parties for purposes of development of the plans, drawings, specifications, designs, databases, other documents and software, the Consultant shall obtain the Procuring Agency's prior written approval to such agreements, and the Procuring Agency shall be entitled at its discretion to require recovering the expenses related to the development of the program(s) concerned. Other restrictions about the future use of these documents and software, if any, shall be

specified in the SCC.

9. Equipment, Vehicles and Materials

9.1. Equipment, vehicles and materials made available to the Consultant by the Procuring Agency, or purchased by the Consultant wholly or partly with funds provided by the Procuring Agency, shall be the property of the Procuring Agency and shall be marked accordingly. Upon termination or expiration of this Contract, the Consultant shall make available to the Procuring Agency an inventory of such equipment, vehicles and materials and shall dispose of such equipment, vehicles and materials in accordance with the Procuring Agency's instructions. While in possession of such equipment, vehicles and materials, the Consultant, unless otherwise instructed by the Procuring Agency in writing, shall insure them at the expense of the Procuring Agency in an amount equal to their full replacement value.

9.2. Any equipment or materials brought by the Consultant or its Experts into the Procuring Agency's country for the use either for the project or personal use shall remain the property of the Consultant or the Experts concerned, as applicable.

10. Code of Conduct

10.1. The Procuring Agencies and the Consultant are bound to follow the Code of Ethics to be issued by the Authority.

D. Consultant's Experts and Sub-Consultants

1. Description of Key Experts

1.1. The title, agreed job description, minimum qualification and time-input estimates to carry out the Services of each of the Consultant's Key Experts are described in Appendix B.

1.2. If required to comply with the provisions of Clause GCC 20a, adjustments with respect to the estimated time-input of Key Experts set forth in Appendix B may be made by the Consultant by a written notice to the Procuring Agency, provided (i) that such adjustments shall not alter the original time-input estimates for any individual by more than 10% or one week, whichever is larger; and (ii) that the aggregate of such adjustments shall not cause payments under this Contract to exceed the ceilings set forth in Clause GCC 42.2.

1.3. If additional work is required beyond the scope of the Services specified in Appendix A, the estimated time-input for the Key Experts may be increased by agreement in writing between the Procuring Agency and the Consultant. In case where payments under this Contract exceed the ceilings set forth in Clause GCC 42.2, the Parties shall sign a Contract amendment.

2. Replacement of Key Experts

2.1. Except as the Procuring Agency may otherwise agree in writing, no changes shall be made in the Key Experts.

2.2. Notwithstanding the above, the substitution of Key Experts during Contract execution may be considered only based on the Consultant's written request and due to circumstances outside the reasonable control of the

Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall forthwith provide as a replacement, a person of equivalent or better qualifications and experience, and at the same rate of remuneration.

3. Approval of Additional Key Experts

3.1. If during execution of the Contract, additional Key Experts are required to carry out the Services, the Consultant shall submit to the Procuring Agency for review and approval a copy of their Curricula Vitae (CVs). If the Procuring Agency does not object in writing (stating the reasons for the objection) within twenty two (22) days from the date of receipt of such CVs, such additional Key Experts shall be deemed to have been approved by the Procuring Agency.

The rate of remuneration payable to such new additional Key Experts shall be based on the rates for other Key Experts position which require similar qualifications and experience.

4. Removal of Experts or Sub-consultants

4.1. If the Procuring Agency finds that any of the Experts or Sub-consultant has committed serious misconduct or has been charged with having committed a criminal action, or shall the Procuring Agency determine that a Consultant's Expert or Sub-consultant has engaged in Fraud and Corruption while performing the Services, the Consultant shall, at the Procuring Agency's written request, provide a replacement.

4.2. In the event that any of Key Experts, Non-Key Experts or Sub-consultants is found by the Procuring Agency to be incompetent or incapable in discharging assigned duties, the Procuring Agency, specifying the grounds therefore, may request the Consultant to provide a replacement.

4.3. Any replacement of the removed Experts or Sub-consultants shall possess better qualifications and experience and shall be acceptable to the Procuring Agency.

5. Replacement/ Removal of Experts – Impact on Payments

5.1. Except as the Procuring Agency may otherwise agree, (i) the Consultant shall bear all additional travel and other costs arising out of or incidental to any removal and/or replacement, and (ii) the remuneration to be paid for any of the Experts provided as a replacement shall not exceed the remuneration which would have been payable to the Experts replaced or removed.

6. Working Hours, Overtime, Leave, etc.

6.1. Working hours and holidays for Experts are set forth in Appendix B. To account for travel time to/from the Procuring Agency's country, experts carrying out Services inside the Procuring Agency's country shall be deemed to have commenced or finished work in respect of the Services such number of days before their arrival in, or after their departure from, the Procuring Agency's country as is specified in Appendix B.

