LIMITS OF INDEMNITY CLAUSE:

Subject to the terms and conditions detailed in the slip, the REINSURER hereby agrees to indemnify the REINSURED for that part of its Ultimate Net Loss which exceeds the amount of "DEDUCTIBLE" stated on the Slip on account of each and every loss occurrence and the sum recoverable under this Contract shall be up to but not exceeding the amount stated under "LIMITS OF INDEMNITY" on the Slip Ultimate Net Loss each and every loss occurrence and subject to the provisions of "REINSTATEMENT" as detailed herein.

ULTIMATE NET LOSS CLAUSE:

The term "ultimate net loss" shall be understood to mean the sum actually paid by the REINSURED in settlement of claims made upon them after taking deduction for all recoveries, all salvages and all claims under other reinsurances or retrocessions whether collected or not and shall include all adjustment expenses arising from the settlement of claims other than the salaries of employees and the office expenses of the REINSURED.

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under this Contract shall be applied as if recovered or received prior to the aforesaid settlement and all necessary adjustments shall be made by the parties hereto. Provided always that nothing in this Clause shall be construed to mean that losses under this Contract are not recoverable until the REINSURED's ultimate net loss has been ascertained.

NET RETAINED LINES CLAUSE:

This Contract shall only protect that portion of any insurance or reinsurance which the REINSURED retains net for its own account. In calculating any loss hereunder and also computing the amount in excess of which this Contract applies, only losses in respect of that portion of any insurance or reinsurance which the REINSURED retains net for its own account shall be included.

It is understood and agreed that the amount of the REINSURER's liability hereunder shall not be increased by reason of the inability of the REINSURED to collect from any other reinsurers, whether specific or general, any amounts which may become due from them, whether such inability arises from insolvency of such other reinsurers or otherwise.

DEFINITION OF LOSS OCCURENCE (SR 460):

- i) For the purposes of this Contract, a Loss Occurrence shall include all insured losses which arise directly from the same cause and which occur during the same period of time and in the same area. Such cause is understood to be the peril which directly occasions the losses or where there are several perils which, in an unbroken chain of causation, have occasioned the losses, the peril which triggered the chain of causation.

For example, as long as they are covered by this Contract, losses occasioned by the perils set out below at letters a) to f) shall constitute single loss occurrences:

- a) storm due to an atmospheric disturbance usually so designated by a meteorological institute;
- b) asand/or thunderstorms and/or tornadoes due to an atmospheric disturbance,

- f) strike, riot, civil commotion or violent demonstration occurring within the boundaries of one city, town or village.

- ii) If the number of loss occurrences cannot be determined according to paragraph 1, the following hours clause is then applied. A loss occurrence shall thus encompass a continuous period of time starting with the occurrence of the reinsured's first individual loss and lasting:
- 24 hours for perils mentioned under 1(b);
 - 72 hours for perils mentioned under 1(a), (e) and (f);
 - 504 hours for perils mentioned under 1(d);
 - 168 hours for perils mentioned under 1(c) as well as those perils not referred to in paragraph 1 but covered by this reinsurance agreement.
- In the case of differing perils which are not connected to each other by an unbroken chain of causation, the applicable number of hours corresponds to those of the peril which has caused the largest amount of damages.
- iii) In the case of more than one loss occurrence, if it is impossible to allocate any losses, the reinsured shall allocate them to the loss occurrence whose cause is most likely to have occasioned them. In case of uncertainty over scientific issues, the parties agree to seek expert advice from a neutral and recognised organisation.

For the purpose of calculation of any reinstatement premium hereunder it is understood that:

- I) The term “pro rata” shall mean pro rata as to the fraction of the amount of indemnity reinstated to the limit of indemnity any one loss occurrence
- II) In the event of a loss settlement being made hereunder prior to the adjustment of premium being made, the reinstatement premium shall be provisionally calculated on the Deposit Premium

SECURITY DETAILS

Reinsurer's Liability **Clause LMA3333:**

Reinsurer's liability several not joint

The liability of a reinsurer under this contract is several and not joint with other reinsurers party to this contract. A reinsurer is liable only for the proportion of liability it has underwritten. A reinsurer is not jointly liable for the proportion of liability underwritten by any other reinsurer. Nor is a reinsurer otherwise responsible for any liability of any other reinsurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a reinsurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a reinsurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other reinsurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each reinsurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each reinsurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to “this contract” in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

Order Hereon: 100.00% of 100.00%

Basis of Written Lines: Percentage of Whole.

Signing Provisions: In the event that the written lines hereon exceed 100% of the order, any lines written “To Stand” will be allocated in full and all other lines will be signed down in equal proportions so that the aggregate signed lines are equal to 100% of the order without further agreement of any of the reinsurers.

However:

- a) in the event that the placement of the order is not completed by the commencement date of the period of reinsurance then all lines written by that date will be signed in full;
- b) the Reinsured may elect for the disproportionate signing of reinsurers’ lines, without further specific agreement of reinsurers, providing that any such variation is made prior to the commencement date of the period of reinsurance, and that lines written “To Stand” may not be varied without the documented agreement of those reinsurers;
- c) the signed lines resulting from the application of the above provisions can be varied, before or after the commencement date of the period of reinsurance, by the documented agreement of the Reinsured and all reinsurers whose lines are to be varied. The variation to the contracts will take effect only when all such reinsurers have agreed, with the resulting variation in signed lines commencing from the date set out in that contract.

Written Lines: In a co-reinsurance placement following reinsurers may, but are not obliged to, follow the premium charged by the lead reinsurer.

Reinsurers may not seek to guarantee for themselves terms as favourable as those which others subsequently achieve during the placement.

Signing Pages: This Contract incorporates the following:

1. A Reinsurer signing page for each Reinsurer participating in this Contract, signature of which binds the Reinsurer and the Reinsured to the terms and conditions of this Contract.

Where the Reinsurer provides acceptance of a share by alternative correspondence, this shall constitute their formal signature until superseded by the signing page.

Signing Pages
(Continued):

For the purposes of the application of Reinsurer's Liability Clause LMA3333, each Reinsurer signed line is recorded on the Reinsurer's signing page and not in a separate schedule appended to this Contract.

2. A Reinsured signing page, signature of which provides confirmation by them that they agree to the terms and conditions of this Contract. This shall not override the binding nature of the provisions of point 1.

Bureaux Arrangements
(Continued):

Unless otherwise agreed, the Contract Leader (and Agreement Parties if appropriate) are authorised to exercise rights under this clause on their own behalf and on behalf of all Reinsurers participating in this contract.

Reinsurers authorise LPSO/XIS to issue For Declaration Only signings hereon if required, but settlement due date(s) shall remain unaltered.

Insurer to sign any deferred premium instalments as Additional Premium; however, any annual instalments to be allocated to respective year of accounts

XIS shall then notify (Re)Insurers. Payment to any entity within the same group of companies as the Appointed Broker will be deemed to be payment to the Appointed Broker.

Nothing in this clause shall be construed to override the terms of any Premium Payment Warranty or Clause or any Termination or Cancellation provision contained in this contract. Furthermore, any amendment to the Settlement Due Date of a premium instalment as a result of the operation of this Premium Processing Clause shall not amend the date that such instalment is deemed to be due for the purposes of such Premium Payment Warranty or Clause or Termination or Cancellation provision unless (Re)Insurers expressly agree otherwise.

**Non-Bureau