6.2. The Experts shall not be entitled to be paid for overtime nor to take paid sick leave or vacation leave except as specified in Appendix B, and the Consultant's remuneration shall be deemed to cover these items.

6.3. Any taking of leave by Key Experts shall be subject to the prior approval by the Consultant who shall ensure that absence for leave purposes will not delay the progress and or impact adequate supervision of the Services.

E. Obligations of the Procuring Agency

1. Assistance and Exemptions

1.1. Unless otherwise specified in the SCC, the Procuring Agency shall use its best efforts to:

1.1.1. Assist the Consultant with obtaining work permits and such other documents as shall be necessary to enable the Consultant to perform the Services.

1.1.2. Facilitate prompt clearance through customs of any property required for the Services and of the personal effects of the Experts and their eligible dependents.

1.1.3. Issue to officials, agents and representatives of the Government all such instructions and information as may be necessary or appropriate for the prompt and effective implementation of the Services.

1.1.4. Assist the Consultant and the Experts and any Sub-consultants employed by the Consultant for the Services with obtaining exemption from any requirement to register or obtain any permit to practice their profession or to establish themselves either individually or as a corporate entity in the Procuring Agency's country according to the applicable law in the Procuring Agency's country.

1.1.5. Assist the Consultant, any Sub-consultants and the Experts of either of them with obtaining the privilege, pursuant to the applicable law in the Procuring Agency's country, of bringing into the Procuring Agency's country reasonable amounts of foreign currency for the purposes of the Services or for the personal use of the Experts and of withdrawing any such amounts as may be earned therein by the Experts in the execution of the Services.

1.1.6. Provide to the Consultant any such other assistance as may be specified in the SCC.

2. Access to Project Site

2.1. The Procuring Agency warrants that the Consultant shall have, free of charge, unimpeded access to the project site in respect of which access is required for the performance of the Services. The Procuring Agency will be responsible for any damage to the project site or any property thereon resulting from such access and will indemnify the Consultant and each of the experts in respect of liability for any such damage, unless such damage is caused by the willful default or negligence of the Consultant or any Sub-consultants or the Experts of either of them.

3. Change in the Applicable Law Related to Taxes and Duties

3.1. If, after the date of this Contract, there is any change in the applicable law in the Procuring Agency's country with respect to taxes and duties which increases or decreases the cost incurred by the Consultant in performing the Services, then the remuneration and reimbursable expenses otherwise payable to the Consultant under this Contract shall be increased or decreased accordingly by agreement between the Parties hereto, and corresponding adjustments shall be made to the ceiling amounts specified in Clause GCC 42.2.

4. Services, Facilities and Property of the Procuring Agency

4.1. The Procuring Agency shall make available to the Consultant and the Experts, for the purposes of the Services and free of any charge, the services, facilities and property described in the Terms of Reference (Appendix A) at the times and in the manner specified in said Appendix A.

4.2. In case that such services, facilities and property shall not be made available to the Consultant as and when specified in Appendix A, the Parties shall agree on (i) any time extension that it may be appropriate to grant to the Consultant for the performance of the Services, (ii) the manner in which the Consultant shall procure any such services, facilities and property from other sources, and (iii) the additional payments, if any, to be made to the Consultant as a result thereof pursuant to Clause GCC 42.3.

5. Counterpart Personnel

5.1. The Procuring Agency shall make available to the Consultant free of charge such professional and support counterpart personnel, to be nominated by the Procuring Agency with the Consultant's advice, if specified in Appendix A.

5.2. If counterpart personnel are not provided by the Procuring Agency to the Consultant as and when specified in Appendix A, the Procuring Agency and the Consultant shall agree on (i) how the affected part of the Services shall be carried out, and (ii) the additional payments, if any, to be made by the Procuring Agency to the Consultant as a result thereof pursuant to Clause GCC 42.3.

5.3. Professional and support counterpart personnel, excluding Procuring Agency's liaison personnel, shall work under the exclusive direction of the Consultant. If any member of the counterpart personnel fails to perform adequately any work assigned to such member by the Consultant that is consistent with the position occupied by such member, the Consultant may request the replacement of such member, and the Procuring Agency shall not unreasonably refuse to act upon such request.

6. Payment Obligation

6.1. In consideration of the Services performed by the Consultant under this Contract, the Procuring Agency shall make such payments to the Consultant and in such manner as is provided by GCC F below.

F. Payments to the Consultant

1. Ceiling Amount

1.1. An estimate of the cost of the Services is set forth in Appendix C (Remuneration) and Appendix D (Reimbursable expenses).

1.2. Payments under this Contract shall not exceed the ceilings in foreign currency and in local currency specified in the SCC.

1.3. For any payments in excess of the ceilings specified in GCC42.2, an amendment to the Contract shall be signed by the Parties referring to the provision of this Contract that evokes such amendment.

2. Remuneration and Reimbursable Expenses

2.1. The Procuring Agency shall pay to the Consultant (i) remuneration that shall be determined on the basis of time actually spent by each Expert in the performance of the Services after the date of commencing of Services or such other date as the Parties shall agree in writing; and (ii) reimbursable expenses that are actually and reasonably incurred by the Consultant in the performance of the Services.

2.2. All payments shall be at the rates set forth in Appendix C and Appendix D.

2.3. Unless the SCC provides for the price adjustment of the remuneration rates, said remuneration shall be fixed for the duration of the Contract.

2.4. The remuneration rates shall cover: (i) such salaries and allowances as the Consultant shall have agreed to pay to the Experts as well as factors for social charges and overheads (bonuses or other means of profit-sharing shall not be allowed as an element of overheads), (ii) the cost of backstopping by home office staff not included in the Experts' list in Appendix B, (iii) the Consultant's profit, and (iv) any other items as specified in the SCC.

2.5. Any rates specified for Experts not yet appointed shall be provisional and shall be subject to revision, with the written approval of the Procuring Agency, once the applicable remuneration rates and allowances are known.

3. Taxes and Duties

3.1. The Consultant, Sub-consultants and Experts are responsible for meeting any and all tax liabilities arising out of the Contract unless it is stated otherwise in the SCC.

3.2. As an exception to the above and as stated in the SCC, all local identifiable indirect taxes (itemized and finalized at Contract negotiations) are reimbursed to the Consultant or are paid by the Procuring Agency on behalf of the Consultant.

4. Currency of Payment

4.1. Any payment under this Contract shall be made in the currency(ies) specified in the SCC.

5. Mode of Billing and Payment

5.1. Billings and payments in respect of the Services shall be made as follows:

(a) Advance payment. Within the number of days after the Effective Date, the Procuring Agency shall pay to the Consultant an advance payment as specified in the SCC. Unless otherwise indicated in the SCC, an advance payment shall be made against an advance payment bank guarantee acceptable to the Procuring Agency in an amount (or amounts) and in a currency (or currencies) specified in the SCC. Such guarantee (i) is to remain effective until the advance payment has been fully set off, and (ii) is to be in the form set forth in Appendix E, or in such other form as the Procuring Agency shall have approved in writing. The advance payments will be set off by the Procuring Agency in equal installments against the statements for the number of months of the Services specified in the SCC until said advance payments have been fully set off.

(b) The Itemized Invoices. As soon as practicable and not later than fifteen (15) days after the end of each calendar month during the period of the Services, or after the end of each time interval otherwise indicated in the SCC, the Consultant shall submit to the Procuring Agency, in duplicate, itemized invoices, accompanied by the receipts or other appropriate supporting documents, of the amounts payable pursuant to Clauses GCC 45 and GCC 46 for such interval, or any other period indicated in the SCC. Separate invoices shall be submitted for expenses incurred in foreign currency and in local currency. Each invoice shall show remuneration and reimbursable

expenses separately.

(c) The Procuring Agency shall pay the Consultant's invoices within sixty (60) days after the receipt by the Procuring Agency of such itemized invoices with supporting documents. Only such portion of an invoice that is not satisfactorily supported may be withheld from payment. Should any discrepancy be found to exist between actual payment and costs authorized to be incurred by the Consultant, the Procuring Agency may add or subtract the difference from any subsequent payments.

(d) The Final Payment .The final payment under this Clause shall be made only after the final report and a final invoice, identified as such, shall have been submitted by the Consultant and approved as satisfactory by the Procuring Agency. The Services shall be deemed completed and finally accepted by the Procuring Agency and the final report and final invoice shall be deemed approved by the Procuring Agency as satisfactory ninety (90) calendar days after receipt of the final report and final invoice by the Procuring Agency unless the Procuring Agency, within such ninety (90) calendar day period, gives written notice to the Consultant specifying in detail deficiencies in the Services, the final report or final invoice. The Consultant shall thereupon promptly make any necessary corrections, and thereafter the foregoing process shall be repeated. Any amount that the Procuring Agency has paid or has caused to be paid in accordance with this Clause in excess of the amounts payable in accordance with the provisions of this Contract shall be reimbursed by the Consultant to the Procuring Agency within thirty (30) days after receipt by the Consultant of notice thereof. Any such claim by the Procuring Agency for reimbursement must be made within twelve (12) calendar months after receipt by the Procuring Agency of a final report and a final invoice approved by the Procuring Agency in accordance with the above.

(e) All payments under this Contract shall be made to the accounts of the Consultant specified in the SCC.

(f) With the exception of the final payment under (d) above, payments do not constitute acceptance of the Services nor relieve the Consultant of any obligations hereunder.

6. Interest on Delayed Payments

6.1. If the Procuring Agency had delayed payments beyond fifteen (15) days after the due date stated in Clause GCC 46.1 (c), interest shall be paid to the Consultant on any amount due by, not paid on, such due date for each day of delay at the annual rate stated in the SCC.

G. Fairness and Good Faith

1. Good Faith

1.1. The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

H. Settlement of Disputes

1. Amicable Settlement

1.1. Any dispute of any kind whatsoever shall arise between the Procuring Agency and the Service Provider in connection with or arising out of the Contract, including without prejudice to the generality of the foregoing, any question regarding its existence, validity or termination, or the execution of the Project –whether during

developing phase or after their completion and whether before or after the termination, abandonment or breach of the Contract – the parties shall seek to resolve any such dispute or difference by mutual consultation. If the parties fail to resolve such a dispute or difference even after negotiations or mediation, then the dispute shall be referred within fourteen (14) days in writing by either party to the Arbitrator, with a copy to the other party.

1.2. Any dispute in respect of which a notice of intention to commence arbitration has been given, in accordance with GCC sub-clause 45.1, shall be finally settled by arbitration. Arbitration may be commenced prior to or after completion of the Project. Arbitration proceedings shall be conducted in accordance with Arbitration Act 1940.

1.3. Notwithstanding any reference to the arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree that the Procuring Agency shall pay the Service Provider any monies due the Service Provider.

Price adjustment on the remuneration *[insert “applies” or “ does not apply”]*

[If the Contract is less than 18 months, price adjustment does not apply.

If the Contract has duration of more than 18 months, a price adjustment provision on the remuneration for foreign and/or local inflation shall be included here. The adjustment should be made every 12 months after

the date of the contract for remuneration in foreign currency and – except if there is very high inflation in the Procuring Agency’s country, in which case more frequent adjustments should be provided for – at the same intervals for remuneration in local currency. Remuneration in foreign currency should be adjusted by using the relevant index for salaries in the country of the respective foreign currency (which normally is the country of the Consultant) and remuneration in local currency by using the corresponding index for the Procuring Agency’s country. A sample provision is provided below for guidance:

Payments for remuneration made in [foreign *and/or* local] currency shall be adjusted as follows:

{or }

where

R_f is the adjusted remuneration;

R_{fo} is the remuneration payable on the basis of the remuneration rates (**Appendix C**) in foreign currency;

I_f is the official index for salaries in the country of the foreign currency for the first month for which the adjustment is supposed to have effect; and

I_{fo} is the official index for salaries in the country of the foreign currency for the month of the date of the Contract.

{or }

where

R_l is the adjusted remuneration;

R_{lo} is the remuneration payable on the basis of the remuneration rates (**Appendix D**) in local currency;

I_l is the official index for salaries in the Procuring Agency’s country for the first month for which the adjustment is to have effect; and

I_{lo} is the official index for salaries in the Procuring Agency’s country for the month of the date of the Contract.

The currency of payment shall be the following: PKR

[The advance payment could be in either the foreign currency, or the local currency, or both; select the correct wording in the Clause here below. The advance bank payment guarantee should be in the same currency(ies)]

The following provisions shall apply to the advance payment and the advance bank payment guarantee:

Following is the guidance for Dispute Resolution

1. If any dispute of any kind whatsoever shall arise between the Authority and the Bidder in connection with or arising out of the Contract, including without prejudice to the generality of foregoing, any question regarding its existence, validity, termination and the execution of the Contract – whether during developing phase or after their completion and whether before or after the termination, abandonment or breach of the Contract – the parties shall seek to resolve any such dispute or difference by mutual diligent negotiations in good faith within 14 (fourteen) days following a notice sent by one Party to the other Party in this regard.

2. At future of negotiation the dispute shall be resolved through mediation and mediator shall be appointed with the mutual consent of the both parties.

3. At the event of failure of mediation to resolve the dispute relating to this contract such dispute shall finally be resolved through binding Arbitration by sole arbitrator in accordance with Arbitration Act 1940. The arbitrator shall be appointed by mutual consent of the both parties. The Arbitration shall take place in Islamabad, Pakistan and proceedings will be conducted in English language.

4. The cost of the mediation and arbitration shall be shared by the parties in equal proportion however the both parties shall bear their own costs and lawyer's fees regarding their own participation in the mediation and arbitration. However, the Arbitrator may make an award of costs upon the conclusion of the arbitration making any party to the dispute liable to pay the costs of another party to the dispute.

5. Arbitration proceedings as mentioned in the above clause regarding resolution of disputes may be commenced prior to, during or after completion of the contract.

Notwithstanding any reference to the arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree that the Authority shall pay the Bidder any monies due to the Bidder.

Arbitrator's fee:

The fee shall be specified in Pak Rupees, as determined by the Arbitrator, which shall be shared equally by both parties.

Appointing Authority for Arbitrator:

By the Mutual Consent or in accordance with the provisions of Arbitration Act, 1940, in case the parties fail to reach a consensus on the name of sole arbitrator, any party may submit an application to the Chief Justice Islamabad High Court for appointment of sole arbitrator. The Chief Justice IHC may appoint a former judge of any High Court or Supreme Court as the sole arbitrator to resolve the dispute between the parties.

Rules of procedure for arbitration proceedings:

Any dispute between the Authority and a Bidder who is a national of the Islamic Republic of Pakistan arising in connection with the present Contract shall be referred to adjudication or arbitration in accordance with the laws of the Islamic Republic of Pakistan including Arbitration Act 1940, however above provision shall prevail in referring the case to the Arbitrator.

Place of Arbitration and Award:

The arbitration shall be conducted in English language and place of arbitration shall be at Islamabad. The award of the arbitrator shall be final and shall be binding on the parties.

Additional Forms and Documents

1. EXECUTIVE SUMMARY

NICL intends to engage a qualified engineering consultancy firm to plan and execute the redevelopment of Shah Din Building, Lahore into a modern office/commercial facility. The project aims to convert a non-operational & underutilized asset into a functional and value-generating property.

Scope of Services

The Consultant will provide comprehensive end-to-end engineering consultancy services including planning, design, statutory approvals, tendering support, and construction supervision to ensure successful execution of the redevelopment project.

Key Scope

I. Planning & Feasibility

The Consultant shall prepare a Feasibility Report for new construction with a suggested value-enhancing extension on the backyard/ground area. The report shall present various commercial use options, including full commercial and mixed-use development models, to evaluate the most financially viable alternative among rental, sale, hybrid, PPP, or BOT financial structures. The study shall include indicative CAPEX and OPEX estimates, along with applicable regulatory requirements. This report will support informed decision-making and the selection of an optimized and financially sustainable development strategy.

Key Deliverables Feasibility Study Report

II. Surveys & Investigations

Site surveys, existing utility mapping, existing structural condition assessment, and geotechnical investigations including soil conditions, groundwater levels, and surface water drainage patterns shall be carried out to establish accurate existing site and building conditions. Dismantling and demolition planning procedure for the structure shall be advised and prepared, including a proposed façade retention strategy.

Key Deliverables: Survey Drawings, Structural Condition Report, Soil Investigation Report

III. Detailed Engineering Design Services

Architectural design and planning of building layouts, including concept design, exterior and interior design, and furniture layout planning. Structural design services for a safe, efficient, and economically optimized building framework. Electrical design including internal and external lighting, power supply requirements, substations, and associated distribution systems. Design of internal and external plumbing works including water supply systems, sewerage networks, and stormwater drainage. HVAC system design for efficient climate control, ventilation, and indoor environmental quality, Elevator and vertical transportation system design, Integration of green building practices including solar PV systems, rainwater harvesting, and sustainability measures. Compliance with health, safety, and environmental (HSE) requirements. ELV systems including structured cabling, CCTV surveillance, access control, and Building Management System (BMS) integration. Firefighting and fire alarm system, along with provision for security staff facilities planning, in compliance with applicable codes, life safety standards, and

regulatory requirements.

The design shall be fully coordinated across all disciplines to ensure an integrated, modern, functional, and sustainable building solution in compliance with applicable regulatory requirements and international best practices.

Key Deliverables: Architectural, interior and exterior design layout drawings. Structural design documents. Mechanical, Electrical, and Plumbing (MEP) layout drawings and design documentation. Cost estimates and Bill of Quantities (BOQs). Tender documents and technical specifications. Technical design reports for all disciplines. Construction drawings & documents shall be issued upon approval for tendering purposes.

IV. Statutory Compliance and Approvals

The Consultant **must be** well versed with all laws and acts applicable for renovation of heritage sits and then liaise with relevant authorities for obtaining all necessary statutory approvals in compliance with applicable regulations, building bylaws, and heritage requirements and official fees challans (if any) shall be paid NICL.

V. Tendering & Procurement Support

The Consultant shall provide assistance to NICL in carrying out bidding, tendering, and evaluation support to ensure a transparent procurement process, including responding to bidders' queries, attending pre-bid meetings with the NICL team, and supporting the selection of a qualified contractor. This will enable effective cost control and promote fair competition.

Key Deliverables: Pre-bid meeting of minutes, Tender evaluation report.

VI. Construction Supervision

Site supervision, quality control, contract administration, and progress monitoring will be undertaken to ensure execution as per approved designs and standards, ensuring compliance with quality, time, and cost requirements during construction. The Consultant shall review and approve contract claims, BOQs, and as-built drawings and documentation submitted by the contractor, and recommend to NICL for approval of Interim Payment Certificates (IPCs).

Key Deliverables: Monthly Progress Reports, Interim Payment Certificate (IPC) certifications, approved as-built drawings, and Final Project Completion Report with all relevant documentation.

VII. Project Completion

The Consultant shall oversee and certify testing, commissioning, and final project handover on behalf of NICL to ensure that the building is fully compliant with approved design, specifications, and standards, and is ready for operational use.

Key Deliverables: Testing and Commissioning Reports, and Operation and Maintenance (O&M) Manuals for guidance of NICL staff.

2. INTRODUCTION

National Insurance Company Limited (NICL) is a Public Limited Company incorporated under the Companies Act, 2017, wholly owned by the Government of Pakistan, and operates under the administrative control of the Ministry of Commerce. NICL provides

general insurance coverage for movable and immovable assets owned by the Federal Government, Provincial Governments, Local Authorities, Autonomous Bodies, and Statutory Corporations. NICL also manages various operational and real estate assets located in Karachi, Islamabad, Lahore, and DIFC Dubai, including heritage and commercial properties requiring periodic maintenance, rehabilitation, redevelopment, and infrastructure improvement works.

3. PROJECT DESCRIPTION

NICL owns Shah Din Building, a historically significant heritage property constructed in 1914 and located at Shahrah-e-Quaid-e-Azam (Mall Road), Lahore. The NICL-owned portion of the building comprises Basement, Ground, and First Floors (B+G+1). The property also includes an open backyard area adjacent to the main building.

The total plot area of the property is approximately 36,632 sq.ft. (06 Kanal 07 Marla), including the main building and backyard/open space area. The approximate covered area of the building is 26,000 sq.ft. approximately, while the backyard/open space area is approximately 10,000 sq.ft.

Location Plan & Site Photographs of Shah Din Building are attached at Annexure D. Bidders are encouraged to visit the site to familiarize themselves with the site conditions before submission of bids.

4. OBJECTIVE

NICL aims to transform the Shah Din Building, Lahore, into a safe, functional, modern, and economically viable office/commercial facility with optimum space utilization for NICL operational requirements and potential revenue generation.

5. SCOPE OF SERVICES

The Consultant shall deliver comprehensive multidisciplinary engineering consultancy services for the redevelopment of Shah Din Building, Lahore, encompassing feasibility assessment, detailed design development, coordination for statutory and regulatory approvals, preparation of tender and contract documents, procurement support, construction supervision, and project completion activities. The assignment shall also include evaluation and planning of supporting infrastructure, extension facilities, parking provisions, utility and service zones, landscaping works, and other viable office, commercial, functional, or revenue-enhancing developments, in accordance with technical feasibility, applicable regulations, and Client approval.

6. PROJECT APPROACH & TECHNICAL METHODOLOGY

The Consultant shall develop a comprehensive understanding of the project through site investigations, engineering assessments, heritage evaluation, regulatory review, and redevelopment feasibility analysis. The approach shall ensure technically sound, financially viable, and regulatory-compliant redevelopment while preserving the

historic architectural character of Shah Din Building.

A. PHASE I – FEASIBILITY & DESIGN STAGE

i. Feasibility Study & Development Strategy

The Consultant shall carry out a concise feasibility study to evaluate viable development options including self-development, rental, hybrid, leasing, and PPP/BOT models based on assessment of FAR, height limits, zoning, and LDA regulations, estimation of CAPEX and OPEX based on assumptions current market rates per sq ft for construction, sale and rental rates. Each option shall be assessed on financial viability (NPV, IRR, payback), implementation practicality, and associated risks. A clear comparison and recommendation shall be provided to assist NICL in selecting the most suitable and economically feasible option.

ii. Detailed Engineering Design

a) Topographical Survey & Existing Utilities Mapping

The Consultant shall carry out all necessary pre-design investigations required to ensure safe, stable, and economically viable redevelopment of the project. These studies shall form the technical foundation of all architectural, structural, and infrastructure designs.

The Consultant shall:

- Conduct detailed topographical survey of entire property including building footprint and rear open space.
- Establish accurate site boundaries, coordinates, and levels.
- Verify encroachments, easements, and right-of-way constraints.
- Identify, verify, and map all existing utilities including water supply, sewerage, drainage, electrical networks, telecom infrastructure.
- Map adjoining buildings, road levels, and access conditions.
- Coordinate with relevant utility agencies where required.
- Prepare digital survey drawings compatible with CAD/GIS platforms.

b) Existing Structure Assessment & Heritage Documentation

The Consultant shall:

- Carry out detailed structural condition assessment of the existing building based on visual inspection and non-destructive testing (NDT) wherever required.
- Identify distressed, unsafe, damaged, and deteriorated structural

elements.

- Assess existing wood, concrete, masonry, and steel elements conditions and age.
- Prepare recommendations for structural aged condition assessment report.

c) Geotechnical Investigation

The Consultant shall:

- Conduct soil investigation through boreholes at required locations.
- Determine soil bearing capacity and strata profile.
- Perform laboratory testing of soil samples (SPT, shear strength, etc.).
- Assess groundwater table level and seasonal variation.
- Evaluate foundation suitability for proposed redevelopment structure.
- Provide recommendations for suitable foundation systems.
- Assess risks related to settlement, liquefaction, or differential movement.
- Submit complete geotechnical investigation report with laboratory testing results.

d) Hydrology & Drainage Assessment

The Consultant shall:

- Study existing surface and sub-surface drainage conditions
- Analyze stormwater flow patterns in surrounding urban context
- Assess risk of waterlogging or flooding at site level
- Evaluate capacity of existing municipal drainage infrastructure
- Design stormwater management strategy for proposed development
- Ensure safe disposal of rainwater runoff without impacting adjacent properties
- Provide recommendations for water retention, recharge, or discharge systems

e) Authority Approvals & Statutory Coordination

The Consultant shall coordinate all approvals required from relevant regulatory authorities and any heritage-related bodies, wherever applicable.

The Consultant shall:

- Coordinate with LDA, CAA, Civil Defence, EPA, WASA, LESCO, and other relevant authorities (as applicable).
- Prepare and submit all required drawings, reports, and approval documents.
- Incorporate comments of approving authorities into the design.
- Assist NICL during approval meetings and technical presentations.
- Ensure compliance with building bylaws, zoning regulations, and heritage requirements.

f) Architectural Detailed Design

The Consultant shall provide complete architectural design services from concept design to detailed construction drawings. The design shall ensure modern redevelopment while maintaining architectural harmony, functional efficiency, accessibility, and operational requirements.

i. Building Layout Planning

The internal layout shall be planned to optimize usable space, circulation efficiency, operational functionality, and flexibility for office, commercial, and service areas.

The Consultant shall:

- Develop concept, schematic, and detailed building layout plans along with 3D images, models, and walkthrough videos as required.
- Develop functional zoning for office, commercial, public, utility, and service areas.
- Optimize space utilization, accessibility, circulation flow, and future adaptability.
- Coordinate architectural layouts with structural, MEP, parking, fire safety, and vertical transportation requirements.

ii. Interior Design & Space Planning

The Consultant shall provide complete interior design and space planning services in accordance with project functional and aesthetic requirements.

The Consultant shall:

- Prepare detailed interior design proposals including furniture layouts, ceiling concepts, flooring patterns, wall finishes, lighting

coordination, and material specifications.

- Design office, reception, lobby, meeting, cafeteria, commercial, and common areas as required.
- Ensure functional, modern, durable, and maintenance-friendly interior solutions.
- Coordinate interior design works with architectural and MEP systems.

iii. Support Facilities / Ancillary Spaces Planning

- Provision and planning of security guard facilities including guard rooms, security posts, entry checkpoints, and associated support spaces within the overall architectural layout.

g) Structural Detailed Engineering Design

The Consultant shall design the permanent structural system for the redeveloped building strategy.

The Consultant shall:

- Design complete new structural framework for building
- Ensure seismic, wind, and load compliance
- Design foundations based on soil investigation
- Provide construction sequencing and stability analysis.

h) MEP (Mechanical, Electrical & Plumbing) Design

The Consultant shall provide fully coordinated MEP design services ensuring energy efficiency, operational reliability, and ease of maintenance.

iv. Air Conditioning System Detailed Design

- Evaluate cooling and ventilation requirements
- Design HVAC system based on feasibility and lifecycle cost
- Select appropriate system type (VRF, centralized, hybrid, etc.)
- Ensure energy efficiency and thermal comfort

v. Lifts & Elevators Systems

The Consultant shall provide complete planning, design, tendering, coordination, and supervision services for all lift, elevators and vertical transportation systems required for the project.

The Consultant shall:

- Conduct lift planning and traffic analysis based on building requirements & determine suitable lift type, capacity, speed, quantity, and arrangement.
- Coordinate lift shafts, pits, machine room requirements, power supply, ventilation, and associated builder works.
- Ensure compliance with safety standards, accessibility, and Civil Defence requirements.

vi. Electrical

- Design a complete electrical power distribution system for the building, including main and sub-distribution networks.
- Conduct detailed electrical load analysis for all building zones, including diversified and peak demand assessment.
- Design interior, exterior, façade, and emergency lighting systems in compliance with relevant international standards.
- Provide reliable backup power systems including diesel generators, automatic transfer systems (ATS), and UPS solutions with appropriate redundancy and load segregation.
- Design renewable energy integration including solar PV systems, net metering arrangements, and associated electrical infrastructure.
- Design substations, transformers, LV/MV panels, switchgear, and protection coordination systems.
- Design complete earthing, grounding, surge protection, and lightning protection systems to ensure operational safety and equipment protection.
- Ensure overall electrical system safety, reliability, maintainability, and energy efficiency in accordance with applicable codes and best practices.
- Design structured cabling and data network infrastructure for voice, data, and ICT systems.
- Design building management system (BMS) integration for monitoring and control of building utilities.
- Design access control systems for secure entry management across all critical areas.
- Design public address and voice evacuation systems integrated with emergency response requirements.

vii. Plumbing

- Design internal plumbing services including water supply, sanitary, drainage, washrooms, kitchens, cafeterias, and utility connections.
- Design external water supply, sewerage, storm water drainage, wastewater disposal, and underground piping networks.
- Design UGW tanks, OHW tanks, pumping stations, tube wells, pumps, and associated plumbing infrastructure.
- Ensure efficient water distribution, drainage flow, and compliance with applicable standards.

i) CCTV, Security & Command and Control

- Design a comprehensive CCTV surveillance system covering all internal and external zones including critical security points.
- Provide integration of CCTV, access control, and security systems into a centralized Command and Control Room.
- Design Command and Control infrastructure including monitoring consoles, video walls, communication systems, and data storage solutions.
- Ensure real-time monitoring capability, incident response support, and system scalability for future expansion.
- Design access control systems for secure entry management across all critical areas.
- Design public address and voice evacuation systems integrated with emergency response requirements.

j) Health, Safety & Environmental Management

The Consultant shall establish and enforce a project-wide Health, Safety, and Environmental Management framework covering design risk mitigation, construction safety supervision, and public protection measures.

k) Sustainability & Green Building Strategy

The Consultant shall incorporate sustainable design principles into the project to improve energy efficiency and reduce operational costs.

The Consultant shall:

- Incorporate sustainable and energy-efficient design solutions.
- Evaluate feasibility of rooftop solar PV systems and renewable energy

integration.

- Recommend energy-efficient HVAC, VRF, lighting, plumbing, and water conservation systems.
- Incorporate rainwater harvesting and water recycling systems for landscape and utility use.
- Utilize VRF condensate water for plantation, irrigation, and landscape purposes wherever feasible.
- Optimize natural lighting and ventilation wherever feasible.
- Recommend durable and low-maintenance construction materials.
- Incorporate practical green building practices within approved project budget limits.

l) Structural Dismantling Planning & Façade Retention Management

The Consultant shall develop and implement a controlled dismantling and façade retention strategy to ensure the preservation, stabilization, restoration, and integration of the historic façade into the proposed development. The scope shall include façade assessment, dismantling sequencing, structural stability analysis, temporary support systems, vibration control measures, heritage compliance, and long-term maintenance considerations.

m) Integrated Design Coordination

The Consultant shall ensure full coordination among all engineering disciplines to avoid design conflicts and execution issues during construction.

The Consultant shall:

- Ensure integration of architectural, structural, and MEP systems
- Conduct interdisciplinary coordination meetings during design phase
- Resolve design clashes (structural vs MEP vs architectural)
- Ensure all systems are constructible and maintenance-friendly
- Maintain coordinated drawings across all disciplines

n) Operation & Maintenance (O&M) Planning

The Consultant shall prepare operational efficiency and long-term maintenance guidelines for all building systems.

The Consultant shall:

- Prepare Operation & Maintenance manuals for all building systems
- Provide maintenance planning for HVAC, electrical, plumbing, fire systems
- Recommend maintenance schedules and lifecycle replacement planning
- Ensure systems are designed for ease of maintenance and access
- Provide utility consumption optimization strategy

o) Tendering, Cost Estimation & Procurement Support Services

The Consultant shall prepare complete tender documentation, detailed cost estimates, procurement support, and bid evaluation services for the project. The Consultant shall:

- Prepare detailed BOQs, Engineer's Cost Estimates, and market-based rate analysis for all project disciplines.
- Develop item-wise cost breakdowns including materials, labor, equipment, overheads, and external works.
- Ensure BOQs are coordinated, measurable, and compatible with standard tendering formats.
- Prepare complete Tender & construction Documents including Instructions to Bidders, Conditions of Contract, Technical Specifications, BOQs, drawings, and reference documents.
- Provide technical support during pre-bid meetings, bidder queries, and tender clarifications.
- Assist in contractor prequalification, shortlisting, and procurement process management.
